Homeschoolers Workshops Wednesday, May 15, 9-12 dipraisinhim@aol.com supply fee \$6 per par-

This is a great time to bring your homeschoolers to do something new to them. You don't have to do any of the planning. Deadline for signup is May 6.

What to bring:

- White 100% Cotton T-Shirt or pillowcase, prewashed with no fabric softener if tie dyeing.

Tie Dye Shirts, Pillowcases or fabric

Kids will take a plain white T-shirt and create a fun T-Shirt for summer. Using a clean pre-washed white T-shirt, with adult assistance, kids will fold, crease, place rubber bands in strategic places and then dye them. We have fabric you can buy to make a small tapestry for your bedroom wall.

Woven Basket

There is a choice of two baskets:

1. Using a slotted wood base and round reed makes a tall basket great for pen and pencil holder
2. A basket with a woven base and sides makes a square basket for storing small treasures.

There will be a variety of colored reed as well as pony beads that can be added to embellish the basket of your choice.

Woven Potholder

Using a potholder loom and loops, you will make a colorful potholder.

We have some new tricks and tips for doing this potholder.

Mono Printing on Paper

Learning to mono print on paper can be fun. The papers can be framed, cut and used to collage or weave, for cards, and anything you can imagine using yours for.
