Introducing Sora 'The Pupil Reading App'...

Sora is a new reading service providing thousands of digital books, magazines and audiobooks via its app (like Kindle or Audible but free!).

As part of our subscription to SLS, all pupils get access to Sora. This can be via the website sorapp.com or via the app on IOS or android. We have had very positive feedback from the pupils that have used it so far.

Teen book reviewer KS4 Pupils needed!

Fancying reading the latest teen and YA novels before anyone else? See Miss Northcott or Mrs Norton for more details.

Welcome to the first LRC latest newsletter! It has been a great first term getting to know the PCS pupils and establishing the LRC as a community space. I am pleased that new initiatives are gaining in popularity such as board games club, 'Books and biscuits' and 'Wellbeing Wednesdays'. All this and more will continue into the new year so watch this space!

Mrs Norton

Congratulations AR winners!

Well done to Years 7 & 8 for doing so well on their Accelerated Reader quizzes and making great progress.

Huge congratulations to Charlie Oldfield-Bruton (Y7) and Elizabeth Hooper (Y8) for the most words read since September.

Will we have any word millionaires next time round?

There are currently 64 loans more than 28 days overdue. Please ensure these are returned to the LRC promptly to avoid being charged for lost books.

THANK YOU

A big thank you to my wonderful and dedicated team of pupil librarians! They really help to keep the LRC tidy and running smoothly.

The Robin Hood series by Robert Muchamore

This is a 7 book series featuring classic Robin Hood characters but set in the modern day with clever twists and high-tech gadgets.

Robin Hood is 13 and on the run with a group of rebels based in an abandoned outlet mall. Together they take on injustice; fighting villains and rescuing those in distress. Unfortunately, the police and government believe that Robin and his mates are up to no good and want to hunt them down and throw them in prison.

If you like action, adventure or superheroes then this could be the book for you!

You can find the series in the LRC or on the Sora app.
