NOMINATING COMMITTEE REPORT

Melissa Figge

NOMINATING COMMITTEE GOALS

Present more than one candidate per office.

Reach out to as many potential candidates as possible.

Personally talk to potential candidates, offer encouragement & answer questions.

Lessons Learned

- Keep the online nomination form (Google format)
- Continue candidate video speech; it allows all D9 members to “Meet the Candidates” and read the biographies
- Current D9 Officers and Directors can play a key role in helping to identify Zonta members who are interested future leadership
- Refine candidate question for the specific position
- Areas could consider rotating the Area Director position among their clubs
- Recruiting an interested eligible candidate became more important than reaching our goal of two or more candidates for each position
