## Publisher's Note...

Dear Patrons

It gives me immense pleasure in presenting you the First Ever "SOURCING GUIDE" for Apparel Manufacturers in Ludhiana Textile Industry in a long time. This book is an ideal platform for the suppliers in industry to promote their products and services among the knitted and woven wear manufacturers and exporters in Ludhiana.

We at AAKARSHAN MEDIA always make efforts to provide useful information to our readers. So, we have come up with this authentic directory, which brings together the data of leading entrepreneurs in Yarn, Fabric, knitting, weaving, dyeing, finishing, printing, embroidery, and garmenting segments. This book provides all the information required by apparel manufacturers in finding out right kind of companies to fulfil their purchase requirements or to outsource their job work requirements.

I should certainly mention here that the kind of support we have received from all the segments related to Apparel industry in Ludhiana has been overwhelming and we remain thankful.

I hope you will find this book very useful. If you have any suggestions for improvement in future, please address them directly to me at [cityvibesldh@gmail.com](mailto:cityvibesldh@gmail.com)

## MESSAGE

**Narinder Kumar  
President  
GMMSA, Ludhiana**

I, Narinder Kumar, President Garment Machinery Manufacturers' & Suppliers' Association (GMMSA) appreciate the initiative of Aakarshan Media in publication of "SOURCING GUIDE" for apparel manufacturers of Ludhiana. This is a much needed comprehensive effort by Mr. Chander Mohan Sharma and his team. This kind of effort to compile information about all the possible suppliers of goods and services that a garment manufacturer needs during his day to day performance of business functions is the need of the hour and a much worthwhile requirement of the industry.

The compilation is a genuine effort to cover all the finished product manufacturers of clothing related industries in Ludhiana. The book covers the sourcing requirements of both hosiery and textile units in Ludhiana. It covers requirements of garment, shawl, furnishing, blankets, gloves, caps, and any item related to clothing industry.

We, GMMSA, as the association of Garment Machinery Manufacturers & Suppliers in Ludhiana understand that Aakarshan Media is doing a tremendous job by fulfilling the long standing requirement of our industry. This information manual will increase the much needed communication levels in industry which in turn will bring many positives to the industry.

This is a first time effort in Ludhiana to bring the industry together and we hope that with the passage of time more and more people will join this effort of further enhancing the professionalization of our industry.

I expect that the decision makers of the industry will appreciate this effort.

With Best wishes

**Narinder Kumar**

# JOB WORKERS

Job Workers play an important part in the Ludhiana Hosiery Industry.

A job worker is a person who is owner of his own unit but produces goods for a larger unit on contract / piece rate basis. Most of the large manufacturers out source some of the processes to smaller units. These may include fabric making, washing, dyeing, stitching, embroidery, printing, packing etc.

The following pages will unfold the like minded providers of various types of goods or services to complete a garment manufacturing process
