

# WE ARE **INNOVATIVE TECHNOLOGY** SOLUTIONS

## • ABOUT US

We are a woman-owned small business located in the District of Columbia. We specialize in connected technology powered by wireless connectivity.

## • OUR SOLUTIONS

Our solutions transcend Healthcare, First Responders and Education customers. Our goals are simple and clear...

- Extend wireless network capabilities by eliminating line of site obstacles
- Entrust our customers with consistent bandwidth and higher speeds
- Empower extended learning through virtual training and education programs
- Equip patients and healthcare providers with hands on digital imaging tools
- Enhance existing people, processes and tools using AI data analytics
- Support Smart City and Smart Campus Safety Objectives, including Active Shooter Scenarios
- Eliminate vulnerability concerns with best in class security products and services
