

CAPABILITY STATEMENT

Revolutionizing workplace compliance, Acuity Mobile Lab Services is your trusted partner for DOT/non-DOT compliant phlebotomy services. Effortless drug and alcohol testing solutions tailored for employers who prioritize precision, convenience, and regulatory compliance.

acuitymobilelab.com

CORE COMPETENCIES

- DOT/ Non DOT Drug & Alcohol Testing
- Post Accident Drug Testing
- Random Drug Testing
- Pre-employment Drug Testing
- Reasonable Suspicion Testing
- Legal/ Court Ordered Drug & Alcohol Testing

PAST PERFORMANCE

"Acuity Mobile Lab consistently delivered reliable and efficient DOT drug and alcohol collection services for the Virginia Department of Transportation, successfully collecting samples from 20+ employees statewide for random testing with meticulous attention to detail and compliance."

Acuity is now contracted with several other well-known companies to collect and test employees for pre-employment and random testing, such as Delta Airlines, Sabra Dipping Company, The Sterling Company, and multiple organizations through third-party administrators like The Pipeline Testing Consortium and First Advantage.
