PRAYER OF EXALTATION

Oh heavenly father, God Most Holy,
God of Abraham, Isaac and Jacob;
It is unto thee oh Lord Jesus, and unto thy divine Wisdom, the Holy Mother God,
That we bow down our souls; for we do live our lives
Clinging each day to the hope of thy promises; and that promise is:
That we might find the strength, and power and faith to be found acceptable unto thee,
That we be embraced by thee and to be loved by thee.
Thou art are refuge, and we shall have no other. Amen!

Dear friend:

This is a letter of love; for it is by the power of God's love that we have come "full circle", back to where we first started; that starting place was, and yet is, with fullness and power of conviction in search of our Almighty God.

In 1969, after the gospel dispensation ended (Acts 15 v14-16) the Holy Spirit of God's love began a mighty work with us. At that time a circle began to form around us. This circle – a circle of love – began with an issue of spirit power called the “former rain”, which was sent to us directly from the throne of God. As it began to take shape, it gathered us together with the same delicateness and cautiousness that a mother hen gathers her chicks into the barn (Zeph. 2 v1-3). It fed us continuously with the word of God and taught us the power, love and supreme authority of his commandment and divine testimony (Isaiah 8 v20; Rev 19 v10; Eccl. 12 v13-14). God's love then shared with us a second issue of spiritual rain of love that empowered us to hold to that saving word, which God fed to our inner being called the “mind”. This second rain of love, called the “latter rain” energized us, and forced upon us the conviction of his truth (Romans 8 v38-39); and it came to pass that God was satisfied with our conviction and our testimony. Yet, he continued to feed us in the “wilderness of seclusion of our mind” straight truth from Mother Wisdom's table (Rev 12vv6); this constant feeding enabled the baby church to walk upright and by the spirit.

Made Ready

The little church of God has suffered constant attacks of persecution at the hands of the dragon: both from without its walls and from within its borders (Rev 12 v17). Yet, it shall survive all (Romans 11 v26). God, by the Message of Elijah, has corrected all doctrinal lies against the truth and has placed healing balm in reach of the saints. God has made ready the flight to his kingdom and sent the Holy Spirit to empower both the “harvest rain” and the “latter rain” to separate and gather the fruit of the harvest. As the saints emerge from the tyranny of spiritual persecution, God shall gather them into his garner as mentioned by John the Baptist (Matt 3 v11-12) and fulfill all that was foreseen by the Prophets concerning the promises of his gift of salvation. Thus, the table of Mother Wisdom has been made ready and white robes now await the wave sheaf saints. Amen!

Love: Proven and Tested by War

Rev 12 v15: *“And the serpent cast out of his mouth water as a flood after the woman, that he might cause her to be carried away of the flood.”*

Dear friend, the Prophet James T. Webb, preached many a sermon and sent many letters of warning unto us concerning these flood waters of the dragon, made up of lies and deceit, distortions and manipulations. These flood waters were based in fear and sorcery, causing both pain and error against the truth. Yet, by the spirit power of faith, the prophet knew we could not be overcome in that we were based in ultra perfect truth, having our souls greased in the oil of Mother Wisdom's love (Rev 6 v6 and Matt 25 v4), and it was by this very attack of the dragon that the baby church would prove its worth to God, showing forth the purchasing power of faith needed to buy of God “gold” tried in fire, which is the price for salvation (Zech 13 v9; 1 Peter 1 v7; Rev 3 v18). Let us read Rev 14 v12: *“Here is the patience of the saints, here are they that keep the commandments of God and have the faith of Jesus.”*

Night Dream 6/20/2010: Terald D. Blakey

“While driving down the road in a very bad storm with little visibility, I noticed a large puddle of muddy water on the ground. I called out, “Floodwaters!!” I decided to cross the waters anyway. My car became totally submerged in the waters, but never stopped moving forward as it drove across the bottom. Neither my head lights nor my front window wipers ceased to operate. I drove the car completely across the bottom and out of the muddy puddle”.”

From this dream we see that the Message of Elijah cannot be stopped, slowed down, or even challenged by the deceit of the dragon, for it is the truth of God’s saving word emerging forth from the message of the covenant sent down to the man-child and messenger of the covenant, James T. Webb (Rev 1 v1 and Rev 14 v6-7).

