### Prayer

**Oh God in heaven, I bow my head unto the full throne of God, unto my Heavenly Father, Jesus Christ, the redeemer of my soul and the creator of my existence. I give special salutation unto the Almighty Wisdom of God, the queen of all the creations of God, and the author and architect of the plans of salvation. My prayer is that my will, my thoughts, my vengeance be dissolved and forever dismantled; replaced with the will of my God and the fullness of desire to magnify and glorify thy divine will, while edifying and serving thy people and thy divine purpose. Amen!**

### Scriptures

**Rev 2 v5:            *“Remember from whence thou art fallen and repent, and do the first works; or else I will come unto thee quickly and will remove thy candlestick out of its place, except thou repent.”***

**Psalms 18 v28:    *“For thou wilt light my candle: the Lord my God will enlighten my darkness.”***

### Scriptures Continued

- Job 29 v3:** *“When his candle shined upon my head, and when by his light I walked through darkness.”*
- Matt 5 v15-16:** *“Neither do men light a candle, and put it under a bushel, but on candlestick and it giveth light unto all that are in the house. (16) Let your light so shine before men that they may see your good works and glorify your father which is in heaven.”*
- Luke 11 v36:** *“If thy whole body therefore be full of light, having no part dark, the whole shall be full of light, as when the bright shining of a candle doth give thee light.”*
- Zech 4 v2:** *“And said unto me, what seest thou? And I said and I have looked and behold a candlestick all of Gold, with a bowl upon the top of it , and his seven lamps thereon, and seven pipes to the seven lamps, which are upon the top thereof.”*
- Isaiah 8 v20:** *“To the law and to the testimony, if they speak not according to this word, it is because there is no light in them.”*

### The Candlestick of the Lord

Dear friend and reader of this letter from the Wisdom of God:

Mother Wisdom sets before us the pure doctrine and word of God: the **Law and Testimony of Jesus Christ** (Rev 12 v17), for this doctrine alone is the summation of the will and purpose of God towards man (Eccl 12 v13-14; Rev 14 v12; Rev 22 v14). The Ten Commandments gives men the capability to respect and honor both God and men while on earth in the flesh. The Testimony of Christ, which is the seven spirits of God, comes forth from the body of the Lamb of God as in Rev 5 v6. Not only do they teach and give us the understanding of the will of God (Rev 19 v10), it also forever unites us into eternity with Christ as seen in Isaiah 60 v2 and St John 1 v4-5. The testimony is the seven spirits of God which is the glory and light of the Lord that he wills to share with mankind (Zech 4 v2 and Rev 5 v6).

Now with further examination of the testimony of God the question arises, where does the testimony come from? What is its main source? The answer to both questions comes from none other than He, which we know as our God, Jesus Christ himself as seen in Psalms 119 v88. Here King David calls upon the Lord by prayer and song to quicken him in the testimony. The term “quicken” means to arouse or stimulate. Thus, David was asking God that the holy testimony be given to, and aroused within him, for he understood that it alone was the true source of the true nature and power of God. Christ opened his mouth and released the knowledge of the testimony to us on the Sermon on the Mount (Matt 5 v2). With this knowledge, man became obligated to demonstrate the power of God by commitment and submission of himself to the testimony of Jesus as in Matt 5 v15-16.

It is the testimony of Jesus that must be in place within the hearts and minds of men and women for them to receive salvation (Rev 2 v5). The testimony of Jesus is the characteristics and personality of God. In addition, at the creation of man, spiritual receptors were placed within the souls of men that they might have a place for the seven spirits

of God. This is the “**place**” mentioned by Christ in Rev 2 v5, for the Lord promised to remove the testimony from its **place** if that soul refused to repent. So you see dear friend we must keep the **place** of the Lord Jesus *testimony-ready* and opened to receive the candlestick, which is the testimony of God. We must be willing to repent of all offences to both God and man, and be willing to totally submit to the divine characteristics of the Lord referred to as his testimony because it alone...under the symbol of the candle...is that light that keeps us out of spiritual darkness (Psalms 18 v28; Matt 5 v15-16).

