INTRODUCING THE HANDS-FREE **PurePedal**

The PurePedal station is a sturdy stainless steel construction that dispenses individual portions of sanitizer from a long-lasting one gallon jug. The foot pedal dispenses sanitizer with ease, so you can stomp the germs!

Hand sanitizer and dispensers are hard to come by. Automatic dispensers are all on backorder, pumps are scarce, and the price for sanitizing solution has skyrocketed. The choice is easy with PurePedal.

PurePedal vs. COMPETITORS

HOLDS **256 OZ**
OF SANITIZER

BACTERIA CAN NOT
SURVIVE IN HEAVY GRADE
STAINLESS STEEL

NO ELECTRICITY NEEDED

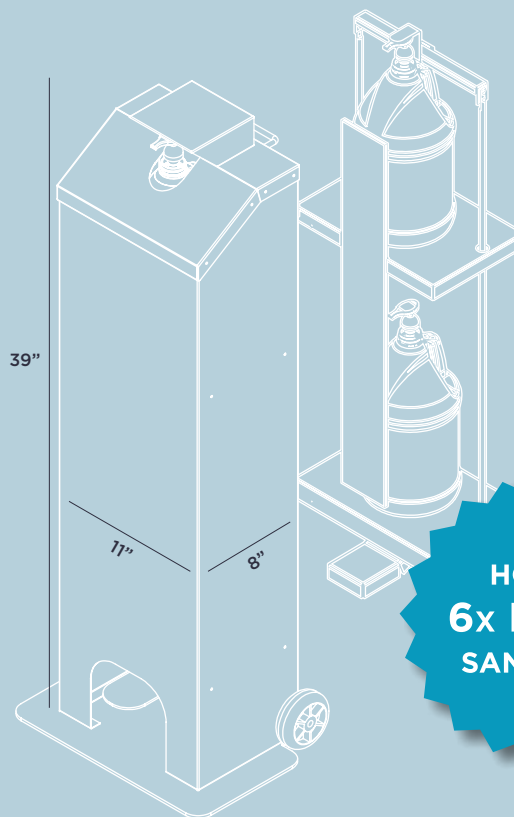

ALLOWS
7,500 APPLICATIONS

HOLDS **40.6 OZ**
OF SANITIZER

MADE OF PLASTIC WHICH
CAN HOST BACTERIA
FOR **>72 HRS**

BATTERY/ELECTRIC SENSOR

ONLY ALLOWS
1,100 APPLICATIONS

GET MAXIMUM SAVINGS WITH PurePedal
