Club-A-Rama v2.0

WEEK 28

TRUMAN BUST

1963

Harry Truman (1884-1972) was the 33rd President of the United States, serving from 1945 when he succeeded to the presidency upon the death of Roosevelt, until the end of his second term in 1953 (which he won in an upset over Dewey). Under Truman, the US successfully concluded World War II, and tensions with the Soviet Union marked the start of the Cold War.

As explained in [WEEK 24 of v1.0 of the Club](#) with the reissue of the LINCOLN BUST, the TRUMAN BUST as well as many of the other presidential-related busts (WASHINGTON, KENNEDY (large), EISENHOWER, LYNDON JOHNSON, and BARRY GOLDWATER) were made for anticipated use at the "ONE NATION UNDER GOD" show at the 1964-65 New York World's Fair, but as time ran short the show was reduced to only Lincoln.

The backside of the TRUMAN BUST is engraved "33rd PRES. 1945-1953" and includes his engraved signature.

The **TRUMAN BUST** moldset, numbered 1104, was made in late 1963 together with the other presidential busts for anticipated use at the 1964-65 New York Worlds Fair.

Disclaimers: The color and/or exact condition of the MOLD you get in the CLUB-A-RAMA may or may not be as shown. Not for children under 3.