Again, we must remember that we wrestle not against flesh and blood, but against the forces of evil darkness (Eph 6 v12). These devils, being former inhabitants of the kingdom of God, know first-hand of the power of the testimony or seven spirits of God. They are hell bent on diverting that knowledge from man (Rev 12 v9 and 17). Yet the Lord blessed us with the ability to hold unto the testimony of Jesus regardless of the devils attempt to take it away. Thus, with it in its **place** of connection to our souls, it lights the way through the darkness and deceit of the Knowledge of Evil (Job 29 v3). With this great light, the Testimony of Jesus, which comes directly out of the body of him which sets upon the throne of God (as in Zech 4 v2 and Rev 5 v6), we thus can see clearly the darkness of ungodliness placed upon the Tabernacle of David as in Romans 11 v26. The testimony itself reveals the darkness of doctrine which has overtaken the church as prophesied to happen by both the apostles of Christ and the Prophet Isaiah (Isaiah 34 v8 and verse 11).

### **The Tabernacle of David: the Good and the Bad!!**

At this point in Mother Wisdom’s letter, She has instructed us to bring forth the light of knowledge that She (Mother Wisdom, the Mother of all intended creations and the architect of the plans of salvation) has bestowed upon us due to our reverence of the testimony of Jesus Christ. She leads us to Matt 22 v9-10. Mother Wisdom instructs us to pay close attention to the words of Christ in verse 10, quoting, ***“So the servants went out into the highways and gathered all as many as they found both bad and good: and the wedding was furnished with guest.”*** Dear reader, Mother Wisdom wants you to see that two groups of people were brought to this wedding by the servants that were human beings operating under the influence and guidance of the Holy Spirit to fulfill the prophecy of the Prophet Amos (Amos 9v11). **These servants’ job was to gather all who seemed willing to come to hear Gods word; yet because they were but men, they had no ability to differentiate between good and bad.** Matt 13 v27 shows that the servants of this text were aware of the tares because they were angels, yet Wisdom’s plan set a particular hour and time, and a particular group of angels called “**reapers**” to remove them out of the church. Thus, She (Mother Wisdom) forbids those angelic servants to get involved. Note Amos 9 v11: ***“In that day will I raise up the Tabernacle of David which is fallen, and close up the breaches thereof: And I will raise up his ruins, and I will build it as in the days of old.”*** [Webster on the term “**breach**” = **a failure to observe the terms of; an interruption in a relationship**] Dear reader, Israel of old had a beautiful relationship with God by way of obedience to the law and testimony given unto them by Moses, but they failed to continue it and fell into the dark teachings of the Pharisees and their antichrist doctrine that revered the law, **but denied the testimony of Jesus**. From this mistake Israel went into exile and the door was opened for the gentile nations to receive salvation: a period of time called the “Gospel Dispensation”.

Thus dear reader, after the “Gospel Dispensation” ended in 1967, the time was set for the rebuilding of the Tabernacle of David as God had promised Amos. The call went out to the servants as directed by the Holy Spirit and that servant, James T. Webb, set up the Tabernacle of David again as God had promised. In addition, the Prophet Webb had been given of God the law and testimony of Jesus, which he used to close the breach that God had also promised. The church had its perfect foundation to make its stand and await the standing up of Michael (Dan 12:1)

At that time it (the Church) would be adopted into the heavenly family and delivered from the time of trouble as God had again promised (Dan 12 v1-2). However, while awaiting the change, the Prophet Webb died, as God so willed. Though he (the Prophet Webb) had set the church up himself, he was a human being and had no knowledge of whom the bad were as mentioned by Matt 22 v10. This fact could only be revealed by time or spirit, and Bro. Webb neither sought, nor requested that knowledge. Neither did he want to know who they were, for his faith assured him that God would handle the matter when the time came. However, he was well aware that they were in the church.

