### **My Awakening by God (Terald D. Blakey Sr.)**

#### **Night Dream of the 1980's:**

“As I walked down the street there was a sudden earthquake. A very large reptile emerged from the ground with two large horns protruding out from the top of its head. Next a cave opened up several feet on the side of me with stairs aiming downward far and deep. Out from this cave came this ugly, nasty and anciently old woman sweeping red dust into the air. She requested that I join her in the cave. I refused and stated to her, “I KNOW WHO YOU ARE!” I then proceeded to find the largest rock I could find to attack her with.

From this vision, God hath made it clear that we (HOZ) shall perceive and defeat every move of the dragon and rightfully divide the truth from hidden ploys of evil. We will not be deceived!!! For God has given us the skills of Daniel and transferred unto us the knowledge and insight of the man-child (Zerrubbabel). By this blessing of insight and skill empowered by the testimony of Jesus our Lord, we cannot and will not be deceived by anyone or anything on earth, for Mother Wisdom is with us and guides us. Thus, we fear not to speak out with the boldness of Moses.

#### **Unction of the Spirit (Feb/2009)**

“As I sat in my office at work, having no knowledge of the Message of Elijah, and having been completely divorced from the Tabernacle of David church, in my mind...or so I thought... not having read any works of the Prophet Webb in over twenty years, I was completely taken aback by a voice that entered the office and penetrated my mind saying, “I will give unto you the boldness of Moses and the skill of Daniel.”

#### **Prayer of Supplication**

Have mercy oh Lord on all that thou can have mercy upon.  
For in my heart I can feel thy wrath growing. My soul has begun to tremble  
because the great God of my prayer has begun executive judgment,  
and who shall be able to stand?

#### **Vision of the Prophet Webb:**

**(From his letter to the church entitled, *A Dramatic Situation/ Sub topic: Christ has knocked at every Door*)**

**“I was on a lake at a fisherman’s place and a gentleman cast in his line and caught a large fish. As the fish lay on the bank the man thrust the fish through with a sword and the fish made a noise as a human being in death. I did not see him dress the fish, yet a bloody piece was given to me with which I made two pieces from the center. Now when the fish was making the death noise the man said to it, ‘DIE!’”**

**The Prophet continues: “Now the fish is a symbol of the religious world that the Lord said ‘won’t believe nothing until they are hit’. The hit with the sword to the fish can only be compared to Ezekiel 9 v5-6. The strike of the lord with it will be sudden as an explosion, when the church leaders will be killed; thus, breaking the spell they hold on the people. The Sabbath-keeping churches are the first. I had other visions on the fish symbol of the church. Gruesome was the picture. Yet it is a judgment of a just God; in truth and righteousness is his judgment.”**

### **The Sodomite Sea has Opened Up**

Dear HOZ,

In the last week of the earthly life of the Prophet James T. Webb being hospitalized in the same hospital in which I was employed, I did visit his room expecting to find a very sick old man. Instead I found a jubilant man sitting by the room window in a wheel chair. As I entered and greeted the prophet he pulled back the curtains and said to me, **“I am sitting here looking at a dead world. Come and see. Everybody you see out there is already dead.”**

At the time I thought he was referring to the judgment of God: that God’s judgment would kill the unbelievers. Now 22 years after that last meeting and eventual death of the prophet, the Wisdom of God has made clear the statement of the prophet. I now understand that he was referring to those whom were born into this life without a soul created from the foundation of the world. (Please see our Wisdom Letter entitled, *The Lamb’s Book of Souls*.)

These are dead fish as seen in the vision of the Prophet Webb. The same was spoken of in Rev 13 v8 and again spoken of by the Lord to the Prophet Esdras in chapter (II Esdras, Apocrypha) 5 v7 quoting: **“And the sodomitish sea shall cast out fish, and make a noise in the night, which many have not known, but they shall all hear the voice thereof.”** Please note the summons of the beast unto his children found in II Esdras 5 v7, last line: **“BUT THEY SHALL ALL HEAR THE VOICE THEREOF”**. They will manifest their deadness by ad-hearing to the summons of the two-horned beast of Rev 13 v11, as the beast used the power of the presidency to call them into activation and confrontation with righteousness. Here is the truth of the confrontation prophesied by the Prophet Webb. A confrontation not of current and ex- church members divided against one another – as the dragon has deceived some to believe – but a confrontation of **darkness** against **light; righteousness** against **unrighteousness**; divine **truth** against **lies** as seen in Rev 16 v13. This call of the beast is that confrontation!!! Please read Eph 6 v12 and note line one, **“For we wrestle not against flesh and blood...”** This statement guarantees that our confrontation is not against each other, but rather against the Knowledge of Evil and their empire as seen in Rev 12 v17, Rev 12 v3 and Rev 17 v3-5.

