Message from Father Alexander

The School of the Services

When I was younger I will admit I was like most children are: utterly bored by the services of the Church. Even though I went quite often, every Sunday and sometimes on weekdays, I knew something beneficial came from the services but I couldn't tell you what and I probably wouldn't ever admit that I enjoyed any of it and would sorely complain! I do remember however one Lenten service when I couldn't have been more than 12. We were attending an OCA parish near our house and their choir was absolutely mesmerizingly beautiful and I just began to weep. About the same time, my sister took up chanting at our church and when she went off to college and then the monastery where she has resided for almost 15 years now, my priest asked me if I'd give a stab at chanting the services.

I had no idea what I was doing but had a decent "ear" for things so when the older Greek Psalti would chant something, I could match whatever "tone" he was in and it would be a passible exercise in chanting. But as I had a closer encounter with the texts I was chanting, something else happened. I actually paid attention to them. I began to read and try to comprehend them for the first time and their beauty as they spoke about the love God has for us, the great sinfulness I have but yet the GREATER mercy of God, I was struck. At weekly Sunday Orthros I was moved by the power of the words proclaiming the Resurrection of Christ.

I learned and I began to love the services.

As I paid attention to the hymns I learned what the Church wished to teach me about God, in fact almost ALL the Church wished to teach me about Him. And this makes sense, in the olden days, not everyone could read, not everyone had time to study, or especially study theology so the services HAD to be the classroom for the people. And it worked. The people who are pious and love God truly, love the services because in them they learn more about the one they love and worship Him.

This Lent we have an opportunity to come to the services at least 5 times per week! Finally we have a shot to offset what the classroom of the world tells us compared to what the Church wishes to tell us. We are loved, we are unworthy, but we are loved and God Himself has come to make that known to ME.

When we don't come to the services we are choosing the same as not coming to school, to class. I am choosing that I don't need to learn. But we all need to. And something surprising will probably happen when you begin to make a habit and routine of coming to services. You'll learn and you'll love them.

So this Lent, make a routine, a habit of coming to church and *if you pay attention* you'll learn, and you'll begin to love them.

May we have "Good Strength" in this season of preparation for the Resurrection of our Lord!

2023 Stewardship Theme:

Giving Thanks: Eucharistic Stewardship

#GOALS!

Goals are important to set for ourselves as individuals and as a Cathedral family. As you are aware we set 2 goals for Stewardship 2023:

1. 100% participation by our parishioners to fill out and submit their Pledge Cards by January 31st.
2. Reach a total amount of \$500,000 pledged by all our stewardship combined.

We are pleased to report that as of the end of February we have **233 families who have pledged \$419,257.** This is a significant increase from last year at this same time. We are so close to reaching that \$500,000 mark and of all of our families becoming stewards. The House of Stewards list is on pages 9 & 10 and we are grateful to all of those who raised their pledges for 2023 and met our January 31st goal. We are grateful to all of our Holy Trinity stewards for your generosity and commitment.

For those who still need to become 2023 Stewards, there is no time like the present! Just visit our church website at: www.holytrinityphx.org click on “Stewardship” in the upper right hand corner. Click on “Pledge Card” and fill out the information and submit.

LENTEN PARISH WIDE COMMUNITY SERVICE PROJECT

We are working on organizing a parish wide Lenten community service project. We will go as a group to roll up our sleeves and help those in need. Please keep an eye out for further information and how you can join us and help!

Orthodoxy 101

Fr. Alexander holds his Orthodoxy 101 Class every Wednesday after Paraklesis (around 7pm) in the Conference Room and on Zoom ([here](#)). We will approach the faith through the lens of the Apostolic Fathers, the Fathers of the Church who lived within the first 100 or so years after Jesus! What did these early Christians believe? How did they live? Let's find out together!

We read some writings from the book "The Apostolic Fathers in English" by Michael Holmes. This book is not *required* as all readings are also available online through google for free but is helpful. Another helpful way to frame the class will be through reading "The Illumined Heart" by Pres. Frederica Matthews-Green.

