“Oh heavenly God of our hearts, unto whom we do give all the glory and praise, Oh Lord because thou have called us to work in thy vineyard in thy ‘true penny program’; to labor not only for our own souls, but for all the souls of God’s children whom he shall harvest for his kingdom in this hour, we say that it is the end of the everlasting gospel: it is finished. Amen!

Closing the Bible (and the Falling Away)

Dear HOZ (and all that stand with us in this hour of judgment),

We begin this word with an excerpt and a vision of James T. Webb, prophet of the Most High God. The excerpt was taken from the letter of the Prophet Webb entitled, *Doctor Michael* written May 6, 1978 found on page two, paragraph two called, *Closing of the Bible*. It states as following (line five):

“I heard the angel announce the finishing of the everlasting gospel with words of song of a multitude saying, “I have gotten over at last.” I then...by vision...visited a church filled with angels. I saw the three angels whom were dressing in a room of the church. As I came to the pew, I left my bible on a bench in the vestibule as I went to the restroom, and when I came back, the bible, the bench and all was gone. The place was plastered in and on the floor the angel stood making an announcement.

I had many visions thereafter in which I saw my bible closing and I couldn’t even get one as we watched the religious world and noticed reports from the papers of the drying up of interest; preachers complaining that they could not communicate or make any contact with the church people,

for many thousands were leaving the church. The churches have become a hotbed of confusion and the debating of issues is rising up on doctrine as reported through the newspapers." The End of the Everlasting Gospel

Continued – Page 2

We notice from this vision that from the prophet's words he saw his own bible disappear. We do hold that the prophet's bible's disappearance was in reference to the end of the everlasting Gospel given unto the prophet in the early 1950's (Rev. 14 v6-7). Furthermore, the Prophet Webb used text from the original King James Version of the bible, which was massively produced and freely distributed by **The Gideon's International Distribution Company** for his writings of the "Message of the covenant" / "Everlasting Gospel (Rev. 14 v6-7).

[Note: The Gideon's Distribution Global Enterprise was founded in 1899 and has to date distributed over a billion bibles in over 196 different countries and in over 93 different languages, with an estimated distribution to range over two billion by 2015. The Gideon's were moved to refrain from referencing and adding historical data or placing opinionated dialogue in their free distribution of the bible, which is why the Prophet Webb chose to use their bible for his writings. The Gideon's distributed over 86 million bibles in 2012 alone, more than 1.8 billion distributed since 1908. With this history well understood, let us examine how the dragon has taken over this distribution campaign of the bible and have influenced the Gideon's company to change its founding philosophy and is now using the power and influence gained through this free bible distribution to deceive the whole world.]

The Word of God Attacked

We start by examining how the word of God does not change, at any time, for anyone: ever!! Already we note that Christ came to us in the volume of a book (Psalm 40 v7) and that every word of the scripture is given by inspiration of the spirit alone and cannot be changed (II Peter 1 v20-21 and Rev 22 v18-19). Let us read the 19th verse of this scripture and notice the words stating, "And if any man shall take away from the words of the book of this prophecy..." – words which God gave unto his prophets by way of his holy spirit – is a damnable offense and shall not be **forgotten** or **forgiven** by God Almighty!

We do hold that men influenced by the passage of time were moved by the dragon to challenge the validity of the previous scriptures. We must all understand and accept that "**time**" is an invention of God, created for the purpose of God, and has no influence over the will of God whatsoever, but is the servant of the will of God (Eccl. 3 v1-8; Gen. 1 v5 and 14-15). At this point in judgment, a small allotment of time has been given to the dragon to ready himself for the judgment (Rev. 12 v12; Rev. 17 v17). Here we ask, "What has the dragon done with that small allotment of time?" **Answer:** He has attacked the word of God that was delivered unto the saints as was foretold to the Prophet Webb by vision.

Let us now examine the changes that has occurred by review a few examples of various scriptures from **then** (which Bro. Webb used for his writings) and **now**:

Example A – Rev. 12 v17:

KJV: *"And the dragon was wroth with the woman and went to make war with the remnant of her seed which keep the commandments of God and have the testimony of Jesus:"*

Gideon's now: *"And the dragon was enraged with the woman, and he went to make war with the rest of her offspring, who keep the commandments of god and have the testimony of Jesus Christ:"* Continued

Example B – Gen. 1 v2:

KJV: *"And the earth was without form, and void; and darkness was upon the face of the deep, and the spirit of God moved upon the face of the water:"*

Gideon's now: *"And the earth was without form, and void; and darkness was upon the face of the deep. And the spirit of God was hovering upon the face of the waters."*

Example C – 2 Thess. 2 v8 and 9 (Line 1):

KJV: v8 *"And then shall that wicked be revealed:"*

v9 *"Even him whose coming is after the working of Satan with all power and signs and lying wonders."*

Gideon's now: v8 *"And then shall the lawless be revealed:"*

v9 *"The coming of the lawless one is according to the working of Satan with all power, signs and lying wonders."*

Example D – Rev. 5 v7:

KJV: *"And he came and took the book out of the right hand of him that sat upon the throne."*

Gideon's now: *"Then he came and took the scroll out of the right hand of him who sat on the throne."*

[Note: Webster on the word 'scroll' means "a roll of parchment paper usually with writing on it. Webster on the word 'book' means "a printed work on sheets of paper bound between protective covers / a main division of literary work / a record of account."

We can see clearly that from the different meanings/definitions given of these words, how the interpretation of God's words can be greatly thrown off and confusion occurs when changed by man, leaving one without the direction of the Holy Spirit to give him its true meaning.]

