

**TOPIC: THE ATTACKING TARES**

**SUB-TOPIC: 1) TARES IN OUR MIDST**

**2) VISIONS OF THE PROPHET WEBB (SURNAMED ZERRUBBABEL): TAKEN FROM HIS VARIOUS CLASSES**

**Webster's Definitions:**

<b>Tare:</b>	An undesirable weed which grows in the garden.
<b>Weed:</b>	One that crowds out desired plants.
<b>Crowd:</b>	A large number of things or people grouped closely.

Dear friend and reader:

We, the hands of Zerrubbabel, seek not the condemnation or judgment of any man or woman. However, we are in a terrible war with the kingdom of darkness and our only defense is the word of God containing the testimony of Jesus Christ (Eph 6 v12 and 12 v17). It is by this word and the power of light therein that we can and do recognize falsehood and spiritual darkness in whom and where ever it should surface (Isaiah 20 v8 and Ezek 13 v23).

Now dear reader, we direct you to the words of Jesus, our God, on this matter. Psalms 144 v8 states: ***“Whose mouth speaketh vanity, and their right hand is a right hand of falsehood.”*** An example of this is that the tare might ask, **‘DO YOU KNOW WHO I AM?’** Here are great words of vanity placed in the heart of the tare after the dragon has puffed them up as was with Simon (Acts 8 v 9-11). Now the pain in the hearts and minds of the saints is caused by the pride of the tares and the evil of their policies of ungodliness as seen in Rev 12 v3 and Psalms 144 v11; the latter quotes, ***“Rid me and deliver me from the hand of strange children, whose mouth speaketh vanity and their right hand is a right hand of falsehood*** (Ref scripture: Mathew 7 v15).

Let us now examine closely the definition of a tare as seen by Webster. It states that a tare is an undesirable weed which grows up in a garden. It is there to crowd, choke, stifle and impede the growth of the desired plant or vegetable. The tare will be found closely grouped to the desired plant and will steal all nourishment from the desired plant until the desired plant has withered and died. From here let us look closely at the words of our God set to forewarn us of this hour in Matthew 13 v24-30. Verses 24 and 25 tell us that God planted a garden and the devil came and put his tares in that garden and went his way. Verses 26 through 28 tells us that by the power of the testimony of Jesus and the light contained therein, the servants were able to see and recognize the tares for what they were, and begged the Lord to intervene on behalf of the saints within the Lord's garden. Here is direct conversation between God and the true servants of God called "the hands of Zerrubbabel", carried on in the conscience of the mind, which is the seat of the Holy Spirit in every saint and true servant of God (Romans 9 v1; 2 Cor 4 v2; 1 Cor 3 v16; Acts 5 v32).

**[Note: We must understand clearly that God did not plant these people in the garden as mentioned clearly in verses 25 and 28 of Matthew 13. However, because they have grown up so closely grouped to the Lord's saints, it would greatly injure God's people to abruptly remove them.]**

We wish it known to all that James T. Webb taught us that the little church is the beginning of the 144,000 saints of Israel as mentioned in Rev 7 v13-14. The beginning of this story is recorded in the parable of Christ found in Matthew 22nd chapter. After the world's religious leaders rejected the message of the covenant, the servant was ordered to take that word to the hedges and highways...or people of common life (Matt 22 v9. They rejoiced and came to God: both good and bad (v10). Again, both good and bad came to the church in its early state and they both grew up in the garden of the Lord together as seen in Matthew 13 v30.

Now in terms of the judgment of these people, we leave that in the hands of God...alone. It shall be done in God's time, by God's process and that time has come. That process of God has began by the Lord's awakening and emergence of "HOZ" whom God groomed and removed from the church before they could be infected and soiled by the dragon's attack of ungodliness as seen in Romans 11 v26. Please read closely and note a remarkable statement of truth and fact, which states, ***"There shall come out of Zion the deliver, and shall turn away ungodliness from Jacob."*** [Note: We highlight the words ***"Come Out Of ZION"***.] HOZ was once in the little church called "ZION" and was allowed by the will of God to be removed for the very purpose of returning with the "Message of Elijah", which God had placed in them by the tutoring of Zerrubbabel. Further, what is truly amazing is that God used the hatred or enmity and jealousy of the tares in the church towards his chosen HOZ to fulfill the scripture in Romans 11 v26 and as seen in Rev 17 v17 (top half): ***"For God hath put in their hearts to fulfill his will."*** (Ref: Gen 3 v15).