[NOTE: As a reminder, let us revisit the vision of the Prophet Webb concerning this confrontation of spirit forces; good versus evil.

**Vision: Bro. Webb saw himself and Samuel (his brother) in a room in their house in which they grew up. As he looked out the window, a tall man came down the road. Bro. Webb knew the tall man was coming for him, so he hid under the house. The tall man shined a light on him, pulling him out from under the house. He then said to the tall man, “I have a family of ten; I cannot preach the gospel.” The tall man said, “We will take care of them.”]**

With that word, the Prophet went on to say that a light was shone on him and he floated out and down the road where he met a group of people representing the two Sabbath-keeping churches to which he was sent: the Seventh-day Adventist Church and the Church of God and Saints of Christ. He begged them to come to the terms of God, but they refused. A people of darkness came out from among them with raised clenched fist and went after him - not from the Tabernacle of David! Further, he identified this people of darkness to be demons... not human beings. In a later vision he saw the same people confronting him while he was sitting on a bench. Christ walked through this group of demons and had him to sign a composition book, which he then carried in his arms and left.

In conclusion on the issue of confrontation between men, please note the direct word of Christ on this issue. Matt. 13 v28 line, 3 quotes, ***“Wilt thou then that we go and gather them up?”*** Verse 29 gives Gods answer: ***“But he said NAY!!”*** This answer assures us that God did not give sanction to any type of confrontation between men. Neither did God give Zerubbabel prophetic knowledge of any confrontation among current or former church members. Thus, any man or woman who teaches confrontation is both lying on the Holy Spirit and challenging the plans of salvation written by the Wisdom of God!! They have distorted the Message of the Covenant given to Zerubbabel and chosen to rewrite the plans of salvation. This distortion of the word of God by the servants of the dragon could only serve the purpose of implanting hatred and distrust among men and women anointed under the covenant. This is forbidden by the testimony of Jesus Christ (Matt 5 v43-48).

Now let us focus again upon the purpose of the two horned beast and review the vision of the Prophet Webb regarding this purpose and review the current events being shown to us now on these things.

### Current Events

#### Vision of the Prophet Webb:

**“I saw the dragon industry for President Reagan, as it was a pipe mill that had all sizes of black, heavy conduit: some for steam and high pressure and some for talking through (as I saw a dragon lift one to his mouth). Then I heard the voice of President Reagan praising one of his workers. Then I saw the works of the Lord: it was a furnace changing scrap steel to the melting and an animal was running back and forth across on the scrap buggies making a great noise with his feet. I saw people in trouble trying to get out of the furnace, but a red mule would lunge at them and keep them there as they cried out.”**

Now let us reexamine Rev 13 v11 quoting: ***“And I beheld another beast coming up out of the earth, and he had two horns like a lamb and spoke as a dragon.”***

As we already know well, this is the cartoon symbol of the United States government headed by the president. With this knowledge let us review our current President’s interview with Good Morning America’s Robin Roberts.

**\*Quote from Yahoo News, article:** ‘President Obama Affirms his Support for Same Sex Marriage’. In an interview with ABC News’s Robin Roberts, the President described his thought process as an “evolution” that lead him to this decision based upon conversations with staff members, openly gay and lesbian service members, and his wife and daughters.

(Interview Continues)

The President stated, **“I have to tell you that over the years as I have talked to friends and family and neighbors, when I think about members of my own staff who are in incredibly committed, monogamous relationships, same sex relationships, who are raising kids together; when I think about the soldiers, airmen and marines, or sailors who are out there fighting on my behalf and yet feel constrained, even now that don’t ask and don’t tell is gone, because they are not able to commit themselves in a marriage, at a certain point I’ve just concluded that for me personally it is important for me to go ahead and affirm that I think same sex couples should be able to get married.”**

**1992- Night Dream of Terald D. Blakey Sr. (1992)**

**“I was flown through the air into the White House in Washington D.C. In it I was positioned in a far away corner of a long hallway. There were many offices on both sides of the hallway with a large office at the end of the hall crossing the entire hall. The large office had the presidential seal on the door. Suddenly, many gay people emerged from the offices heading for the large office of the President. They all were dressed in business suites, carrying brief cases with party hats on their heads and party blowers in their mouths as if they were celebrating something. I said to myself in amazement, “They work here!!!”**

In sharing this dream I hope that you are with me to see that from the President’s own mouth in the article previously mentioned, this dream has been fulfilled!!!!