Hidden by the Love of God

Zephaniah 2 v3, bottom half quotes, “...*Seek righteousness, seek meekness: It may be ye shall be hid in the day of the Lord’s anger*”. The word “hid” draws our attention to Webster for its definition. That we might examine and understand the truth to its application by the Prophet Zephaniah we turn to Webster on the word “Hid”, which means to conceal, to put out of sight, to obstruct from view.

From here we turn to the writings of the Prophet James T. Webb and his letter to the church entitled, *The Inner Sanctorum*:

First, we turn again to Webster for the definition of the word “sanctorum”, which states that it is any special or private place of retreat. We therefore apply this place to the mind; a place of seclusion, as the hiding of a wilderness. Inasmuch as the Lord brought forth the seed of the woman in the inner sanctorum of their minds...a wilderness as mentioned in Revelation 12th chapter...here the rebirth of divine knowledge was given to a special people in all the light of the new covenant under the symbol of the woman (Rev 12 v1).

With this word of clarity from the Prophet Webb, we turn to Rev 12 v 6 quoting, “*And the woman fled into the wilderness where she hath a place prepared of God, that they should feed her there, a thousand, two hundred and three score days.*” We now compare this statement to that made by Zephaniah in Zeph. 2 v3, bottom half quoting, “Seek righteousness, seek meekness, it may be ye shall be hid in the day of the Lord’s anger.” We find that God shall create a hiding place in the sanctorum of our own minds by which the love of God shall cause inoculation from the wrath of God being displayed on the Earth. [Webster: on inoculation, to make immune to.] Though we shall be in full view of it, the rain of God’s love given to us in the barn of the Lord, during the harvest hour, has removed all ability to fear from the mind of the Wave Sheaf saints. The Wave Sheaf saint under this condition shall view the judgment of God and all its destructive forces as a thing of beauty and as a small child on a great holiday of independence. Again this condition was created in the barn of the Lord as promised to Israel by John the Baptist (Matt 3 v11-12) and the Prophet Malachi (Mal 3 v2-3) and the Prophet Zephaniah (Zeph. 2 v1-3). It is the “rain of righteousness”, the anointing of the Most Holy, the sealing up of the visions as seen by the Prophet Daniel and that which was promised to come at the end of the seventy weeks. We see this in Daniel 9 v24, quoting, “*Seventy weeks are determined upon thy people and upon the holy city, to finish the transgression, and to make and end of sins, and to make reconciliation from iniquity, and to bring in everlasting righteousness, and to seal up the vision and prophecy, and to anoint the most holy.*”

Night Dream: 1979

To share a night dream, we pay notice of this great inoculation done by God to the inner sanctorum of the mind. This was given in the year 1979 regarding this condition.

As I stood upon the streets of the city, I heard much commotion of the people and someone said look up. I stared into the sky and to my surprise the entire sky appeared to be that of stained glass as seen in the windows of the churches today. As far as I could see in any direction it was the same. The entire firmament was now made of stained glass. Suddenly the glass crumbled into dust sized like particles and fell to the earth. Now in full view in any direction were giant rings of fire burning brightly. The fire rings also covered the entire firmament and produced great heat. Suddenly the rings began to lower downward to the ground. The people were in total agony of fear, chaos, and panic. There were screams being heard from all over the world in every language. There was a large sand hill or mountain and people were rushing downward it to try and escape the lowering fire rings. Many were being killed from the stampeding alone. A pathway was cut in the middle of the stampeding crowd and I began to walk up the hill as the people stampeded downward. I appeared to have no fear whatsoever. Also I appeared to be trying to get a closer look at the rings of fire. My words to the people stampeding past me were, “You people are going through a lot of changes.” From this vision of the night concerning the fall and destruction of the false religious system, which now dominates our world; it is clear that the prepared saints of God shall receive inoculation. Amen!

All praises and glory be to the full throne of God, with a special salutation to the queen of heaven, the architect of the plans of salvation: the Most Gracious and Merciful Wisdom of God.

HOZ: the anointed saints which stand with the God of all the earth. Amen!
