In this latest edition to the Backyard Homestead series, readers will find a one stop shop for all of the key information food gardeners need to know to grow a healthy and bountiful garden.

"I'm BORED!" wails a little girl after her screen time is cut short. "That's great!" her dad says with a grin. "Being bored comes right before having a Really Good Idea." Follow along on this adventure of good ideas, big ideas, and using your imagination.

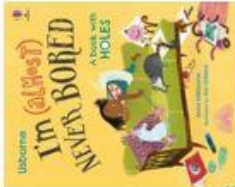

Pride and Prejudice is launched into outer space, Frankenstein is plunged into the depths of the ocean, and The Great Gatsby floats to an island off the coast of Costa Rica. Whether characters fall in love, battle foes, or grow through grief, each story will empower readers to see themselves as the heroes of the stories that make our world.
