

Northwest News for September 2023

Pastor Search Team News

We are progressing.....Soon the Center for Healthy Churches will be supplying us with names of candidates for our pastor position. At that time we will be able to look at their resumes, arrange for telephone/zoom discussions to get acquainted with them, listen to their sermons, and have full-fledged interviews. During the past few weeks team members have been training--receiving tips on interviewing, listening to sermons, and learning how to evaluate emotional intelligence. We are looking forward to putting our new-found knowledge to the test. Please continue to pray for the team as we seek God's will--nothing more, nothing less, nothing else--for our next pastor. We rely on the words from the first chapter of James where we are told if we need wisdom to ask our generous God, and He will provide it for us. We also ask you to pray for our next pastor to be able to discern God's call concerning our church for their life.

This Is My Church

This is my church. It will be friendly if I am. It will do a great work if I work. It will make generous gifts to many causes if I am generous. It will bring others into its fellowship if I bring them. Its seats will be filled if I fill them. It will be a church of loyalty and love, of faith and service if I am filled with these, Therefore, with God's help, I dedicate myself to the task of being all these things I want my church to be.

Ardmore Community Chorale rehearsals begin Monday, September 25 at 6:00 p.m.

Meet the Newest Addition to Our Church Family

Meredith Esperanza Harper was born August 8, 2023. She spent her first Sunday, August 13, in Sunday School and Church. Ashley Harper is her mother, and Carrie Shaw is her grandmother.

Friends: As you are leaving the church buildings, especially if you are one of the last ones to leave, please make sure to jiggle the doors behind you to ensure that they are locked properly. If the door seems jammed or won't close completely, quickly and firmly depress the crash bar and try again. Thank you for your help!
