

THE DAY OF THE WATCHMAN(LETTER) #17

TOPIC: THEIR SINS HAVE REACHED HEAVEN

SUB-TOPIC: 1) VISIONS: JAMES T. WEBB

2) DREAMS: TERRY D. BLAKEY SR.

Dear Beloved HOZ and all those who stand with HOZ:

It is a sad thing to report unto you that our world has entered a super sad state of affairs. The blasphemy of this world has taken an all time low. CNN News, as well as several public talk shows and media events, are being used by the two-horned beast to spread the bread of outer darkness as seen in the vision of Bo. James T. Webb.

Vision Report: The prophet saw Abaddon, the demon from hell, making up the “bread of outer darkness” from old rotten corn from which he made his batter. As he mixed this bread, he turned out the light in the room. It is this bread of outer darkness that is now being fed to the world by the two-horned beast.

This bread will cause to grow within the people of the world an evil, spirit-child with an insatiable appetite for lies and blasphemy. As it is being discussed throughout the media world, an ancient scripture has been found that proves that the Lord Christ married Mary Magdalene – the woman caught in adultery whom repented after her conversion to the doctrine of Christ – and that Christ himself referred to her as his wife. This is blasphemy!! In that Christ, though disguised in human flesh, was indeed God Almighty (Matt 1 v21-23). The Lord was here for one purpose and one purpose only and that: to do the will of His Father, Ancient of Days (Luke 2 v42-49). Again, the Lord Jesus, doing the will of his father, did come to earth to save the saints from the sin of Adam, by who the devil introduced the power of death to man (Matt 1 v21 and Romans 5 v12-19). We see, nevertheless, that they are supposing and suggesting that God married his own creation (St. John 1 v10-14). I hope all who read this letter can see clearly that the battle for the conscience of man has been waged by the two-horned beast and they shall take all those that ad hear (Rev. 13 v8 and Rev 17 v17). However, the Prophet Webb did teach us that the ending battle would be between the two women: the Wisdom of God and the Knowledge of Evil. This battle is waged between them for the souls of men. Brother Webb saw a vision the onset of this battle.

Vision Report: “Brother Webb saw the two women: the Knowledge of Evil (Rev 17 v-5) and the Mighty Queen of Heaven, the Wisdom of God (Proverbs 8th chapter) sitting in chairs with their backs turned to each other and their fists balled up...indicating a fight to the end (Gen 3 v15).” Their Sins have Reached Heaven (DWL#17)

The Wisdom of God shall protect us with straight truth and knowledge of these events and with the imputing of her spirit of righteousness. The Knowledge of Evil will brand (or sear) the minds of her own children unto death, for she cares not for her own (1 Tim 4 v1-2). The blasphemy of these false scriptures will damn unto all eternity all those that ad hear to them, for they challenge the plans of salvation, while degrading the divinity of the holy sanctity of the name of Jesus Christ, as well as falsely attempting to add to the word of God (Rev 22 v18-19). The Wisdom of God rose up King James during the Dark Ages to preserve the word of God unto her specifications (Prov. 8 v15); with this said; know that She has given authority to no other!!!

We must remember that the whole purpose of the evil plot of the devil is to override the conscience of the saints whom are marked in Wisdom’ “Book for Salvation” with the “bread of outer darkness” in a foolish hope to reenter heaven through us. We have already been assured victory by the blood of Christ over this massive flood of lies and deceit that the world has swallowed up (Rev 12 v16). Again, this is a fight between good and evil for control over the minds and conscience of men by a massive flood of lies empowered by the two-horned beast from hell’s pit (Rev 13 v11 and Matt 24 v22). These waters have no power against us, for our God has anointed us with eye salve and we do see and understand every evil move they make against us.

Night Dream (1980’s)

“As I walked the street, an earthquake occurred and a two-horned beast emerged from the pit of hell. Its master appeared in the form of an old woman. Here was the Knowledge of Evil, the queen of hell that opposes the Wisdom of God in all things. She offered me protection from the beast by following her to hell. I refused and confronted her with the testimony of Jesus (that light that comprehends all darkness and deceits of evil seen in Rev 19 v10 and St. John 1 v5-8).

[**Note:** By the power of the light of our God, we shall not be deceived by any force or person of evil on earth.]

In conclusion, let us not forget the evil issue of the notion of acceptance of sodomite sin that has already been brought forth and fed to the earth by the two-horned beast and the great whore (Rev 12 v16 and Rev 17 v5; also verse 15), which laid the foundation for the “bread of outer darkness” as seen in vision by Bro. Webb.

Yours in the light of Christ and Mother Wisdom,

Terald D. Blakey Sr.