Endowment Fund

✦ THE HOLY TRINITY CATHEDRAL ENDOWMENT FUND ✦

The Holy Trinity Endowment Fund was established in 1992 with an initial deposit of \$2,000. The goal was to build the Endowment Fund whereby the interest and appreciation would one day provide sufficient income so Holy Trinity would no longer be totally dependent on an annual festival to supplement stewardship income.

The Endowment Fund is obligated to preserve the donor's contributions such that the principal will remain **inviolable** and be held in perpetuity by the Church. The funds are prudently managed by the investment committee, which reports to the Parish Council. The investment committee only approves withdrawals from the earnings and appreciation, over and above the donor's contributions, and are used only to benefit Holy Trinity and its ministries.

Over the course of the past twenty-nine years the committee has held steadfast to this mission, and as a result, generous donors from our Church, desiring to leave a legacy ***in perpetuity*** for their family, have made contributions totaling **\$644,340.00**.

This is your opportunity to put your lifetime thumbprint in the history of Holy Trinity Cathedral.

We have been blessed by the generosity and foresight of the individuals and families listed on the next page. We benefit today from their kindness and vision. If your circumstances allow you to give a gift above and beyond your annual stewardship commitment, then please take this occasion to join the others in creating a legacy by pledging your gift to Holy Trinity Cathedral's perpetual Endowment Fund. Gifts of \$10,000 or more will be separately listed along with others who have reached that level.

Your gift, no matter the amount, will be combined into the general endowment fund, and will be greatly appreciated.

In February, twelve of our Desert Diamonds (not all are pictured) met for a delicious luncheon at George Yang's Chinese Cuisine on 16th Street in Phoenix.

Celebration Committee

Let's Celebrate!

On the first Sunday of each month, the Celebration Committee organizes a potluck during Coffee Hour to celebrate all the special events in parishioners' lives and birthdays that take place in that month. Please join us every month and bring your favorite food item to share!

In February, we were honored to host His Eminence and members of Leadership 100 during Celebration Sunday. The Dance ministry had their annual Soup and Salad luncheon while the Celebration Committee set out a grab-and-go breakfast spread.

We had several events to celebrate in February including Jim and Connie Contes' 30th wedding anniversary, Pres. Laura Eliades' baby shower, the baptism of Emily Mead (daughter of Chris and Angela Mead), the 40-day-blessing of Peter Justin Walsh (son of Matt and Jacky Walsh), Ria Papageorgiou's achievement of earning her private pilot license, and all February birthdays. The décor was red and pink for Valentine's Day. Attendees were welcomed at the entrance with a bubble machine. Each table was decorated with a red or pink overlay, a vase with fresh flowers, and a bowl with conversation heart candies. The stage was decorated with balloon garlands while paper heart garlands, foil heart balloons, and a balloon arch were placed around the hall.

We greatly appreciate those who have shared their milestone events with our Holy Trinity family. If you or someone you know from the parish is celebrating a baby, a birthday, an anniversary milestone, or any other special event, please let the Church Office or the parish Celebration Committee know so that we can celebrate as a community! You can send an email with suggestions and details to: htcphxevents@gmail.com.

If you are interested in volunteering or learning more, please email htcphxevents@gmail.com and/or talk to Terri Alexon or Mary Pardhe. We're looking for more volunteers to help out on a monthly basis!

Annunciation of the Theotokos

Commemorated on March 25

The Feast commemorates the announcement by the Archangel Gabriel to the Virgin Mary that our Lord and Savior Jesus Christ, the Son of God, would become incarnate and enter into this world through her womb.

The Archangel Gabriel appeared to the Virgin Mary, who was living in Nazareth, and said to her, “Hail, O favored one, the Lord is with you.” Mary was perplexed and wondered what kind of greeting this was.

