

Alternative Parenting

Traditional Family Structure, New Ways of Doing it

No one is born with perfect parenting skills and at times even the best parents need help. This workshop begins with basic life skills and self-esteem workshops followed by the following components:

Normal Childhood Development

Basic Skills of Parenting

Teach Your Child to Follow Instructions

Accepting Criticism & Apologizing

Accepting No for an Answer

No Such Thing as a Good Spanking

Opening Communications with Your Child

Respect Reaps Respect

Guiding Your Child's Behaviour

Giving in Without Giving Up

Consistency Is the Best Policy & Follow Through

You Can Give Them Too Much

Giving Ownership to Your Child

Listen to What Your Child is Saying (The Silent Words)

Golden Rules of Success

This three-day workshop can be brought out to your community if needed or hosted within our office space.
