ABOUT JAMIE

Jamie's a Leader Of Love & his purpose is to anchor the remembrance of unconditional love into Gaia & The Collective through his various gifts. Jamie empowers Leaders Of Love to get out & stay out of burnout utilizing the principles of unconditional love, deep intimacy & connection within coaching & healing modalities. Jamie's super powers are his emotions, creating a space where people feel immediately unconditionally loved by him & can freely share their life-story free of judgement. Jamie senses other peoples gifts (often before they do) & while empowering their discovery, amplifies them, so they can create & lead from their heart-centered place.
