We Need thee oh God

**Lord, we are now at war with the most evil force ever;
We need thy wisdom's counsel in every move we make and every step we take.
We need to know that thou art with us and to feel thy loving hand.
Help us to trust not our own council or our own will,
But to trust thy council...and thy will only
Oh Lord protect our conscience from being over taken by evil.
Preserve within our minds the seat of the Holy Spirit of God.
Increase our fear and our faith that we may be found acceptable in thy sight. Amen!**

The Pronouncement

May 17, 2012: I, Terald D. Blakey Sr., did on this date hear a wee, small voice of the spirit say these words,
"YOU ARE NOW UNDER THE FROG."

Dear HOZ (and those who stand with HOZ):

The Wisdom of God would have all to understand, that we, who carry the message of Elijah in total truth and faith, do announce unto you what our God has made known unto us and that is that we are now under the Frog spirit, which is the seventh and final death king of the kingdom of darkness (Rev. 12 v3 and Rev .16 v13-14). This death king, whose symbol is that of a frog, has taken over from the sixth death king, the symbol of a dog (Psalm 22 v20). The dog's time of activation was set to produce the fall of morality. It would end only at the rising of the seventh king (Rev. 17 v10).

For further clarity on the activation of power of these evil kings, let us closely examine this word found in Revelation 12 v3. The crowns on the head of the dragon denote the power of evil kings. Now please compare this with Revelation 17 v 10, which quote, **“And there are seven kings: five are fallen and one is and one is yet to come.”** Compare the two previous texts of scripture with this one in verse 17, same chapter, quoting: **“For God hath put in their hearts to fulfill his will, and to agree and give their kingdom unto the beast, until the words of God should be fulfilled.”** I hope it is clear to you (HOZ and those who stand with HOZ) that from the beginning of time the seven death kings ruled the world. They divided the world up among themselves; each taking one of the seven continents as their own, yet spreading their influence of evil and persecution throughout the governments of the world. However, we at this time will concern ourselves only with the last two kings, for the first five have already fallen, which is to say, used up all their time to produce their influence of evil. We all came to God under the reign 6th king, whose influence is that of a dog. This evil king was given an assignment from the queen of hell, the Knowledge of Evil, the great whore of Babylon to destroy the morality of man (Rev. 17 v1-5). Our world is now totally without morals. Our religious system is without the ability to defend the word of God, itself having been taken over by the dragon kingdom (Rev. 12 v9; Matt. 4 v8-9; Rev. 17 v2).

Now let me revisit the work of the Prophet Webb during his teachings to the church. We read in Bro Webb’s letter to the church entitled, *The Negative Power of Lies over the Earth*, these statements,

“I saw the power of lies leaping up from beneath as a two-horned goat, ring streaked with hair of a mule and he bowed himself. At this point you are looking at Rev. 13 v11. He shall join forces with the seventh head of the dragon and by their policies they shall cast the truth to the ground by making a direct attack upon the word of God, turning the truth into “lying fables” by changing the bible.”

Dear HOZ (and those who stand with HOZ), I hope you are with me on this point. The prophet saw many visions of this nature concerning these events during his life. However, Mother Wisdom has made us to understand that he (the Prophet Webb) was a **testator** to the prophecy under the everlasting gospel set to power by his administration (Rev.1 v1; Rev. 14 v6-7; Haggai 2 v23; Zech 4 v6). The bible teaches us that a **testament** from a **testator** can only go in force **after the death** of a testator (Heb. 9 v16-17). Thus, the activation of all that James T. Webb both saw and heard of God in his prophecy of the new covenant in reference to the end of time, was also set to timing of activation as seen in Ecclesiastes 3 v1. Therefore, this set timing went into power **after the death** of Zerubbabel – surnamed James T. Webb by God – on December 23, 1989. With this being said, we conclude on this matter with the statement that I, Terald D. Blakey Sr. and all those whom God has chosen to stand with me in this hour, were handpicked by God to both bare witness and bring forth the “Message of Elijah”, which is the **finality** of the “Message of the Covenant” given to Bro. Webb in the early 1950’s. QUESTION: How did God set forth the timing of our assignment in reference to the Prophet Webb’s prophecy? ANSWER: By night Dream.

