PRAYER

Oh Heavenly Father, Jesus Christ, God Most Holy;
Oh Heavenly Mother, the Most Holy and Most Gracious and Divine Wisdom of God;
By what words can we thank thee and express our thanks?
For by the power of thy love thou hast saved us.
Thou hast sent unto us the “Message of Elijah”, and by it, thou have restored our hope and faith.
By thy counsel, oh Mother God, do we walk in the sweet peace of the Lord
Having all fear removed by the power of thy love.
We be are living witnesses that there be no equal to the love of God.
We are living witnesses that there be no equal to the sweet peace of Jesus Christ.
We are living witnesses and living proof that there be no equal to the counsel of the Wisdom of God;
For her counsel is better than rubies or fine gold and there are no equal to it in all the earth.
By what words do we salute thee, for we can find none worthy enough to express what the Lord has done
for us?
We can but say, “Holy, Holy, Holy”; Lord God almighty.
Amen!

Unto the saints of the Most High,

It is said to “Ask ye of the Lord rain in the time of the latter rain.” With this said, we already have received word that the end of the seventy weeks may be upon us. Further, we have received word and seen evidence that the “Harvest Rain of Separation” and the “Latter Rain of Zeal” have begun their showering. In addition, Mother Wisdom has caused our understanding to mature that we might perceive how that with the out pouring of these two rains we will be directed into the “barn” and/or “garner” of the Lord. This letter is given by God that we might fully perceive the *purpose* of God towards us in this hour.

Mother Wisdom would have us to understand that the asking of the latter rain cannot be done from just the *mouth*; it must also be done from the *heart*. It is a *pure statement* from the heart of the saint unto God, empowered by obedience unto perfection. This was stated by the Lord himself in Matthew 5 v8 quoting, *“Blessed are the pure in heart, for they shall see God.”* Dear saint, the whole purpose of this, our experience over the last 39 years, was to get to see God!! Now because we live in the time sequence of the latter and harvest rains occurring at the end of the seventy weeks (Zech 10 v1; Dan 9 v24), the opportunity to see God may be upon us!! In previous letters Mother Wisdom explained to us the importance of time and season in relationship to obtaining the opportunity for deliverance, which can only occur in the *time sequence* or *season* in which it is due. God alone knows these times. However, Mother Wisdom may choose to give us directives to prepare when those times are upon us. We hold that the initial stage for the process of “change” will begin here.

In Hosea 10 v12 we read, ***“Sow to yourselves in righteousness, reap in mercy: break up your fallow ground, for it is time to seek the Lord, till he come and rain righteousness upon you.”*** Please notice in this scripture the line of statement that says, ***“For it is time to seek the Lord.”*** Already we learned from the writings of James T. Webb that God will not tell us the exact starting time of the seventy weeks that begins this process; however, the scripture reveals that God will tell us the “time of preparation” in which we must seek him by entering into his reasoning chambers to work out any and all issues, doubts, problems or potential problems that keep us from the desired perfection that is demanded of us in this hour. Again, and most importantly, this preparation cannot be done by human counsel, but is a private interaction between the servant and their God. Unfortunately, we cannot do this for even our closest loved one or relative (Rev 3 v18-22).

A TIME FOR LOVE

Only by the power of love can we achieve this desired outcome of deliverance and change that we seek. Our task is to take on the perfect splendor of God’s love unto perfection: the manifestation of total obedience. This is what must occur with us all. Here is the “**barn**” and/or “**garner**” of the Lord, which truly is a refined, takeover of the mind and inner sanctorum by the power of perfect love and obedience to the law and testimony of Jesus Christ. For those that are willing, God shall enter into their hearts and sup with them. It is here in the barn, that he shall take away the “**stony heart**” and give them a “**heart of flesh**”. In Ezekiel 36 v26 we read, ***“A new heart also will I give you, and a new spirit will I put within you: and I will take away the stony heart out of your flesh, and I will give you a heart of flesh.”*** Dear saint, in order for us to obtain this blessing, we must ad hear (or listen) to the counsel of Jesus Christ, whom has made all this possible. God shall instruct us to put all things in perfect order at this time and make us worthy of white robes, change and deliverance. This condition **cannot** be achieved through the **counsel of man**, but is the result of a private and individual conversation between the saint and his God on the topic of purity and perfection empowered by hunger and thirst for righteousness.

Please notice with us again the line of statement in the above scripture (Ezekiel 36 v26), then let us proceed, viewing it “line upon line”, and looking at certain points.

Point 1: A New Heart

First he said that “a new heart will I give you”. We therefore ask, “Why a new heart?” The answer is because our hearts have been **contaminated** – both *spiritually* and *physically* – due to the sin of Adam in the garden, at which time microbes of death were entered into his body, changing his heart and body (Gen 3 v8-24 and Matt 15 v18-20). As we revisit the sin of Adam in the garden, we understand that this one act caused the first man to lose his state of **immortality** and become **mortal** (1 Cor. 15 v53-54). However, through the power of Jesus Christ this process shall be reversed (2 Tim 1 v10).

Now please notice with us a remarkable fact!! As God begins the process (change while standing on one’s feet) by inserting this **new heart** into his saints, their “state of heath” will change as seen by Isaiah in chapter 35, verses 5-6 and chapter 61 v3. In that this new heart is a “heart of flesh”, we do hold that it is a human heart, not unlike that which we already have, but the difference is it is without weakness of disease and not prone to infections of this life. Here is the state of the heart given to Adam at creation; thus, we describe this heart as immortal and not given to death and weakness. Because the heart delivers blood throughout our bodies and this blood carries nutrients to feed every region of our mind and body to stimulate life, growth and appearance, the process of change will **first start here!!**

[**Note:** For many years, James T. Webb was under the impression that salvation would come in the form of an angelic state of being, until he got this word from God saying, “I will not make of you something you never were before, but will make you synonymous to angels.”]

Mother Wisdom has made it clear that God will return us back to the state of Adam, which is the state of immortality. Done by the insertion of the new heart, this insertion will coincide with the surgery that will be done by Doctor Michael on the mind to remove the evil microbe consumed by Adam in the garden (Daniel 12 v1). However, God will not stop here; he shall also add the “**Eternal Spirit**” to our immortal state. This eternal spirit shall come to us in the form of a “rain of righteousness” as seen by Daniel (Dan 9 v24: “*to bring in everlasting righteousness.*”)

Point 2: A New Spirit

Now for the breakdown of Ezekiel’s statement found in chapter 36 v26. Again let us examine it “line upon line. The second line quotes, “*And a new spirit will I put within you.*”

Here is the work of Dr. Michael. The Wisdom of God shall direct Michael, the great and powerful angel seen in Revelation 12 v7-9, as he shall enter into the “**inner sanctorum**” or “**minds**” of the seed of the woman (also referred to as “thy people”), and with the skill of a great surgeon, he shall remove the seed of evil placed in the flesh at the fall of Adam. This spiritual surgery done by Michael is called a “deliverance from evil” (Daniel 12 v1). Already we have been alerted by the divine Wisdom of God that Dr. Michael has arrived and is with us. [**Note: Please read Heralding News Letter #3 entitled, Welcome Doctor Michael.**] After Dr. Michael removes the evil seed, the seven spirits of Christ, our God, as noted in Revelation 5 v6, is sent to us from God and its operation upon our bodies is similar to that of “kinetic energy”. As we noted in Webster, we see that he defines kinetic energy as the science that deals with the motions of masses in relation to the forces acting on them.

[**Note:** In the early 1980’s the Prophet Webb commissioned us to initiate research on a science called “kinetic energy”. The purpose was unknown to us at the time. However, we now hold that this science can be useful in aiding us in our effort to understand the will of our God towards us in relationship to our hope for deliverance and change. We further hold that the “physical stage” of deliverance may be in three phases:

1. The insertion of the new heart,
2. The removal of the evil microbe placed in us; this process is executed by Dr. Michael according to the directives of the Wisdom of God, and
3. The rain of righteousness.]

We understand that the human brain is composed of over 200 billion electrical, receiving cells called “neurotransmitters” that were created by God. These receiving cells are activated by electrical influence that is referred to as “stimulus”. The stimulus also referred to as “stimuli”, respond to both environmental and internal stimulation, and in return, promote the production of biochemical substances. Again, this causes all human reactions, interactions and responses, including human growth, appearance, intelligence and behavioral cognitions. God, by the power of his seven spirits of divine energy, will use the **resurrected** body of Christ as a “**surge protector**”...and by the wearing of it as vesture...he shall moderate the seven spirits of divinity as it is connected to the conduit pipes within the bodies of the saints.

Already we have learned from Mother Wisdom that God's love can be seen as an "omnibus" energy force. Omnibus means to do all things at once. Thus, God's omnibus love – acting as energy on the bodies of the saints called "thy people" – initiates the exact same process that the body of Christ went through after the resurrection of Christ when he (Christ) told Mary not to touch him due to this process being activated and taking place at that very moment in time. The process, which when finished, enabled the resurrected body of Christ from earth...which was human flesh...to dwell in the kingdom of God, before the throne of God (St. John 20 v16-20; Eph 1 v20; Rev 5 v6).

[Note: We wish it well understood that this process was not done while Christ lay dead, but began after he resurrected himself!!! God is not a God of the dead, but of the living!!!]

We do hold that this same process that is done by the love of God is omnifarious, which according to Webster means the ability to change form. This force of kinetic energy (the seven spirits of God) placed in the saint shall cause a change in form and stature of the individual to the desired stature that God has appointed for man, which again is the initial, immortal state of Adam. Once again dear friend, this power of force of love is the seven spirits of God promised to them of the "House that Zerrubabel built" (Zech 4 v2). The pipes seen here are the pure and undefiled word of God/doctrine of Christ given to Zerrubabel to build the Lord's house (1 John 1 v9). When consumed or merged with the soul, this doctrine acts as "conduit pipes" that are connected to the souls of the saints. Then the seven spirits of God are:

- 1) Pumped or delivered through them to the saints, directly from the physical body of Christ,
- 2) Carried down to the saints by angelic forces and connected to the conduit pipes in the bodies of the saints,
- 3) Thus, the seven "spirits of life" from our God, now being sent down as seen in Revelation 5 v6, eternalizes the saint and makes perfect all things.

Here we see that a direct connection between the saints and God has occurred, fulfilling the prayer of Christ to his father (St. John 17 v20-23 and Isaiah 60 v1-3).

All praises be to the full throne of God and a special salutation to the Wisdom of God our heavenly mother and queen and the architect of the plans of salvation!

All praises be to the full throne of God, we remain,
The anointed servants, which stand before the Lord of the earth
