### WEEK 39

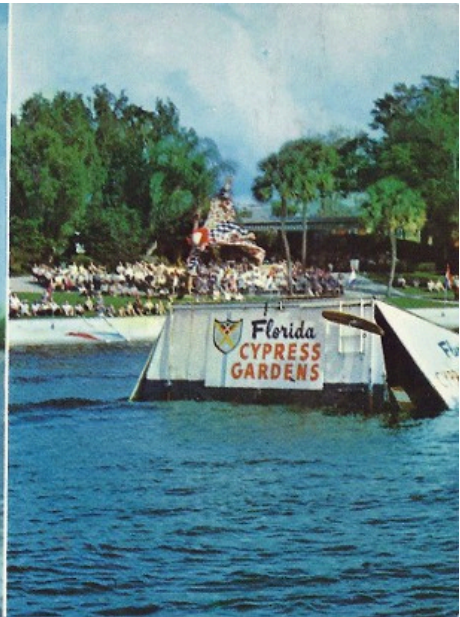

# CORKY THE CLOWN

late 1960s - early 1970s

CYPRESS GARDENS, FL

**CORKY THE CLOWN** was part of the water ski show at Cypress Gardens in Florida. **CORKY THE CLOWN** would do crazy things like get halfway up the ski jump and skid to a halt, afraid to go any further. Then the boat driver would yank him off and he'd fall into the water, to the great amusement of the crowd. Then **CORKY THE CLOWN** would come back to shore and explain to the two grandstands what had happened. He was said to have had a very squawky voice that bordered on the unintelligible, again to the crowd's amusement and laughter.

There are some serious curves to this original Mold-A-Rama moldset! It must have been the culmination of years of experience by the Mold makers! The **CORKY THE CLOWN** moldset is UNnumbered, but made during the Mold-A-Rama era, which dates its creation to somewhere in the late 1960s to early 1970s timeframe.
