

Billy Jay Sharphead

Never Stop Searching, Never Stop Caring...

Billy Ray Sharphead

Last seen in September of 2003. He was known to travel between Morley First Nation and Edmonton, Alberta. Billy was 35 at the time of his disappearance.

An age progression was prepared in 2018 depicting what Billy would look like now.

Leading the charge is his sister and mother. "We just keep his memory alive because that's all we can do at this point. It helps us to cope."