**Continuation of Current Event Interviews:**

**\*7/23/12: CNN television news announced** a political polling result that announced that African Americans were withdrawing in large numbers from the President’s support base due to his affirming of gay rights and marriage.

**\*A recent news article from the internet news called the Huff Post by Dennis Cauchon:** “The pulpits of the nation’s Black churches took measure Sunday, May 13<sup>th</sup> of President Obama’s decision to support gay marriage, and the result was conflicted. Some churches were silent on the issue!!! At others, pastors spoke against the president’s decision Wednesday, but kindly on the man himself. A minority spoke in favor of the decision and expressed understanding of the President’s change of heart.”

**Night Dream by T. D. Blakey Sr. (6/24/12):**

“I saw President Obama; he appeared to have much weight loss and his face was sunken in. His skin was very tight and he asked where I had been. He stated, “I need your help.” I gave him no answer due to his policy concerning gays. I could not help him.

Dear HOZ, I hope you can see the dream’s relationship to the previous article. The President’s health condition refers to his loss of votes due to his pro-gay stance. My refusal to answer his plea for help refers to the older set of the Black community that was predominantly behind Obama, but has voiced extreme displeasure in this stance he has taken against the word of God, and will now refuse to vote for him, but rather may just not vote at all.

We continue as we look at how the dragon's use of the presidential power has started an outcry heard by all sodomites as foretold to the Prophet Esdras (Apocrypha: EDRAS 5 v7, last line): ***“And they shall all hear the voice thereof.”***

**Continuation of Current Event Interviews:**

**\*May 21<sup>st</sup>, 2012 NAACP president chokes up on gay marriage:** Benjamin Todd Jealous addressed Reporters and made this announcement/statement, “The NAACP made headlines this weekend when the 103 year old civil rights group passed a resolution endorsing marriage equality.

**\*5/14/12, Jay-Z, The hip -hop mogul and part owner of an NBA team has come out in support of the President's policy on gay marriage:** “Obama's new stance is the right thing to do. I've always thought of it as something that was still holding the country back. What people do in their own homes is their business and you can choose to love whoever you love.”

**\*May 11<sup>th</sup>:** “Pretty darn happy today. Thanks Mr. President for supporting the dignity of my family and so many others.” – **Jane Lynch star of Hit TV show ‘Glee’**

**\*“What an amazing day for our country,” said Ellen DeGeneres**

**\*“Congratulations Obama for being the first sitting president to support marriage equally,” said Lady GaGa**

**\*7/6/12, Frank Ocean rising star in the R&B and hip hop world admits that his first true love was with a man!!** “Ten years ago Frank Ocean could never have come out,” said Mark Anthony Neal, Professor of African American studies at Duke University. “It would have been death to his career.”

**\*Anderson Cooper World renowned CNN news and anchor:** “The fact is I'm gay. Always have been, always will be gay and could not be more happier, or more proud.”

**\*Former President Bill Clinton:** “I think what Obama did was the right thing to do; it's time for a change and to go further with equality.”

**\*News weeks Andrew Sullivan:** “The President's bold support shifted the main stream.”

In conclusion, I would like to refer you to our Wisdom's Letter #14 on this issued entitled, *Genetic Abomination* and #15 entitled, *The Hour of Temptation*. These are just a few of the many thousands of responses garnered by the President's stand for the abomination called “gay marriage”. We see that this is not a thing of the future, but a thing of today: an attack on **righteousness** and the **sanctity of marriage** ordained by God. Their sins have reached heaven (Rev18 v5) and we, HOZ, have been chosen of God to bear witness and shout aloud God's warning of his wrath that has already begun.

All praises be to the full throne of God and a special salutation to the Wisdom of God – our Heavenly Mother, the Queen of Heaven and the Architect to the plans of salvation!

Her servant for all eternity,

Terald D Blakey Sr. - HOZ – 7/12 (R: 12/4)
