## HUMANE SOCIETY

January – March 2024

## 1st Annual St. Patty's Day Dinner

Our first “annual” St. Patrick’s Supper was a big hit with our guests!! Customers were served their choice of Corned Beef and Cabbage or Regular Roast Beef, with all the fixins’, salad, carrots, potatoes, iced tea, water, coffee, and dessert. The food was prepared by Lana Pelton (Lanas Catering and Goodies) and Jean Clair with the Adopt A Pet Crew. Big thanks to Mark Mingenback and Mark Bitter for leasing us the restaurant “Tellers” for the evening. Funds raised will help with the new lighted outdoor sign at the Shelter we are needing installed! THANK YOU THANK YOU to all that participated!

## Fundraisers

Throughout the year, fundraisers are held to provide any additional needs of the shelter and the pets that temporarily stay before going to their forever homes. Funds collected help cover supplies, equipment, medical treatments, grooming and more.

GOOD DAY TO YOU ALL!!

We are so pleased to reach out to our members, old and new, and want to send a GREAT BIG THANK YOU to all that have purchased a membership.

Your dollars will help with so many things for these loveable creatures that have been turned into outcasts, failed by their humans.

Together, we're creating a more humane community for all companion animals.

## Local Businesses Sponsor Adoption Fees

With the ever so crowded shelters around the nation, our shelter is no different. Slowing adoption trends, rising costs of everything pet related, adoption fees have been a barrier for some. To help with those animals who have a very long length of stay, several local businesses have fully sponsored adoptions fees on different animals. Thank you to Landmark Bank, Hejny Retail Liquor Store Identification's, and Ace Bail Bonds for their sponsorships of shelter pets!