### **The Devil's Church of Outer Darkness Resides within the Tabernacle of David**

In an excerpt from the Feb 1983 treatise by Bro James T. Webb entitled, Marriage of the King's Son (IN OUTER DARKNESS, second paragraph) states, **“The parable reveals those among us in outer Darkness or, the ‘sun of time’ and yet, is spiritually blind. Though the message was full and free, and made clear as language could make it, the rejection of the truth increased in them so that they became destitute of divine knowledge of the truth, and became traitors of the church in work and thought to undermine those of the light and to speak there darkness against the truth! They did not accept the counsel of Rev 3 v18, neither the message of the church at this time. Their condition is terminal in spiritual darkness as they await for weeping and gnashing of teeth!”**

**Excerpt of three visions of the prophet Webb taken from his treatise entitled, *I Will Tell you a Story of How I Overcame at the End of the World:***

#### **Excerpt: Vision 1**

We have three visions under the symbol of dough made from the sheaf wheat. An early vision back in the fifties reveals by symbol, bread dough of which I was kneading, having two black lumps of coal in it. I stood by the barn of the red horse, which is the red spirit force, and he spoke saying, “You have done so well, I will take you for a ride on my back.” And I said, “Ok, when I finish and take these two black lumps of coal out of the dough.”

#### **Excerpt: Vision 2 (Nov, 1973)**

I saw the Holy Wisdom of God kneading bread as she was smiling. Then later I saw the bread baking in an oven.

#### **Excerpt: Vision 3 (Nov 22, 1978)**

I was kneading a pan of dough made from snow-white flower as I was with the Wisdom of God. There were no black lumps in our dough – neither the Wisdom of God's dough, nor mine. Now from the start I knew that the two black lumps of coal would be removed at the finish. I then had no knowledge of Issachar as a church. Now that we know that Issachar is the wave sheaf church under the symbol of bread dough, my work is finished with them as these two black lumps are removed. And now the last two visions show no black lumps in the dough. Thus, I am speaking of all saints, which come under the wave sheaf dough, are right before God! Not everyone in the church comes under this symbol. (James T Webb)

Now dear reader, the Wisdom of God would have us to reexamine James T. Webb's initial statement concerning those of outer darkness, for he did state they were “**spiritually blind**” that tells us that they were without the Testimony of Jesus, for it alone is the light by which one spiritually sees (Isaiah 8 v20; Rev 19 v10). Furthermore, we can conclude that without the testimony of Jesus they would lack faith and began to doubt the promises of God. Thus, they would

be led of the dragon to speak lies with powers of sorcery against the church and its doctrine. We saw this when they gave a satanic explanation to the death of James T. Webb and Whitney Scott, and used their authoritative positions in the church to enforce the acceptance of those lies. Bro Webb again stated, “**The rejection of the truth increased in them so that they became destitute of divine knowledge of truth and became traitors of the church in work, and thought to undermine the church and those of the light and to speak their darkness against the truth.**” This statement was fulfilled by the ancient men or false leaders and prophets of the church (Ezek 9 v1-6) after they drank the flood waters of Rev 12 v15 and began to teach against the testimony of Jesus, including the setting up of mandatory policies in the church and backed them up with the threat of expulsion from the church against all that disputed those policies. Again the prophet stated that “**That these did not accept the council of Rev 3 v18.**” We see in the history of the church that these self same leaders and self proclaimed prophets were discovered by the Prophet Webb to be in conflict with the doctrine of God and were given space of God to repent as counseled by the prophet to do so and did not!! This was evidenced by their return to these self same policies *after* the death of James T. Webb, surnamed of God Zerubbabel, prophet of God.

