— THE CLUB

a private oasis

Located in Zionsville, Indiana, WheelHouse will be hidden amongst the growing Graham Rahal Brands campus.

With a discreet, secret, members-only entrance that requires unique identification for entry, WheelHouse gives a feel of exclusivity from the moment you walk through the doors.

Accessible by stairs and elevator, the luxurious atmosphere continues throughout the entire club. One-way glass overlooking the WheelHouse garage and campus restaurant opens the room.

A bar, a speakeasy, professional motorsports simulators, a golf simulator, and casual seating areas allow opportunities for intimate conversations and exciting entertaining.

WheelHouse is the ultimate place to step away from the outside world and into a place where luxury meets drive.