Thus, the tares being planted in the leadership of the church under the symbol of the ancient men (as seen by Ezekiel in Ezek 9 v6), attacked HOZ and drove them from the garden (or, church of God). All this was allowed and done by divine purpose of God. In addition, we note another remarkable and undeniable fact. The plans of salvation have always been under attack by the dragon in the exact same way. Moses, in whom God had placed the spirit of the deliverer, was also driven from the land by the Egyptians only to return filled with the spirit and purpose of God and to complete the deliverance. Again, James T. Webb, surnamed Zerrubbabel, was driven from his beloved Seven Day Adventist Church by the tares and false prophets in the church due to his stand for God, only to withdraw and fulfill the purpose of God by his preaching of the Message of the Covenant (Rev 1 v1 and Rev 14 v6 and 7). And now, HOZ, being driven from the church of God by the **Tares**, have returned with their minds and hearts filled with the fermented wine and processed oil of the Lord, which is the Message of Elijah (as in Rev 6 v5) that was placed in them by the Wisdom of God through the Message of the Covenant and tutorage of Zerrubbabel (Zech 4<sup>th</sup> chapter).

The message of Elijah is set to rebuke the ungodliness of evil, which holds the Tabernacle of David Church in captivity, and free the saints from the prison of the dragon's persecution as seen in Rev 2 v10 (top half only) that quotes: ***“Fear none of those things which thou shall suffer: behold, the devil shall cast some of you into prison, that ye may be tried...”*** It is by the “spirit of fear” mentioned in this scripture that the devil was able to accomplish this evil task through his hybrids or tares in the church. The Message of Elijah shall break this demonic fear and reunite the families of saints, which were torn apart by the vicious and cruel policies of ungodliness that the dragon used to imprison the minds of the wave-sheaf saints as seen in Malachi 4 v5-6 and Romans 11 v26.

### **TARES IN OUR MIDST - VISIONS OF THE PROPHET JAMES T WEBB: SURNAMED ZERUBABEL**

**Vision 1:** (Taken from the letter by Bro Webb entitled, *How I Overcame at the end of the World*)

**“By symbol of bread dough, of which I was kneading, having two lumps in it. As I stood by the barn of the red horse, which is the red spirit force, he spoke saying, “You have done so well; I will take you for a ride on my back.” I said, “Ok, when I finish and take these two black lumps out of the dough.”**

Here this!!! This vision was greatly distorted by the Tares in the church to railroad the church by divination and sorcery as in Ezekiel 13 v 6-10. Bro. Webb was of a truth shown this vision; however, his work is not complete until the wave sheaf has been delivered as in Daniel 12 v1. It is at this same time that Bro. Webb shall be delivered from his grave as in Isaiah 66 v7 and 2 Corinthians 1 v10. The prophet will arise by the resurrection power of the Most High as in Daniel 12 v2, Ezekiel 37 v3-14 and St. John 11 v25. He then shall be given a **“golden letter”** written in the hand writing of Jesus Christ as was seen by him (Bro. Webb) in vision. This letter shall be read to the church by James T. Webb himself (again seen by him in vision).

**Vision 2:** (Taken from the letters by Bro Webb entitled, *It is Finished: The Declaration of the Seven Thunders and the Little Book Sealed*)

**“Again, I was in a room, which was both a church and a house. My wife was teaching the children on the main floor at the window and I was standing on the rostrum of the house. There was a glass enclosed chest on the floor, which had three bibles on it; stacked one upon the other, with the large one at the bottom and the small one on top. And there was a little book on top of the last bible. It was closed, but had two ink pens on top of it: one green and one red. Then in a later vision, as I began my work of the Lord, I was walking toward a small building about the size of a room. While I walked, sheet work was placed in my hands with manuscript titles on them and then I was given a foot rule. The little book that was on the bibles at this point was opened. There were no letters or numbers, neither words, but a drawing of a whirlwind like a funnel, with lines in a circle in colors of red and green. And at last, as I entered the door of the work room, a golden letter was given to me. This, I was to read at the finish. Now while I was walking, I did not see who gave me this work of the little book until I entered the house period. I saw an angel standing at the window. His clothes were like the emerald in color. His face as gold and the skin of his face was that of a baby. His appearance in general was that of a child. He stood waiting for me to start work with one foot resting upon something and the other flat on the ground. He ordered me to go ahead with the work, and the sound of his voice was far removed from his appearance.”**