### **Mother Wisdom Points out the Offenders!!**

It is here that the Wisdom of God shall reveal the offenders for all to see, and make their stand against them that the dragon has ordered to “spiritually kill” the Tabernacle of David by engulfing them in ungodliness as in seen in Romans 11 v26, as well as to feed them satanic doctrine of lies from the mouth of the dragon and the unclean birds of Rev 18 v1-2 and Isaiah 34 v8 and verse 11.

The current Head Elder, the so-called and self-proclaimed prophet of the church, is actually head of the ancient men seen by the Prophet Ezekiel (Ezek 9 v6). These are direct *seed of the serpent*, which have been manipulated into leadership roles by the dragon kingdom. These are the *tares* of Matt 13 v24-30. These are the *bad* of Matt 22 v8-10 that were spiritually guided to the church in the early 1970’s during the formation of the church by the dragon. The dragon had no fear of loosing them to the plans of salvation, for they are the seed of the serpent and no place in salvation is set for them. The dragon did manipulate them into leadership roles of the church by way of false willingness to serve and false meekness. Once in place, and at the most appropriate time, the dragon released the flood of waters carrying unclean doctrine of devils after the saints as seen in Rev12 v15, and the Wisdom of God did divert the waters to the dragon’s seed as in verse 16. They did indeed drink these waters and all the filthy doctrines of the devil made them drunk with the lust of power and autonomy.

From here they began to set policy in the church that was contrary to all that was taught by James T. Webb at the instruction of Mother Wisdom. Next, they began to attempt to dismantle the testimony of Jesus and set the church to permanent ungodliness as in Romans 11 v26. The purpose of the dragon is to make the church unworthy of the deliverance...without delivering the tares too! With this insane notion they (the dragon kingdom) intended to return to heaven in the body of the tares and resume eternal warfare against God.

Thus, we do conclude here by stating that the church is divided at this time into two groups:

1. The saints of God, whom are the lambs of the Lord, being the dough from the visions of the Prophet Webb, and
2. The ancient men and all those that are permanently attached to them, which are those that do their bidding and help to enforce the policies of the dragon.

Thus, sayeth the Mighty Wisdom of God, the Mother of all the intended creations of the Lord, the Queen of heaven and the author of the plans of salvation:

**“The current Head Elder, and all that permanently stand with him, are the ‘Church of Outer Darkness’ as prophesied by James T. Webb. The current Head Elder is that one spoken of in Matt 22 v11-13. He is the one without a wedding garment. The wedding garment is the “testimony of Jesus Christ”. He is the evil, spirit child that the dragon attempted to throw on the Prophet Webb in many visions. As Bro. Webb did carry him to the house of the Wisdom of God, yet he was rejected and discarded and so shall it be!!”**

Unto all, both friend or foe, I, Terald D. Blakey Sr., having been forgiven of sin and washed in the blood of the Lamb as in Isaiah 1 v16-20, have been filled with the fear of the Lord and invited to the reasoning chamber of God as in Rev 3 v18. After having been given of the Wisdom of God both the boldness of Moses and the skill of Daniel, I have been ordered by the full throne of God to announce and pronounce that:

**“The current Head Elder is *not* a prophet of the Lord neither is he a saint of God. He is The Man *without a wedding garment* sent by the dragon to set up the church of outer darkness within the very walls of the Tabernacle of David, Wave Sheaf Church (Matt 22 v8-14) for the purpose of dismantling the testimony of Jesus Christ. His policies are the ordinances of war as in Rev 12 v17 quoting, *“And the dragon was wrath with the woman and went to make war with the remnant of her seed, which keep the commandments of God and have the testimony of Jesus Christ.”*”**

Policies of the dragon, as implemented by the current Head Elder, to promote ungodliness as in Rom 11v26:

- 1) Ungodliness Issue #1: The forbidding of marrying as in 1Timothy 4 v3  
The current Head Elder implemented policies that forbid members of the church to look for spouses outside of the church, though they had no eligible members within to marry. His policies threatened expulsion from the church for violation of that policy. This set the stage for physical sins of the flesh among its members.
- 2) Ungodliness Issue #2: The chastising and rebuking of Wisdom’s People  
Brother Webb made it perfectly clear to all leaders of the church (past and present) that Mother Wisdom denounces any rebuking of the church, for that task is for God alone as in Rev 3v19. Bro. Webb made it clear neither he nor any other could violate this standard. Yet the Head Elder setup a false counseling program by which he and others that stand with him might find out the sins, falls, stumbles, slips of the flesh done by its members and then chastise, rebuke, censor and disfellow those of his choice. Members have been stood up and humiliated in front of both their spouses and children by this policy. Members of the church have been intimidated into agreement and forced to stand and vote for this awful policy, directed by fear and intimidation of being next if they don’t (Matt 18 v5-6)!

3) Ungodliness Issue #3: Hypocrisy

While judging the sins of others, the Head Elder refused to allow himself or his family members to be judged by the same standard. He refused to report to the church that he was mismanaging the church funds provided by both the Prophet Webb and the members of the church to financially sustain the church. Be it known to all who reads this letter that all funds stolen and mismanaged by the Head Elder shall be viewed by the full throne of God as “30 pieces of silver” (Matt 26 v15. The current Head Elder censored and disfellowed members of the church for sins of the flesh and placed the limitations on the forgiveness of sins that can only be done by God. The Head Elder- refused to humiliate his own child who had become pregnant by way of acts of fornication with non-members of the church, choosing to have her marry a member in good standing to avoid rumors: a marriage which resulted in the birth of a non-premature child in the first few months of the marriage. Yet, others were censored, disfellowed, and humiliated for far less offences.

4) Ungodliness Issue #4: Lies of Sorcery and Blasphemy

The Head Elder did commit both blasphemy and sorcery by false explanations of the death of both the Prophet Webb and Whitney Scott (Acts 8 v9-11). (For further explanation of this matter please see Mother Wisdom’s Letters #12, entitled, The Truth of the Matter and #15, entitled, The Gates of Hell.)

5) Ungodliness Issue #5: Disruption of Marriages and Families

The Head Elder is personally responsible for the breakup of several marriages and the displacement of the family units of the members of Wisdom’s “baby” church. He sought to have a hand in every decision in their lives and wrongfully interceded in personal decisions between man and wife, which God forbids any man to do (Matt. 19 v6 and 1 Cor 7 v10-14). Let us be clear concerning this matter, regardless of the circumstances, it is the decision of the married couple to decide if their marriage can be saved...**NOT THE CHURCH LEADERS!** God will hold all responsible who encourage their separations.

6) Ungodliness Issue #6: Disfellowing of Children

Through the policies of the Head Elder, many children have been separated from their parents and sent to the homes of strangers, mental hospital, orphan homes, and even the streets and jails due to no guidance and with only sin as a survival tool. The policies of the Head Elder forbade even the parents to check on them or assist them in any way (Rev 22 v19). This is a direct attack on the testimony of Jesus and the word of God that commands that the parents love their children unconditionally (1 John 5 v1-2; Psalms 127 v3; Titus 2 v4). Be it known to all that read this letter that this policy of the Head Elder was viewed by the full throne of God as a direct attack upon the Holy Spirit of Love, from the Ancient of Days!

7) Ungodliness Issue #7: Dismantling of the Eldership Set up by James T. Webb (as instructed by God)

The Head Elder was told by the Prophet Webb that the eldership was set up by God and that no one person be saddled with the burden of leadership and church decisions. Also, he was instructed that it was the will of God that this order remains for the duration of the Church, or until the deliverance at the standing up of Michael as in Daniel 12 v1-2.

