

the *Abingdon*

*A classic version of colonial design, with a gracious receiving room affording easy access to every room on the first floor: a large private library, an inviting living room and formal dining room, a convenient powder room. The large family room with raised hearth fireplace, built-in barbecue and exposed brick wall, adjoins the fully-equipped kitchen with separate breakfast bay. Adjacent to the kitchen is a laundry room. Upstairs: 5 twin-size bedrooms, including a master suite that features a private sitting room, separate bath and dressing room. Another full compartmentalized bath, plus an abundance of closet space. Full basement, garage, storage area, air conditioning . . . all included in this superb 2-story colonial.*
