

Keecam Mini American Shepherds Inquiry Form

This form is filled out with the intent to purchase a puppy from an upcoming planned litter. It will hold a place for you in order of receipt for a future litter and when the litter is confirmed, you will be contacted to confirm your intent with a deposit. I will accept up to four deposits on each litter. Please fill in the short questionnaire so that I can have an idea of what you are looking for in a puppy, your experience with this breed, and to assist in matching you with the correct temperament.

Puppies will be registered with AKC but can be registered CKC. This litter will be registered as Miniature American Shepherds with AKC and will be eligible to be registered with CKC, AS A MISCELLANEOUS/ LISTED BREED. All pet puppies are sold on non-breeding contracts with a three year genetic health guarantee. Puppies purchased with full registration to compete in conformation will be co-owned with the breeder until terms of show/breed contract are fulfilled.

All puppies will go home with their first set of vaccinations, health check, microchip with lifetime registration, flash drive with health records of parents, lots of puppy pictures, 5 generation pedigree and puppy care resource information. Puppy starter package includes: starter puppy food (Big Country Raw) or a high-quality kibble (FROMM Adult), toys, blanket, bowl, leash and collar. The AKC registration application will follow if not available at the time of pick up and it is your responsibility to send it in if you wish to, though, it is not required for pet puppies unless you plan to compete for titles in obedience and other performance events.

Our litters are planned with the primary goal of producing healthy puppies with correct temperament, structure, and a biddable nature. Puppies are raised on top quality food, Big Country Raw, and can be transitioned to Fromm Adult Kibble prior to picking up if the new owner does not wish to continue with a raw diet. We provide our puppies with early neurological stimulation, a clean, active, fun filled, stimulating environment; with plenty of socialization, positive manners training and lots of love and cuddles.

I have read and understood the information above. Yes No