Night Dream (Terald D. Blakey Sr.)

“In the early 1980’s I was down a road or street when a large earthquake occurred. A large reptile emerged from beneath the earth. It had two, large horns protruding from its head. It spat fire and broke the earth as its large body was rising up from hell and an ugly, old woman suddenly emerged requesting that I accompany her to hell. I refused and stated to her, “I know who you are.” I then threatened to attack her with a rock, which is the symbol of the word of God (Matt. 16 v18 and Matt. 7 v24-25).”

It is now 2012, some thirty years after this dream, that the Lord has not only kept his promise and has given us the insight to recognize the emergence of the beast, he has also given us the word of God in truth and faith, by which we shall attack the beast and reveal its ugly purpose on earth.

Bro Webb's letter to the church entitled, *The Spotted Colored Beast of the Sea and Reagan* (4th chapter) discloses this vision:

“I saw the dragon industry for Reagan as it was a pipe mill that had all sizes of black, heavy conduit pipes; some for steam and high pressure and some for talking through, as I saw a dragon lift one to his mouth. Then I heard the voice of Reagan praising one of his workers.”

Now HOZ (and those who stand with HOZ), please note with us this fact; our former president, Ronald Reagan, has been dead for many years. However, his policies of unfair economics against the poor and in favor of the rich were well noted in the teachings of Bro. Webb. Again, for this purpose we note that Bro. Webb's vision showed the dragon speaking through the former president. We then note in Revelation 13 v11 the symbol of the U. S. Government under the cartoon of the beast. In that Reagan is dead, we now understand that *whoever* sits in the seat of the beast will fulfill the prophecy and the will of God as seen in Rev17 v17.

[Note: I wish to make it ultra clear that whoever sits in the seat of the U.S. presidency – regardless of their political affiliation during this awful hour of the two-horned beast – shall unknowingly be used by the dragon kingdom; for this government is the “seat of the beast”, noted in Rev. 13 v11. Thus, the dragon shall pick up the bullhorn as was foreseen by the Prophet Webb (noted in his vision over twenty years ago) and shall speak both hypocrisy and lies from this great seat of power.]

In our previous letters, we notice that the dragon's first usurp of power from this seat was to issue forth the full strength of the “spirit of sodomy” and break all barriers, which inhibit this evil spirit force in the human beings in which it dwells. Recently the world did witness the dragon's use of the power of the presidency to do this. This was done to offend and challenge heaven by using the name of Jesus Christ to both promote and protect sodomite sin as noted in Revelation 18 v1-5. This act of the dragon not only empowered sodomy on earth, but the Lord also used it to signal the saints... **called watchmen**... that the activation of power from the seventh death king under the symbol of the frog had begun. It is here that the call shall go out from heaven Rev. 18 v1-2. Let us now examine a vision of the Prophet Webb from his letter to the church entitled, *The Antichrist's Powers of Hell*.

“I saw him (Abaddon) make up the bread of outer darkness from bad, corrupted corn from his field. As he mixed his batter there was light in his place, and he cut the light out and there was darkness in his house. He made bread of outer darkness and with this he shall deceive the whole world.” The prophet continues to tell us in this letter, **“I saw an act of fornication between the Knowledge of Evil, the great whore, and Abaddon, the angel of hell whom holds the power of the two-horned beast. “**

This act of fornication shall create a rebirth of evil thoughts in the mind of the antichrist; a human being in flesh and appearance, but the son of the devil in mind and spirit. We do hold that this man is already among us somewhere in our world. We do hold that over the years, the Knowledge of Evil has been feeding him the pleasures of sin for which he has gained an insatiable appetite. However, the great whore and Abaddon have now entered into his mind, which is their resting place. There... in his mind... they have committed an act of fornication, giving him a rebirth of thought, filled with uncontrollable lust for power and evil. This is the bread of outer darkness, which he shall introduce to the entire world: a totality of evil (2 Thess. 2 v7-12; Rev13 v8 and v15-18).

All praises be to the full throne of God.

Your brother and servant,
Terald D. Blakey Sr.
