Another Specialty has come and gone. See Teresa's note thanking those who have spent their time making it special.

Financially we didn't come out in the positive. Chris Burgess is preparing the show report. If you look at it, the baskets, gift cards and donations is our only true income, entries fees are minimal. Thanks to all of you for your donation.

I feel we need to look at future Specialties and try to increase entries, look at income and reduce expenses. Your suggestions are welcome. Discussion will be done at the next meeting April 9th.

All in all the Specialty was felt to be a success, judges were perfect and we had sufficient help. The Gateway Miniature Schnauzer Specialty is recognized and thanks to those loyal exhibitors that come every year.

Again, please bring your ideas to me if you can't come to the meeting.

Gosh, do I sound gloomy, but I see hope.
Thanks to all of you
Marilyn Bock

As Show Chairperson, I would like to personally thank everyone who helped put on this show. We had a good show except for the small entry for both Conformation and Obedience.

Thanks to Marilyn Bock for getting the ribbons ordered and to the show, thanks for helping me set up the trophies at both rings. Thanks to Aida Echemendia and Susan Lounsbury for Handling the Raffle and Auction Baskets. Thanks to Carol Carter and Chris Burgess for Ring Stewarding the Obedience Ring. Thanks to Nancy Lincoln for helping with the Rings in Obedience. Thanks to Ken McKinney for being our Ring Steward at the Conformation Ring. Everyone made the day easy and smooth for the show, all morning. My hat is off to all of you.

Thank-you to all the club members who donated items, baskets, Money and Gift Cards for the show. I love to see the club pull together.

We had to say goodbye to our Major at 13.5 years. He was the sweetest dog we have ever had - just wanted to please. He earned his UD in eight trials, followed by eight straight UDX legs and a Utility first. He absolutely hated the metal articles, but still managed to pick them up - to please. He loved agility and really loved Barn Hunt. We miss him so much.

If love could keep you here, you would live forever. Anonymous
