# Home Care Services

**ASK Training**  
runs a number of courses relevant to the Health and Social Care sector. Full details can be found on our website.

**Ask Care Ltd.** is a Domiciliary Home Care Agency providing personalised Home Care and Support services for Children, Adults and Older people in their home. We carry out the whole recruitment process and train staff for short and long term care

**ASK Day Centre**  
for Adults with learning disabilities and Older People with dementia.

We specialize in recruiting South Asian Carers, with bilingual skills. Our services can be tailored to meet client cultural needs, by providing carers who speak various languages as per the clients requirements. ASK has a dedicated training centre running tailored courses for staff and external organisations.