Dear reader we could go on and on with this, but I believe we have made the point. The word of God has been attacked and changed. Brother Webb's bible **is no more!!**

We continue on by the Prophet Webb's continuance in his letter entitled, *Doctor Michael* under the next heading called, "Trouble and Sickness of the Church". It states:

"The leaders of the synagogue acknowledge through the newspapers the trouble and sickness of their churches. The drying up of the spirit sends many from the churches and many wailing, saying (and I quote): 'some from counter communities, inelegant,

(DWL#25)

confused, self flanging, self-righteous, self-indulgent; but hungry, oh so hungry for a taste of the bread of authentic Jewish existence'."

Let us compare this word in the previous statement given to the Prophet Webb in the year **1978** letter entitled, *Doctor Michael* to that given unto him in the March, 1985 letter to the church entitled, *The Negative Power of Lies over the Church.*

Continued

In paragraph two it states:

"I saw the power of lies leaping up from beneath as a two-horned goat, ring streaked with hair of a mule, and he bowed himself. At this point you are looking at Rev. 13 v11. He shall join forces with the seventh head of the dragon, and by their policies they shall cast the truth to the ground by making direct attack upon the word of God to turn the truth into lying fables by changing the Bible!!!"

HOZ, and all those that stand with HOZ in this judgment hour, I hope it is clear to you that the spirit of God began to dry up in the churches of the world even before the death of the Prophet Webb. As previously mentioned in the vision of paragraph two of his letter entitled, *Dr. Michael*, the prophet made note of this by his statement in line two of the third paragraph entitled, *Trouble and Sickness of the Church* stating, **"The drying up of the spirit sends many from the churches..."**. Again we examine his 1985 letter entitled, *The Negative Power of the Two-Horned Beast*, line four quoting, **"They shall cast the truth to the ground by making direct attack upon the word of God to turn the truth into lying fables by changing the Bible!!!!"**

Why Change the Bible?

We believe the answers to this question are:

- A. The testament of all things prophesied in the Everlasting Gospel is in force unto completion due to the death of the Testator, James T. Webb, surnamed of God, Zerubbabel (Heb. 9 v16).
- B. The Kingdom belongs to the beast (Rev. 17 v17).
- C. They know that they have only a short time left on this side of the dark day (Rev 12 v12)
- D. We believe the policies for the Man of Sin of the "Antichrist-church of Outer Darkness" – by which he shall attack the church of God – may be now currently in development as noted in Dan. 7 v25 and Dan. 8 v23-25.

The bible is the story of Christ in all its glory and splendor. To attack it is to attack Christ, the Lord and Lamb of God and the message of salvation, which he delivered unto the entire world (Psalm 40 v7-10). Let us pay close attention to Psalm 40 v7 that quotes, **"Then said I lo, I come: in the volume of a book it is written of me."**

[**Note:** The American college dictionary on the term "volume" means: **A collection of printed sheets bound together constituting a book.**]

Hopefully, all can see that the entire bible is about Christ. As in the beginning, it was Enoch's profound knowledge of Christ which determined his fate by creating a level of righteousness and faith acceptable to God, precipitating a deliverance from this life. Though he was the seventh person from Adam and born before the great flood, still he experienced a rebirth of knowledge concerning the coming of Christ, which opened the door for his deliverance from a mandatory sentence of death (Jude 14th verse; Gen. 5 v22-24; Heb. 11 v5).

We do hold and believe that this same door is scheduled to open again soon as seen in Dan. 12 v1. Yet, the dragon seeks to confuse us and derail our understanding, throwing us off course that we might be found unworthy by doctrine to walk through that open door. He knows full well that after the deliverance hour has come and gone, those of us whom are saints...but remain after the deliverance hour...shall be attacked by evil policy from the dragon's new religious system known to us as "Mystery Babylon" (Rev. 17 v1-6; Rev. 17 v9-11).

Continued

We further hold that this system shall come from a new book – an evil satanic policy manual, which will be the principal instrument used for the setting up of "Mystery Babylon". This manual shall be enforced by a wave of persecution such as this world has never seen; for this persecution shall be directed by the Antichrist, the son of the devil (Rev. 16 v13-15; Rev. 17 v8; II Thess. 2 v3-8). Nevertheless, let us notice line four of verse three in II Thess. of chapter 2, stating: *"And that man of sin be revealed, the son of perdition"...*

This statement promotes a question which is:

Question: How shall he be revealed?

Answer: By the watchmen that were raised up by God to give testimony of this hour! (Isaiah 21 v6; Ezek. 3 v17; Isaiah 62 v6)

We do hold that these self same watchmen were groomed by the Wisdom of God under the tutorage of James T. Webb, surnamed of God Zerubbabel (Zech. 4 v6). These selfsame watchmen became "HOZ", the hands of Zerubbabel, after the death of Zerubbabel for the purpose of making known the testament of the everlasting gospel that contained the will of God (Zech. 4 v9). The spiritual knowledge of Zerubbabel was transferred unto them for the judgment hour. The long awaited predestinated battle of Good versus evil shall begin here between these two groups as noted in Gen. 3 v15 and Rev. 12 v17.

Evil's Policy Manuel

American College Dictionary on the term "policy" means:

1. A definite course of action adopted as expedient or from other considerations:
2. A course or line of action adopted or pursued by a government or ruler:
3. A document embodying a contract of insurance:

We do hold that evil doctrine shall be spread across the earth by the creation of a policy manual, a book of evil that will support all evil acts of sin and false worship, and by which they shall deceive the world. It shall be a policy manual filled with the "bread of outer darkness" from front to back. This is why the bible must go and go now!!! It cannot coexist with this new policy manual of evil. The thing to remember is that it is the will of God to allow the setup of all this for the great day of God Almighty (Rev. 17 v17).

Let all praises, honor and glory go to the full throne of God, with a special salutation to our Heavenly Mother, The Architect of our Salvation, the Wisdom of God!
