## Club-A-Rama v2.0

WEEK 44

# CLOWN

early 1980s

Florida Turnpike

This week it's the **CLOWN** from the Florida Turnpike!

The Florida Turnpike is a toll road that extends from Florida City to North Miami, and north again towards Wildwood at its northern terminus. The Florida Turnpike is 312 miles long, and is considered "Florida's Main Street".

The front of the **CLOWN** that all **MOLDVILLE** Club-A-Rama members will receive carries the original inscription "MAIN STREET FLA.", while the rear sports the vintage original "FLORIDA TURNPIKE"!

This is a 1970s-80s vintage original plexi backglass from a mold machine used on the Florida Turnpike (owned by MOLDVILLE).

The **CLOWN** moldset was made by ELDIN IRWIN in the early 1980s for the Turnpike Service Plaza around the Orlando area. A portion of that stretch is called Main Street, and that is exactly where this **CLOWN** comes from!

The **CLOWN** has also been run at CHILDREN'S WONDERLAND, and at IMAGINATION STATION in Toledo, OH.

Disclaimers: The color and/or exact condition of the MOLD you get in the CLUB-A-RAMA may or may not be as shown. Not for children under 3.

Please visit the facebook page called 'Moldville', and 'LIKE' it, to keep up to date:
