Prelude

Unto my beloved HOZ and all those that stand with HOZ:

We believe that the hour, which is upon us, is that we should look for the arrival of the Antichrist. We further believe the “bread of outer darkness” is being fed to the world as was seen in vision and prophesied unto us by James T. Webb, surnamed of God, Zerubbabel, prophet and messenger of the Most High God. In addition, we believe that the sanctity and sovereignty of the word of God is being attacked on every front as was foreseen by the prophet over forty years ago. Our God cautions us all not to allow the quietness of the upcoming storm and the deceptions of the dragon’s seducing spirits and doctrines of devils to rock us to sleep. We see that the ten virgins must sleep as noted in Matt. 25 v5, but know that we, HOZ, cannot and must not sleep (1 Thess. 5 v5-6).

It is also noted that the economy has fallen as prophesied and regardless of the media deception and false reports by the government to give rise to a fallen economy, the common people of this nation have very little resources and very little hope towards the future. Major cities in the U.S. are filing bankruptcy, fulfilling that which was stated by divine forces to the Prophet Webb saying, “The prosperity of the United States shall fail.” Someday soon the steel mills and the entire industry as we know it will falter. This fact was made clear to the Prophet Webb and will not fail, i.e., it will be the finishing off of the world’s economy, which is the “second distress”, the destruction of the world’s economy...beginning with the United States. Know that this is God’s judgment!!

Yet, let us also note the weather conditions (nationwide) under the “first distress” of God. The conditions continue to amaze us as we eye witness calamity after calamity, fulfilling that also spoken to the Prophet Webb by divine forces stating, “**Calamities shall come in quick succession, one after the other.**” Daily the news channels report mud slides, sink holes large enough to swallow whole buildings, flash floods of enormous size and density, brush fires destroying thousands and thousands of acres in several states within the nation; and let us not forget the multiple tornado’s creating severe destruction across the nation, as well as the multiple earthquakes across the world,

announcing the activation of the "Message of Elijah". Again this was foretold to the prophet stating, "**Weather due in each season shall be severe. The president is a weak man.**"

– Page 3

In reference to the above statement regarding the weakness of the president, the president showed us this weakness as he bowed to the will of the gay rights movement when he stated to the nation that he had an "evolution" of thought process stimulated by the righteousness of his Christian faith, which declared equality and justice for that which God clearly denounces as abomination and unrighteousness. This declaration of the current president also re-enforced our belief that the prophecy of the two-horned beast of Revelations 13 v11 (as prophesied by the Prophet Webb) did rise from the depths of hell to create hell on earth with its initiating force of evil spirit issuing forth from the seat of the American presidency. This power from hell has come to mentally seduce the leaders of the United States government and then the world by the powers of sodomy, greed and lust for power and control (again as seen in Rev. 13 v11). This evil force from hell, coupled with the Knowledge of Evil have made bread and wine by which all the earth have been fed and made drunk (Rev. 17 v1-5). Yet, only those who do not belong to Christ shall be conquered here (Rev. 13 v8 and 17 v8). The battle between the seed of the serpent and the seed of the woman that God himself initiated in the garden has begun (Gen. 3 v15). The dragon kingdom and the dark force from hell are now initiating its rise and dominance among the people for the purpose of taking over the minds of men: The kingdom has been giving unto the beast!!!

The Bread of Outer Darkness

The Prophet Webb was shown by vision the principality and force of darkness power known as Abaddon. The prophet saw him in a room mixing some type of bread batter from hell-bound dough. As he mixed his batter, he then reached upwards to a string that was connected to a light switch and proceeded to turn the light out, creating and symbolizing complete spiritual darkness. Here is the dough of "outer darkness" by which Abaddon shall create bread that is symbolic of doctrines and philosophies of evil. His first attack with this bread of hell was against the little church called, "The Tabernacle of David", which is the same little church born in 1973 and raised by the Prophet Webb to be dedicated unto the Wisdom of God forever. It was this same church that the dragon kingdom went to war with seeking to take it by force and destroy as noted in Rev. 12 v17. However, his bread was deflected by Mother Wisdom unto his own seed in and out of the church as read in Rev. 12 v15-16).

Now he has begun to feed the people of the world his bread of outer darkness through the governments of the earth as foretold by Timothy in 1 Tim. 4 v1-2 and John Rev. 17 v1-2. Simultaneously, with the rise of the two-horned beast, the queen of hell...referred to as the Knowledge of Evil...has sat upon the governments of all earth injecting their lust for power and dominance into the minds of men (Rev. 17 v1-2 and 15). Here is an abominable condition created by the forces of hell as they prepare to challenge the sovereignty of God by way of the recruitment of those evil seeds that the powers of darkness have reared for this very moment, and have caused tares to emerge from the genes of man by way of the reproductive power given unto man by God at creation (Gen. 1 v26-27; Gen. 3 v15). The false system of religion known to us as Babylon has already eaten of this bread that is spiritual poison and is at this juncture in time spiritually dead. Its ministers having turned the Lord's house of prayer into a den of iniquity founded on the doctrine of prosperity (St. John 2 v16; Matt. 7 v21-23; Matt. 13 v37-40; Matt. 4 v8-10).

Dear reader, at this point, God would have us to look closer at this bread of which the world has been fed and by which spiritual Sodom has emerged as seen in Rev. 11 v8. God will give us complete understanding if we stand in

faith by prayer, for this is a very dark chapter in all our lives. As previously mentioned, the kingdom has been given unto the beast for the finality between good and evil (Rev. 17 v17). The purpose of the dragon at this point is to raise up evil seed to attack the word of God (itself), which is contained within the pages of the Bible. It now seeks to turn the Bible (itself) into an instrument of evil and confusion for the justification of unrighteousness and sin unto abomination.

Beware of the Bread (of Outer Darkness)

Continued – Page 4

Never before has the Bible been attacked as in this day by this evil act. Regarding this fact, the Prophet Webb saw an act of fornication between the Knowledge of Evil and the Two-horned Beast of Rev. 13 v11. By this act, a new, false and evil version of the Bible has emerged with changed wording not sanctioned by the Holy Spirit, as well as rephrased statements justifying sin and unrighteousness unto abomination. This is blasphemy and an attack upon the works of the Holy Spirit who is the **Ancient of Days** (noted in 2 Peter 1 v20-21; Dan. 7 v9-10; Matt. 12 v31; Rev. 22 v18-19).

Truth Against Lies

Dear reader, let us briefly review that which we understand to be true concerning our belief in the Bible, for our truth began not with man, but with God. God, by vision, instructed the Prophet Webb to use only the King James Version and the Apocrypha (KJV) in his writings. Therefore, we, HOZ, do hold to every jot and title spoken unto the Prophet Webb by God to be divine truth. Here we shall briefly reflect upon his vision where the prophet saw three books stacked on top of each other in a glass, enclosed chest. There also was a smaller book on top of the three, with symbols of a whirlwind in the color of red and green. The three books were the Old Testament, New Testament and the Apocrypha. The yet smaller book represented the “message of the covenant”, the mysteries of God and the “everlasting gospel” works of the prophet given unto him by God as in Rev. 14 v6-7. This message of judgment and salvation he would correlate by the direct statements of the Bible and Apocrypha in 2 Peter 1 v20-21. The Prophet Webb was no fool and knew well that no man was authorized to change any scripture that God had sanctioned and brought forth by the hands of the ancient prophets: and certainly not the words or meanings of our Lord and Savior, Jesus Christ. Thus, he wrote and taught only that which he could prove by the word of God that was already sanctioned by the Holy Spirit unto the hands of the holy prophets and that spoken by Christ, our Lord.

History records that during the life and times of King James of England, there were constant religious anarchy, massive confusion and dissention among the people concerning the true meanings of the Hebrew Scriptures and the Hebrew God. The Catholic Church only added to the confusion by the development of their brand of religious ideology and doctrine. King James was moved to separate his kingdom from the influence of the pope and catholic doctrine, which only added to the confusion among the masses. The king was made to understand that God was not the author of confusion. This profound inspiration of King James we do hold to be that of the Wisdom of God – the true mother of heaven – for she rears and uses kings for her own purpose as stated in Prov. 8 v15 and Dan. 2 v21. It was God that inspired the king to gather the most scholarly layman in the kingdom; and while placing them under death threat to be truthful, they devised a unified, consensual, non-opinionated and unbiased scribing of the language in which the original Hebrew Scriptures were written, thereby converting their linguistic interpretations into the English language. This is the King James Version of the bible. It remains alone as the true word of God unsoiled by the hands of men; amen! We, HOZ, do hold that the sodomite sympathizers who attacked this effort of God to preserve his word, do so because they are not the sheep of the Lord and cannot hear his voice (St. John 10 v1-5).

The Devil's Work in the Hands of Men: Draconian Attack

In that those whom the dragon hath raised up as evil seed to attack the word of God by changing holy scriptures that condemned the abomination of sodomy did not choose to identify themselves and stand up for their beliefs, but cowardly left their identification to be known only as "**the editors**", we, HOZ, have chosen to address them as "**sodomite sympathizers**". We have chosen to use that term throughout our writing in defense of the Holy Bible, which is the word of GOD: the King James Version.

Beware of the Bread (of Outer Darkness)

Continued – Page 5

In their document called, "the **Editors' Notes**" that is used by these "**sodomite sympathizers**" to explain their logic and rationale for attempting to rewrite the Bible because it condemned the sodomite lifestyle – better known by its contemporary name as the **gay rights movement** – they began:

1. **Point One** (on page one of their editors notes): **no bible is perfect**

HOZ will forever refute this damnable statement by the quotation found in 2 Timothy 3 v15-17: "*And that from a child thou hast known the Holy Scriptures, which are able to make thee wise unto salvation through faith which is in Christ Jesus. All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be PERFECT, thoroughly furnished unto all good works.*"

Note: The Bible makes it clear that not only is the Bible perfect, but also that man can become perfect through the power of faith, obedience and works. Please note the words of the Lord in his testimony on the mount found in Matt. 5 v48 quoting, "*Be ye therefore perfect, even as your father, which is in heaven is perfect.*"

Example 1: Job 1 v1 quotes, "*There was a man in land of Uz, whose name was Job; and that man was perfect and upright, and one that feared God, and eschewed evil*".

Example 2: Luke 1 v5-6 (please read) notes that **Zacharias was also**.

Therefore, HOZ do hold that both these men were made perfect through the power of the word of God...that same word of God that the "**sodomite sympathizers**" have pronounced as imperfect. We hope you can see clearly the blindness of the editing sodomite sympathizers whom the kingdom of darkness has brought forth to try and change the word of God to the benefit of evil. They are blind leaders of the blind and they have already fallen in the ditch (Matt. 15 v14).

2. **Point Two** (on page one of their editors notes): **We chose the 1769 form of the King James Bible for our revision for the following reasons: The obvious gay link to King James was known as "Queen" James because of his many gay lovers.**

Note: However, HOZ would like to refute the point of King James' lifestyle being a significant factor in the validity or sanctity of the Bible.

Example 1: We note how God raised up Pharaoh for the very purpose of God to show forth the power of his might in judgment and it had nothing to do with Pharaoh himself or his power of decision to resist God's authority, but it was simply the will of God to use him for his own divine purpose. We also note that Moses being raised up in the house of pharaoh was the first in line to be king and had God allowed that to be so, he could have easily delivered Israel from bondage by decree of King Moses, without resistance. Yet instead, God removed Moses from the house of pharaoh, allowing Ramses to become King that he (God) might show forth his power and might in judgment. Thus, it was God himself who hardened the heart of Pharaoh Ramses that caused him to refute Moses' directives from the Lord (Rom. 9 v18-22). Here the word makes it clear that some are made unto honor and some unto dishonor.

Example 2: Also we request that you please note how the spirit of King Sihon of Heshbon was made obstinate for the purpose of God (Deut. 2 v30-36). Here we see that it was God's will to destroy the king and his people and turn the land over to Israel. Also the scriptures detail how God hardened his heart that he might destroy him for the purpose of God.

Beware of the Bread (of Outer Darkness)

Continued – Page 6

We note that these examples show that God uses the office of a king, their people, their land, and their possessions to his own purpose. It had nothing to do with the individual himself, for he is just a flesh and blood man setup for the purpose of God as stated in Romans 9 v21. Thus, we hold forever that the Wisdom of God doth cause these events and not man as stated in Prov. 8 v15. By this bible-backed truth we totally reject the notion that King James' sexual preference played any role whatsoever in the historical prevalence of the bible referred to as the King James Bible, but rather only that the **power of his office** was used to preserve the truth of the Hebrew God's will. Amen!

3. Point Three (on page one of their editors notes): **The "Sodomite Sympathizers" went on to refer to the Bible as being simply "the word of God translated by man".**

This is also mistruth, for the Bible is not the **translation** of the word of God by men, but rather the **scribing** of the word of God by men as they were moved – not under their own power, but that of the Holy Ghost in every word brought forth.

Example 1: 2 Peter states, *"Know this first that no prophecy of the scripture is of any private interpretation."*

Here the Bible itself makes clear that none chosen by God – **to scribe** – had any power or sanctioning from God to privately interject their own opinions or assumptions into that which was being dictated to them by the Holy Spirit. (Note: Again, God rose up Pharaoh for the very purpose of God to show forth the power of his might in judgment, having nothing to do with Pharaoh himself or his power of decision to resist God's will.)

- A. Webster on the word "interpret" means to set forth the meaning of; to explain.
- B. Webster on the word "to scribe" means to mark on score with a pointed instrument.

Example 2: The great prophet Daniel did not lean on his own understanding neither attempted he to interpret the word of God of his own, but was blessed of God and given the interpretation of God to understand by way of divine tutor (Dan. 2 v27-28 and 47; Dan. 9 v22-23).

Example 3: Once again we note there is a big difference between scribing and interpreting. Paul the apostle noted the difference in his writings when he shared his opinion concerning marriage stated in 1Cor. 7 v6 quoting, *"But I speak this by permission and not of commandment."* Paul was careful to note the difference here between his *opinion* and that which he was *commanded* to write by the Holy Spirit.

Thus, we note that the “**sodomite sympathizers**” were not only confused, but misdirected by the devil when they were led to create new meanings to the Holy Scriptures. This evil act will not go unpunished as noted and found in Rev. 22 v18-19.

4. Point One (on page two of their editors notes): **The “Sodomite Sympathizers” went on by making this statement: Revelations says not to “edit the book”, and people often extend that to mean the entire Bible, not just the book of Revelation**
5. Also, Point Four (on page two of their editors notes): **The “Sodomite Sympathizers” stated that: We edited the Bible to prevent homophobic interpretations. We made changes to eight verses. Our edits are as follows...: (*Website: www.thequeenjamesbible.com).**

(Note: **We are not encouraging** anyone to go to this website to read this darkness, but rather we are merely documenting where it was obtained.)

Beware of the Bread (of Outer Darkness)
Continued – Page 7

However, dear reader, in our vehement defending of our Lord’s words, we will simply do so by stating that we (HOZ) have chosen not to address each point of blasphemy committed by these seeds of the serpent. One such point addressed was their asinine rational regarding their understanding of the Temple of Moloch found in their Queen James Version, which is in direct contradiction to the **King James Version**. First, we must stop to read exactly what God commanded by beginning with the words “*none of you shall*” or “*thou shalt not*” found in Leviticus 18th chapter, starting with the sixth verse. Upon finishing our reading, however, we can see with these texts of scriptures that this behavior is no way **acceptable** to God.

Therefore, we contend that they themselves have acknowledged their challenge of God’s warning by this bold statement; therefore, we (HOZ) do acknowledge that only the seed of the serpent would challenge the word of God with such boldness...**NOT FEARING HIS WRATH OR HIS VENGEANCE!** HOZ further acknowledges our Lord’s statement found in Matt. 15 v14 quoting, “*Let them alone: they be blind leaders of the blind. And if the blind lead the blind both shall fall into the ditch.*”

In conclusion, HOZ extend to you this statement, “The sodomite sea is open, let your voice be heard, gather your offspring (Gen. 3 v15; Rev. 17 v17).”

All praises, glory, honor, might, worship and strength be to the full throne of God, and a special salutation to the Wisdom of God: Amen!