Dear reader, please note how the prophet was shown that **he** will read the golden letter at the finish of his work. Bro. Webb has been dead for 20 years. The golden letter existed only by vision and has never been seen or read to the church. At this point in time, the Tabernacle of David has not been delivered. Thus, we conclude and do know assuredly that what the Tares claimed to have been the deliverance of the Prophet did not **bible**, or **correlate** with the prophetic Message of the Covenant. Thus, it did not take place!!! This was but was a **blasphemous lie** to uplift one of their own to unquestionable status for the railroading of the church into ungodliness as seen in Romans 11 v26.

Note this statement from the Prophet Webb taken from his class entitled, *The Church at this Hour* from the subtopic titled: Great Danger in the Churches. It states:

**How shall we detect the operation of a foul spirit in the church or in man? Answer: By the spirit of sorcery. Acts 8:9 quotes, “But there was a certain man called Simon, which before time in the same city used sorcery and bewitched the people of Samaria, giving out that himself was some great one.” Now compare with Galatians 3:1 quoting, “O foolish Galatians, who hath bewitched you, that ye should not obey the truth...(first part)?” Not only does the sorcerer work all kinds of art (especially on the point of healing and so-called speaking in tongues), but he also does so by doctrine by which the conscience is burned by false doctrine of devils, as in 1 Timothy 4:1-2. All so-called healing power is strictly of the devil at this time (before the change). This spirit and the spirit of fornication are poured out like waters over the church by the dragon (Rev 12:16). Therefore, the church finds itself in the flood wash of the devil. And in the behalf of the saints, God will cut down this flood wash against the saints by drying it up. As the earth takes in rain (verse 16), we see that the devil is madly after the seed of the woman. Here we see further that after the harvest the spirit of the dragon will lose its power against the saints and they shall be free above the deceit.**

**Vision 3:** (Taken from the letter by Bro Webb entitled, *The Church at this Hour*

**“I saw the dragon’s foul spirit of machinery in operation by which one is made a fool. It seemed that I was out of the earth in a place operated by Beelzebub. It was like it was a smelter or cobalt that is used to melt steel for casting. There was a stack that went up from the place that had a revolving elevator in it. They would stand you up on the internal platform and as it elevated, the platform went around and around and you came down on a stairway. The steps would fall off behind you, and then under a shed they had another spinning devise, which would whirl one around. Yet still, the foul spirits would shackle your feet to long chains and spin one around with his head straight out. There was a bird, which followed the head as it went around. Now they carried many through this fool machinery. A deep rut was made around the circle by the feet of the bird. This is how it was revealed to me.” James T. Webb**

Dear friend, here is what happened to the ancient men or leadership of the Tabernacle of David church (Ezek 9 v4-6). They were placed in this machinery by the dragon and filled with pride as seen by the elevator going up. The “spinning around”, showed utter confusion of the mind, as to the will of God and the truth to the Message of the Covenant. As the bird followed the head of the victim around in the circle, it plucked out all truth obtained by them during their experience in the Sabbath School and the directives of the Message of the Covenant as in Matt 13 v4, which quotes, **“And when he sowed, some seeds fell by the wayside and the fowls came and devoured them up.”** Dear reader, once this has happened to a man or woman they become fools. The light of the testimony of Jesus then becomes a mere “impossibility” to them. Everything they preach...or any directives they offer...is of darkness (Isaiah 8 v20). Their hearts become filled with the lust for autonomy, money, power; the desire and demand of fear and adoration from the saints becomes the driving force within them. Here is a complete fool. Here is when they start questioning the saints’ of God and children of Mother Wisdom by making such statements such as, **“DO YOU KNOW WHO I AM?”!!!**

Dear friend and reader we again turn to the Prophet Webb for guidance and clarity on the darkness we face in this deliverance hour. In the second paragraph of the letter entitled, *A Hint to the Wise*, written by James T. Webb on 01/19/1980, he wrote:

