

**Summary of July 13, 2019 HBCNA Board Meeting:**

The membership form was added to the website and the homepage was modified to allow members to follow the progress of the board.

We are checking on pricing for printing and mailing of our post card and hope to get that out soon.

The annual Franchise filing on behalf of HBCNA was filed and we are now in “active” status with the Texas Comptroller. This filing is required annually in May.

In moving the bank account, the new requirements are a Federal EIN number and Federal Form 501c3 which is the non-profit status form. There is no record of this form being filed in the past and it is required to be filed annually. Might be that too much time has gone by that we don't show up in the search of records. The board is looking for someone to help with that form.

Fall picnic confirmed for Oct 19<sup>th</sup> at 16304 E Lake Shore Dr. We are still looking for a band to perform.
