

Here's how to do
EVERYTHING right

Get to know Grainews...

Every issue is packed with simple, straightforward advice from successful farmers and other experts in crop science, farm finances, family counseling, health and safety, machinery mechanics, computers, and more and more...

Unmatched access to information...

Grainews has nearly a dozen sister publications in agriculture, industry and the daily news plus the biggest stable of farm writers who are also actively farming. This gives you unparalleled coverage on what works – and what doesn't so you don't have to risk the farm every time you try something new. So try Grainews today!

Know it all!

18 times a year you'll discover...

- ▶ New crop varieties – which ones are worth it, which ones are a waste of time
- ▶ Fertilizer – no B.S. advice on ... B.S.
- ▶ Hi-tech combines, smart phones, smart trucks and dumb technology mistakes to avoid
- ▶ How to kill bugs dead
- ▶ What to do when it doesn't rain
- ▶ What to do when it doesn't quit raining
- ▶ How to get a new tractor without getting divorced
- ▶ The secrets of "lazy" millionaires
- ▶ Ways to get your kids to help out that are so weird, they just might work
- ▶ The dynamite hiding inside the new technology use agreements
- ▶ What to do when your herbicide doesn't work
- ▶ The proper seeding and harvesting practices for uncommon crops like caraway, borage and dill
- ▶ Tillage techniques for the 21st century
- ▶ Crazy mods to your trucks, snowmobile, utility tractor and more
- ▶ Dream shops that will make your neighbor really, really, really jealous
- ▶ How to deal with gossip at the coffee shop (details...details...)
