BUDGET WORKSHOP SEPTEMBER 24, 2020

Workshop started at 6:06PM

Diane Shultz asked if they need to amend the old budget before starting the new budget. Mike Null advised her that GWorks was never done properly. This is will be the first year that the budget will be accurate. Discussed the litigation. Mike Null said that it is a closed session topic. Mary Wiles said the numbers were never put in correctly from the first of the year. Was mentioned that the revenue wasn't on the budget. You need to have what comes in and what goes out. Need to add a line for St Robert transfer station on the trash budget in Debt Services. Street bond should be divided and put on the budget. Looking at the UV project.
