4) DREAMS/VISIONS: BRO. JAMES T. WEBB

On December 23, 1989, the Prophet James T. Webb died. Immediately, the dragon flooded the church with sorcerous lies as seen in Jeremiah 14 v14-15, which elevated the dragon's wicked seed called, "the bad" (Matthew 22 v8-10) to **unquestionable status**. Thus, they usurped total control over the church of God in all things, and the battle between truth and lies began. However, Mother Wisdom has risen up HOZ under the "spirit of the watchman" (Jer. 51 v12). And by the power of love and faith, through the Lord's watchmen and watchwomen have the Lord Jesus and Mother Wisdom brought forth the oil and knowledge of Wisdom under the "spirit of the Message of Elijah" as noted in Malachi 4 v5. It is the "Message of Elijah" from the Lord that dispelled all lies and brought forth the truth in the midst of great darkness as seen in Rev 12 v15 and Roman 11 v26. It is also the "Message of Elijah" that Mother Wisdom shall use to restore to sanity the minds of the saints in the church whom have been spellbound in fear and false doctrine.

Thus, I Terald D. Blakey Sr., do announce unto you that which God has made known to me, which is that the spirit force of evil's deceptive flood waters that she poured out in attack against the Tabernacle of David Church...God's wave sheaf...has already been broken in the minds and hearts of the saints. They are now bound only by fear and uncertainty as to where shall they go and what shall become of them. God shall soon break that "wall of fear" by executive judgment that they shall bear witness to (Ezek. 9th chapter).

Night Dream(s): M. Varnado (2012)

- 1) 9/2012: "I saw a red wall with four horses standing before it."

2) 9/2012: "I again saw the red wall; people dressed in white were behind the wall."

Fellow HOZ, the red wall seen in Bro. Malcolm's two dreams is the "wall of fear and uncertainty", which is all that remains of the spell of ungodliness on the minds of the saints. You see, in their hearts God has raised the "spirit of question and doubt": questions that can only be answered by the "Message of Elijah".

Night Dream: M. Roberts (June, 2012)

"I was in a house and people from the church came knocking at the door. As I opened the door, I observed that they looked tattered, starved and tired as if battle-worn. I welcomed them in and hugged them, reassuring them that they would be alright. I immediately turned to look behind me and beckoned other former members that were there with me to come and assist the new comers to the food table set up behind me so they could get all the nourishment they required. Again, a knock came at the door and as I turned around I saw more former members come in, but also with them was one member that all knew had been the source of much caused sorrow to many within. I remember thinking to myself, "the nerve of him to come and want to partake of our gather"; yet, as I thought this, a small voice said within my ear, "If he asks for food, he must be fed from the table." Immediately, I turned to inform the helpers to prepare another plate, but when I turned back around to ask him to take a seat at the table I noticed that I didn't have to worry about it after all because a very round and very tall jail-like cell had been placed around him with only opening at the top. However, as he and I looked at the cell with our eyes looking upward, it seemed that he could only be lifted up out of this cell."

Again HOZ, we see that when God's judgment begins, the saints in the church shall be ministered unto by those whom the Lord has prepared for this hour with the "Message of Elijah"; a healing balm that shall restore the church back to the door step of Mother Wisdom as noted in Malachi 4 v6.

The Worlds Turn

In that God's work of executive judgment with the church is almost complete, let us examine all that God has revealed. In Revelation 12 v16 we read, "***And the earth helped the woman, and the earth opened her mouth and swallowed up the flood which the dragon cast out of his mouth.***" God has canceled out the power of the flood of darkness against the church. This fact was announced to me in June of 2012 by night dream.

Night Dream: T. D. Blakey Sr. (6/2012)

"I and two other members of HOZ were moving furniture from a house when a large title wave of water rose from behind the house. The water rushed the house, but was divided, having its force

of power diminished from the structure of the house (Matt 7 v25). The waters divided and passed by us as a small, trickling stream with and/or no force of power against us. It entered the street and began to accumulate in depth in the street.”

Now please compare this night dream with that of the Prophet Webb, taken from his letter to the church entitled, *Dragon Waters Now Over The Earth:*

Night Dream(s)/Vision(s): Bro. James T. Webb

“I was upon a little platform held up by stilts above the water surface, which had covered all the earth’s surface. The waters were pale as the color of death forces. Then another vision, the waters had become a great river and there was a long road along the banks of the river, which came down off a hill along the side of the river. The road was full of people coming down to be baptized in these waters.”

I hope you can see from both my dream and the Prophet Webb’s that these waters that the dragon spat out towards the church to engulf us in ungodliness and darkness have now entered society and is now being administered to the world by Abaddon, the horn of power on the head of the two-horned beast, the evil principality from hell (Rev 13 v11 and Rev 9 v11). He has taken these waters and mixed them with rotten corn by which he concocted the “bread of outer darkness”.

Note: In a vision report Bro. Webb saw Abaddon in a room making bread batter from rotten corn. As he mixed his batter he turned out the light in the room. Here again is the bread of outer darkness. The same bread that he tried to force feed the Tabernacle Church through his tare -laden leadership.

I by night dream was made aware of the dragon’s action towards the church in 1994. It was as follows:

Night Dream (1994)

“I saw the current head elder and false prophet (Tabernacle Church) of the dragon preaching at the front pew. Suddenly, the lights short circuited and began to turn down slowly. I looked for someone to help me fix the lights. I approached two elders sitting on the back bench. As I asked them for help, they stated to me in perfect unity, “The head elder was leading the church into outer darkness.” This they stated twice.”

I was commanded by the spirit of God to call the current head elder immediately and inform him of his status with God, of which I did. He rejected the warning. Thus, the “bread of outer darkness” was only consumed by the Tares in the church. The saints was protected from it by the oil of Wisdom by which God anointed their souls during the grooming of the Prophet Webb and the divine law and testimony, combined with the gifts of faith and patience obtained by prayer. Therefore, the failure of Abaddon’s concoction against the saints and his running out of time against the church as seen in Rev 12 v12 is now mandated that he take his concoction of darkness to the world as seen in verse 16. This concoction of evil is then placed on the wings of demonic fowl spirits (Rev 18 v1-2) and fed to all seven continents under the direction of the Knowledge of Evil (Rev 17 v5 and 1 Tim 4 v1).

God wants us to understand totally that Satan, the Deceiver, is in the pit (Rev 20 v1-2); thus, we now face an evil force far more wicked, which is not here to deceive us, but to take us “by force” as seen in I Tim. 4 v1 reading, **“...Giving heed to seducing spirits and doctrines of devils.”** [Note: Webster on the word seducing means “to

persuade to do something disloyal, to lead astray, to induce, to give up ones chastity”] Now compare this definition to Matthew 24 v 22 and we can see from the before named scriptures that the beast will try and overcome our conscience by an overwhelming force of seduction that will in time overtake any and all whom God does not deliver (I Tim 4 v1).

May the sweet peace of Jesus and Wisdom keep us all; Amen!

Your brother in Christ and Wisdom and fellow HOZ, Terald