8) Ungodliness Issue #8: Self-Ordainment of Prophet

Mother Wisdom wants all to be clear on this matter; there is no prophet among the Tabernacle of David at this time! All who proclaim to be prophets of the Lord have lied or they are deceived. They move and speak by the will of the dragon. Their dreams and visions are that of deceit and lies. Further, they are the reason that ungodliness has overcome the church as seen in Romans 11 v26. The desire for autonomy and power over the saints of God, being driven by the drunken state of flood waters, has become their masters unto their own destruction. Policies of the Head Elder have elevated himself and family members to the position of a prophet for the last time (Ezek 13 v9-10; Isa 9 v15).

### **The Man with No Wedding Garment!**

Mother Wisdom would have us to now closely examine Matt 22 v8-14, which is the symbolic explanation of the assembling of the Tabernacle of David. A brief history in review shows:

- Mother Wisdom led James T. Webb to write many booklets to the worldwide, Sabbath-keeping churches of his time that announced the “Judgment of God” and invited them to change their doctrines unto the whole truth of God, but they refused. This was done in the 1950’s.
- Thus, after the judgment and atonement of 1969, She, Mother Wisdom, poured out the “Holy Spirit of deliverance” and woke the sleeping Israelites living as former slaves in America.
- Matt 10-14 shows the gathering of the ***good*** and ***bad*** in the church.
- The current Head Elder followed the saints into the church seeking to be apart. By examples of false meekness and false willingness to serve he was manipulated by the dragon into the eldership and eventually the head eldership.
- His task was to follow Bro. Webb’s directives and lead the eldership in remaining a righteous body. (This fact Bro. Webb spoke to me personally.)

Yet, after the death of Bro. Webb, the current Head-Elder lost faith and fell by the wayside (as in Matt 13 v4). He was consumed by the deceiving fowls of Isaiah 34 v11 and Rev 18 v2. From there he began to think he was something he is not. Thus I, Terald D. Blakey Sr., being directed by the full throne of God to announce and pronounce that the current Head Elder of the to be the servant of the “***Knowledge of Evil***” and the “***instrument***” of her enmity against the Wisdom of God and her saints (Gen 3 v15; Rev 12 v17).

### **The Truth of the Vision of the Prophet James T. Webb**

**The Vision (of the beginning of my work):**

**Me and my brother was in a room and I looked and saw a tall man coming. I knew he was coming after me so I went out of the house and crawled under it to hide from this man. But the man came directly to my hiding place and shined a light upon me. I said this to him, “I am the only wage earner in a family of ten I cannot preach the gospel.” And he said, “We will take care of your family.” At this word I began to float out from under the house. He sent me through to a group of people whom were waiting for me in a road. I said, “I have a message for you.” While I preached, I saw a people of darkness come from among them and I saw later these were devils that left them and came after me. Now at the finish of my work, I was seated on a dock bridge on the bank of the river. I was faced by the same group of demons, which left the people and came after me with raised, clinched fist. While I sat there, Christ walked through them having my composition book with him and he with a brilliant smile on his face, sat beside me and placed the composition book on my knee. I wrote a statement in it. He arose and closed up the book and took it with him. I saw in a later vision me walking over a bridge across the river. But as for the vision of the little book which was given to me by the angel in the room, I was given a golden letter, which I was to read at the finish. Now my work is finished and the little book sealed. (End)**

Dear friend, the Wisdom of God will make clear for us the dragon's distortions of this vision, for the dragon sought to fill the hearts of the saints with fear of opposing the policies of evil. [Webster on the term "policy" = *crafty management/ any governing principal*.] We notice also that the dragon uses his own seed to create policy to both burden and cause havoc in the lives of the saints of God (Dan 8 v25). This policy will always be set to distort and confuse the saints of God.

