

# APPLICATION for TNCC / ENPC Faculty

Approved 3/2022 V1

One of our goals in the Colorado ENA is to support our TNCC and ENPC instructors, directors and faculty. We understand that everyone brings different experiences to the classroom. Our intent is to help build a foundation that ensure the quality of our courses.

With this said, our state committee looks to ensure that Colorado adheres to the current administrative guidelines. **Unfortunately, faculty who do not submit the following will have their status revoked and will need to repeat the process.**