The angel told her not to be afraid, for she had found favor with God. He said, “You will conceive in your womb and bear a son, and you shall call his name Jesus. He will be great and will be called the Son of the Most High; and the Lord God will give to him the throne of his father David, and he will reign over the house of Jacob forever; and of his kingdom there will be no end.”

Mary responded to the angel by asking how this could happen since she had no husband. The angel told her that the Holy Spirit and the power of God would come upon her, and that the child to be born of her would be called holy, the “Son of God.”

In faith and obedience to the will of God, Mary replied to the angel, “Behold, I am the handmaid of the Lord; let it be according to your word.” Upon her response, the angel departed.

It is on the Feast of the Annunciation, that Orthodox Christians commemorate both the divine initiative of God, whereby He took on flesh from the Virgin for our salvation, and the human response, whereby Mary freely accepted the vocation offered to her. He elected to become man, and He desired to do this with the willing agreement of her whom He chose as His mother. Mary could have refused, for she was not a passive instrument, but an active participant with a free and positive part to play in God’s plan for our salvation. Thus, when on this and other feasts the Orthodox Church honors the Theotokos, the Mother of God, it is not just because God chose her but also because she herself chose to follow His will.

Living Orthodox Young Adult Ministry

Living Orthodox Young Adult Ministry

Living Orthodox is a national, pan-Orthodox ministry that is building a community of young adults (18-35) who are striving to grow in and connect with their faith! The focus of this ministry is to highlight ways that we, as young adults, personally grow in our Orthodox faith (ex. attending services, reading books, listening to podcasts, watching spiritual videos, etc.) and to share ideas on how to increase our commitment to live an Orthodox life. Join us on for virtual meetings every other week and in-person for our monthly potluck discussions!

January Potluck and Discussion

Our January potluck had a record attendance with 45 young adults from 7 parishes! Dcn. Raphael Abrahams (St. George) gave an excellent presentation titled “What Makes Evangelism So Difficult: Why Bother?”. The video of his presentation is available on our YouTube channel - <https://tinyurl.com/LOvideosYT>. If you are interested in learning more about evangelism and how to gain confidence in sharing the Faith, please sign up his newsletter at <https://desertdeacon.com/>.

First question: why is evangelism difficult?

Answers included the following: the culture isn’t Orthodox, it is Protestant; many Orthodox people don’t know what evangelism is; people are turned away from previous misconceptions or experiences; we, as Orthodox, are not “shining examples” of Christ; and that there is social discomfort with talking about religion. Dcn. Raphael's added more answers including poor training; communication issues; the fear of “what if I get a question I cannot answer”; people don’t want to listen; the fear of “I might say the wrong thing”, and the conception of “I don’t know enough to share my faith”.

How to share the Faith?

After discussing the answers, Dcn. Raphael talked about the history of evangelism in the New Testament with the example of the Apostle Paul. There is no formula for evangelism in the Bible; however, the apostles customized the message of the gospel so that it made sense to the audience they were addressing. We should follow that example when we share the gospel with others.

Small-group discussion questions: “Do you agree or disagree that Christianity in America is in decline? Do you have any opinions as to why it is in decline?”

Everyone agreed with the first question and spent the discussion time on the second question. There was a

Living Orthodox continued on page 33

Living Orthodox Young Adult Ministry

lively discussion at each table with numerous opinions shared and debated. The collective answers to the second question were as follows: It is because Christianity in America is founded on Protestantism, which is a house built on sand; there is less use of spiritual disciplines; it is founded on emotion, which declines once emotion declines (as it inevitably does); it is shallow, and the solution is to become more traditional and go back to the roots of Christianity.

Proposed solutions:

Live as examples

Practice spiritual disciplines

Learn about apologetics

Start small and start with yourself. You cannot spread something that you do not have. Focus on a depth of holiness and not just breadth of preaching.

Once again, the full talk can be found on our YouTube channel - <https://tinyurl.com/LOvideosYT>.
