

# Sharon's Sensational Stories! March Edition

Coming To The Library Company Of Burlington In March

**The Anxious Generation : How the Great Rewiring of Childhood is Causing an Epidemic of Mental Illness** by Jonathan Haidt. In *The Anxious Generation*, social psychologist Jonathan Haidt lays out the facts about the epidemic of teen mental illness that hit many countries at the same time. He then investigates the nature of childhood, including why children need play and independent exploration to mature into competent, thriving adults. Haidt shows how the “play-based childhood” began to decline in the 1980s, and how it was finally wiped out by the arrival of the “phone-based childhood” in the early 2010s.

**The Good, the Bad, and the Aunties** by Jesse Q. Sutanto. After an ultra-romantic honeymoon across Europe, Meddy Chan and her husband Nathan have landed in Jakarta to spend Chinese New Year with her entire extended family. Chinese New Year, already the biggest celebration of the Lunar calendar, gets even more festive when a former beau of Second Aunt's shows up at the Chan residence bearing extravagant gifts—he's determined to rekindle his romance with Second Aunt and the gifts are his way of announcing his courtship.

**The Waltham Murders** by Susan Clare Zalkind. In September 2011, Erik Weissman and two friends were murdered in a brutal triple homicide in Waltham, Massachusetts. The case went unsolved for months and then years, with no discernible leads. Erik's friend Susan Zalkind, an investigative journalist, needed closure and knew that finding it would be up to her. As Susan began digging, and as the Boston Marathon bombing exposed startling new leads, the case led her down a tangled and sometimes dangerous path to the truth..

**The Truth About The Devlins** by Lisa Scottoline. TJ Devlin is the charming disappointment in the prominent Devlin family, all of whom are lawyers at their highly successful firm—except him. After a stint in prison and rehab for alcoholism, TJ can't get hired anywhere except at the firm, in a make-work job with the title of investigator.
