Exhibitor Notes

This is a 2 ring trial – conflicts are possible, especially if you are running multiple dogs – however you must run within your walk group. You may walk with an earlier/different group in any class. Agility Gate allows you to mark Check In, Absent, or Conflict. Mark Conflict if you think you may have a conflict and the gate steward will work you in when you arrive in gate area.

Please check in – if you are not checked in when the class starts, you will be considered absent if you are not there at your turn. If you are not able to access agility gate on your phone, you may go to the gate and have the gate steward check you in on the iPad.

If you have read this far – You are Awesome! This weekend's game –are you Team Paw Patrol or Team Bluey?? If you do not know what those are, ask a parent or grandparent of a toddler! Or Michelle – I like both 😊 There are 10 toys of each 'team' hidden around the site. Hint – all dogs. TAKE PICTURES when you find them but PLEASE DO NOT REMOVE! When you have all 10 pictures of one team - bring your pictures to Secretary for prizes.
