RE: Skill Matrix Wage Ladder

To All Local 6011 Members,

The sign-up period for the Skills Matrix is now live on eShift. Please place your bids no later than February 24, 2023, to be enrolled. Refer to the email from Adam Gianopolus that was sent to your TTX email address. In Mr. Gianopolus' email it details the specific on the Skills Matrix along with who is qualified. In addition, the Skills Matrix locations are detailed in the email. As Mr. Gianopolus says in his letter these districts are solely for the purpose of the Skills Matrix Wage Ladder, there will be no changes to the seniority districts contained in Article 13, Section 4 of the current CBA. Lastly, when placing your bid, you will see that it asks you to rank your bid. This will not affect any other active job bids; the Skills Matrix bid is separate from any other job bids. If you have any further questions, please reach out to your Zone Committeeman or any of the Officers.

Fraternally yours,
Austin Lopez
Recording Secretary