### Mother Wisdom Explains the Vision

Thus said the Wisdom of God:

**“This vision I gave James T. Webb, as I sent Gabriel, mine angel to work with him and present to him his assignment of the Everlasting Gospel. My servant, James T. Webb, was sent to the last two Sabbath-keeping churches of your world with a message from me! This message was set to alert the leaders of both churches to get ready for the executive judgment of Jesus Christ, your God and redeemer. Those which foolishly oppose us were among them. The message of your God caused them pain and misery and they came forth to attack my messenger, James T. Webb. They followed him with raised, clinched fists for the next 30 years, seeking to railroad his mind and overcome his faith; they failed miserably!” Amen.**

I, Terald D. Blakey Sr., often talked with Brother Webb about this 30-year attack of the dragon. He told me he would sometimes awake and find them sitting on his bed, huffing at him. Both he and his children were under constant attack. Often they would have to have “*demon-watc*”h during the night. This was when a member of the family would have to remain awake and on guard to watch out for actions of the forces of darkness. In one vision Bro. Webb did ask them this question, “Why are you tormenting me so much? I’m just the messenger.” The dragon answered, “I don’t know.” Bro Webb then asked, “Why don’t you go to God?” Their answer was, “He wanted us to ‘RE....’” Brother Webb was shocked that they could not even say the word, “REPENT”.

Dear reader, here is the truthful understanding of the vision of the people of demons coming after Bro. Webb with raised, clinched fists. It was never the prophecy of James T. Webb that former members of the Tabernacle of David would form a church on the outside of the church and come back as lost souls to attack the church. That is another LIE of the Forces of Darkness.

In conclusion dear reader, the Wisdom of God leads us to notice the word "friend" in Matthew 22 v12, quoting, "*And he said unto him, friend, how camest thou in hither without a wedding garment.*" [Webster on the term friend = *one of familiarity, someone close, someone known, accomplice*] Please now compare this scripture with Matt 26 v48-50, stating, "*And Jesus said unto him friend wherefore art thou come.*" We see here Judas, the betrayer; the same who had walked with Christ and received the holy grooming and spiritual gifts of healing, but when called by the devil...*he had no choice but to answer that call* for he was the seed of the serpent (Matt 26 v14-16). So too it is with the man without the wedding garment, for he too was considered a friend of the man-child, James T. Webb, Zerubbabel. By false meekness and willingness to serve, the devil did manipulate him into the leadership of the church to await orders from the dragon; orders that came after the death of Bro. Webb.

These orders were to:

- ✓ Lead the church into ungodliness as in Romans 11 v26.
- ✓ Mix lies and sorceries into the perfect foundation of the Tabernacle of David.
- ✓ Create satanic policy, instilling fear in the lambs of God, while attempting to redirect Mother Wisdom's baby church away from the testimony of Jesus unto the Knowledge of Evil. But, he was to
- ✓ Fail miserably against Mother Wisdom's plan of salvation.

So, as we can now see and understand, the vision(s) Bro. Webb had regarding the baby that he held in his arms, and then brought into Wisdom's house (that she took from him and threw on a pile of dried wood located in the corner of the room inside the house) was referencing the man without a wedding garment. Also notice that when in one's arms, you're held close to the heart and may be seen as loved, close and like a friend (as noted above). (**Note:** The reference of these vision(s) can be found in their entirety in Wisdom's Letter #15, entitled, *The Gates of Hell*, located on page 4, and paragraph 1.)

#### **Night Dream of Terald D. Blakey Sr. (9/25/09)**

I saw the current Head Elder and he told me of a dream that he had that caused a certain member of the church to be expelled. I became angry and walked away. When I got home, I found the Head Elder in my house and called out his full name, shouting it out very loud. When he approached me, I told him the dream that he had was not about another, but about him! I then snatched open my door and ordered him out of the house. He left a beeper, indicating that it is an instrument of communication.

Thus so shall it be. The current Head Elder of the Household of Israel, Tabernacle of David- Shalom Family Altar (Church of the New Covenant) is the man without a wedding garment and shall be ordered out of the house of God as seen in Matt 22 v13.

**BLESSED IS HE, WHICH IS NOT OFFENDED IN THESE SAYINGS. AMEN!**

**Your friend and fellow servant of the Most High God,**
