

- ✓ Use preferred vendor lists as a differentiation point for your firm
- ✓ Strengthen your agents' relationships with their clients
- ✓ A valuable closing gift for clients that keeps them connected to the agent well beyond the closing

Homeowners Love It

From Paint Colors to Possessions to Plumbers to Photo Scrapbooks of Projects

Why its Great for Real Estate Firms

- Permission-based preferred vendor lists for managing and sharing vendors with clients in a consistent & professional way
- Agent phone apps for quick access and built-in notifications from clients
- Agents provide clients a version of the app for managing house info
- Built-in relationship enhancing tools to keep clients connected to agents for years after the sale

Why the Agents Love It

- Easy set-up of recurring, customized reminders branded with their business card
- Instant access by clients to contact info and easy links to refer agent to friends
- Enable clients to easily ask for advice on finding trusted vendors
- Actionable home inspection reports with short and long-term reminders for touch points with clients

Program Costs

- ✉ Free to initially distribute. After a set time – optional client-maintenance fees
