		*State			*State			*State			*State			*State			*State			*State			*State			*State	
					*District			*District			*District			*District			*District			*District			*District			*District	

*State -- Columns only funded with state appropriation equal to 70% of the amount specified. Such amounts may not be available in subsequent school years.

*District -- Local money - \$800 added, may not be available in subsequent school years if the state doesn't fund the 38K salary.

* 2024-25 Everyone coming back gets one step
 *24-25 reflects a base of \$35,400 plus the \$800 = \$36,200 For all faculty that will be over 38k for next year