**“The dragon or kingdom of death is a spirit force of death and hell. Yet, it must have a human body to manifest itself in. Therefore, it is occupied in humanity, which is the wicked, the children of the devil, to attack from the outside of the body and as a spirit from within.”**

Now as we view Rev12 v4, not only does the devil stand before the Man-child, but by his tale he strikes the church with downcastment. They, in whom the dragon dwells, are **in our midst!!!** They have taken hold of the Message of the Covenant and all **understanding of the truth!!!** Their wisdom is **corrupted!!!!** This corrupted knowledge is brought against the church in the name of **false accusations!!!** By which, the stars of God are **downcast in the church** (Isaiah 47 v10 and Ezek 28 v17)!!! As the dragon did to himself, so he does to his children, whom he set **in the church as tares!!!!** By them he stands up against the **Man-child!!!!** To **devour** the Message of the Covenant by **lying words and cross doctrine!!!!** Listen not to the guile of the Tares, neither be **deceived by them!!**

Here, We (HOZ) will now highlight various points made by the prophet in this paragraph that we think will aid you, the reader, in understanding just what has happened to the little church called, the Tabernacle Of David. In addition, we will show how and why it has strayed so far from the original path set for it by the Prophet Webb.

I. The prophet stated, **“They in whom the dragon dwell in, is in our midst!!!!”**

Let it be made clear here that the Tares are not standing on outer fringes of the church awaiting a chance to attack as the church has been led to think. The Tares are in the church now!! And they have usurped the power of the leadership!! To take control of any institution, the leadership of that institution must be overcome first and made non-void first. This is what the dragon has done by planting their own in the leadership. This is what Ezekiel saw in his vision of the church (Ezek 9 v6). The ancient men are the leadership. Also, we point out here that the scripture stated, **“Before the house.”** Webster on the word before: **Present** and in **attendance!!!**

II. The Prophet Webb went on to say, **“Their wisdom has been corrupted. This corrupted knowledge is brought against the church in the name of false accusations.”**

Dear reader many of the saints have been taken into the counseling chambers and falsely accused of sin or sins that have been repented for and placed on the “hill of forgiveness (forgetfulness)” by God. They do this because they have been made fools and pawns of the dragon to accuse as in Rev 12 v10.

III. The prophet stated, **“By which the stars of God has been downcast.”**

The stars of God are the saints in the church. They cry everyday for the children and parents whom have been separated from them and whom they are forbidden to see or even talk to by the leadership and those who support this darkness of ungodliness (Exodus 20 v12; Titus 2 v4; Matt 5 v43-48).

IV. The Prophet Webb continues on, **“By them, he (the dragon) stands up against the Man-child to devour the Message of the Covenant, by lying words and cross doctrine.”**

It has been demanded of those in the church to turn in the Message of the Covenant and any writings of the Prophet Webb to the leadership. By this act, this takes away – in effort – to check the direction in which the church doctrine is headed. This one move makes the church totally dependent on the leadership for guidance. The word **“devour”** means “to eat up by intellect”. By corruption of knowledge, they did forbid the church to display the testimonies of Jesus Christ to any and all that did not stand or disagreed with them: cutting off all communication with any other people of God. Here is the truth of the war seen by John in Rev 12 v17 quoting, *“And the dragon was wrath with the woman and went to make war with the remnant of her seed, which kept the commandments of God and have the testimonies of Jesus Christ.”*

**Vision 4:** (Taken from the letter by Bro Webb entitled, *A Great War between the Wisdom of God and the Knowledge of Evil in Church*)

**“I saw the organized forces of evil whom drove the goats into the house of God. I saw as was a great railroad locomotive, a live one, moving on tracks, and yet, it could lift up itself from side to side on its tracks. I saw the power and operators from the inside and on the ground. Standing by was a dragon man. I asked him of the power of this locomotive. He answered, “180-horsepower.” This is a group of evil angels whom control the goats in the Lord’s house. This motor was washed in a substance like gold tar, thick and black like the darkness behind the gates of hell. The way to the earth was open to them by the devil.”**

With this vision, I rest my case!

In conclusion, dear friend, we (HOZ) direct you to our [www.Godssaints.org](http://www.Godssaints.org) website for continued truth and knowledge concerning the war with the dragon verses the church of God. Our letters in the Documentary Library should give you all the help you need to put this matter to rest.

May the sweet peace of Jesus and Wisdom forever keep us all,
