We deliver our business concept – fashion and quality at the best price – to everyone, and we do so in a sustainable way – today, tomorrow and in the future.

We are built on solid foundations. Our shared values are team work, simplicity, entrepreneur spirit, cost consciousness, straight forwardness and openness as well as striving for constant improvements. Today we are a global company with more than **2500 people** working together to serve major buyer requirements. We offer best combination of fashion, quality and price.
