Welcome to Back Pain Relief Chiropractic!

Please print and fill out the following pages to the best of your ability.

It would be REALLY HELPFUL if you printed these out as one side only. Thank you.

If you have had recent X-rays, CT scan or MRI please bring the reports or films with you to your office visit.

If you are under 18 you must be accompanied by a parent or legal guardian.

Depending on your symptoms and health status there will probably be a few more papers you will need to fill out when you get to the office, but this is a Great Start. Thank you.

Due to Privacy Concerns (HIPPA) DO NOT fax or email these forms back to us.

**We are a Walk-In clinic, but we request you schedule an appointment for your First Visit.
Our office phone number is 575-746-6375.**

Welcome to the office. We look forward to serving you.

"To the best of my ability, I agree to provide my patients convenient, affordable, and mainstream Chiropractic care. I will not use unnecessary long-term treatment plans and/or therapies."

NO SURPRISE BILLING ACT

This office participates in the No Surprise Billing Act. Below you will find a Fee Schedule of our most utilized charges, as well as an explanation of these charges. If we are contracted with your insurance company, you may receive an in-network discount; that will depend on your insurance company and individual policy.

Consultation / Examination:	\$27	Usually covered by general insurance companies but is not covered by Medicare. This charge may be for an initial examination (first visit with the doctor) or for a reexamination at various intervals during care.
Chiropractic SPINAL Adjustment/s	\$40	This fee includes any single area of the spine or a combination of multiple areas of the spine including head, neck, upper/mid/low back, ribs and pelvis. This does not include Extremity Adjustments.
Chiropractic EXTREMITY Adjustments:	\$26	If there is a <u>specific</u> complaint involving a <u>specific area/joint/muscle</u> etc. OUTSIDE of the spinal column (as described above) each area will be evaluated as a separate and distinct complaint and will be billed accordingly. Example: a knee issue, shoulder, elbow, wrist, etc.
Spinal X-rays, (only if needed):	\$45	per Area. Specifically: Neck is one Area, low back would be another Area. X-rays are taken in this office only when deemed medically necessary. X-rays are generally covered by most commercial insurance companies but unfortunately, not by Medicare.

Additional THERAPY: At times various therapies may be recommended and/or utilized to accelerate your recovery. These therapies are recommended and used only when necessary.

Intersegmental Traction (Roller Table)	\$10.	No longer covered by insurance as of 2020-2021
Electrical Muscle Stimulation	\$15	Covered by insurance at times, generally short term only
Decompression Chair	\$20	The Decompression Chair is generally reserved for patients that have documented or suspected disc issues, such as disc bulge, herniations, etc. Unfortunately, this device is not covered by any insurance plans that we are aware of.
Dry Needling: 1-2 muscle groups	\$75	Dry Needling is not covered by any insurance or Medicare
Radial Pulse Wave:	\$75	Radial Pulse Wave is not covered by any insurance or Medicare

HIPAA NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice of Privacy describes how we may use and disclose your protected health information (PHI) to carry our treatment, payment or health care operations (TPO) for other purposes that are permitted or required by law. "Protected Health Information" is information about you, including demographic information that may identify you and that related to your past, present, or future physical or mental health or condition and related care services.

Use and Disclosures of Protected Health Information:

Your protected health information may be used and disclosed by your physician, our staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, pay your health care bills, to support the operations of the physician's practice, and any other use required by law.

Treatment: We will use and disclose your protected health information to provide, coordinate, or manage your health care and any related services. This includes the coordination or management of your health care with a third party. For example, we would disclose your protected health information, as necessary, to a home health agency that provides care to you. For example, your health care information may be provided to a physician to whom you have been referred to ensure that the physician has the necessary information to diagnose or treat you.

Payment: Your protected health information will be used, as needed, to obtain payment for your health care services. For example, obtaining approval for a hospital stay may require that your relevant protected health information be disclosed to the health plan to obtain approval for the hospital admission.

Healthcare Operations: We may disclose, as needed, your protected health information in order to support the business activities of your physician's practice. These activities include, but are not limited to, quality assessment activities, employee review activities, training of medical students, licensing, marketing, and fundraising activities, and conduction or arranging for other business activities. For example, we may disclose your protected health information to medical school students that see patients at our office. In addition, we may use a sign-in sheet at the registration desk where you will be asked to sign your name and indicate your physician. We may also call you by name in the waiting room when your physician is ready to see you. We may use or disclose your protected health information, as necessary, to contact you to remind you of your appointment.

We may use or disclose your protected health information in the following situations without your authorization. These situations included as required by law, public health issues, communicable diseases, health oversight, abuse or neglect, food and drug administration requirements, legal proceedings, law enforcement, coroners, funeral directors, and organ donation. Required uses and disclosures under the law, we must make disclosures to you when required by the Secretary of the Department of Health and Human Services to investigate or determine our compliance with the requirements of Section 164.500.

OTHER PERMITTED AND REQUIRED USES AND DISCLOSURES WILL BE MADE ONLY WITH YOUR CONSENT, AUTHORIZATION OR OPPORTUNITY TO OBJECT UNLESS REQUIRED BY LAW.

You (the patient) give us (the office) permission to disclose and discuss any and all aspects of your case with the following person/s:

Name: _____ Relationship: _____
Name: _____ Relationship: _____

You may revoke this authorization, at any time, in writing, except to the extent that your physician or the physician's practice has taken an action in reliance on the use or disclosure indicated in the authorization.
