

TOPIC: THE CHURCH OF OUTER DARKNESS: TRUTH OR MYTH?

- Prov 8 v7-9:
- (v7) *“For my mouth shall speak truth: and wickedness is an abomination to my lips.”*
- (v8) *“All the words of my mouth are in righteousness: there is nothing forward or perverse in them.”*
- (v9) *“They are all plain to him that understandeth, and right to them that find knowledge.”*

### OH MOTHER GOD, WE SEEK THY TRUTH

Oh Mother God, let thy truth reign among us, and let them be ashamed which deceive thy people and hide thy truth.  
Let thy children know that thou do love them with an eternal love, and let them feel that love in eternal truth .  
Remove from us mother God, the fear and uncertainty placed upon our minds by the dragon’s lies against thy truth.  
Return thy children unto thee with fervent haste that we may know thy love and thy tender warm embrace in truth.

Dear friend and reader:

The Wisdom of God shall by these words reach out to all the saints of God and bid them home. She, your Mother God, shall no more tolerate the lies, deception and misinterpretation of truth that has caused her children misplaced fear. We, the hands of Zerubbabel of James T Webb, have been sanctioned by the full throne of God and guided by the voice of the almighty Mother God to display love and devotion to the children of God in all fear, mercy and honor. Amen! Thus, through and by the power of Mother Wisdom’s spirit, we are led to address the following questions in truth and righteousness. Amen!

  - B. Sit with others and discuss church and/or bible-related topics?

### ANSWERS – REFERENCING QUESTIONS #1 AND #4:

Dear reader, the seven points above are those that the spirit of God delivered unto the Hands of Zerubbabel for the edification of the church. Therefore, the Wisdom of God will lead us into all truths on these matters. First, Mother Wisdom directs us to define the term church. [Webster on 'church': **A) worship B) A group of worshipers.**] Now with that definition the Wisdom of God directs us to Rev 13 v8, quoting, ***“And all that dwell upon the earth shall worship him, whose names are not written in the book of life of the lamb slain from the foundation of the world.”*** Here is the real church of outer darkness. These people were born hybrids, the seed of the serpent as seen in Matt 13 v38 quoting, ***“The field is the world, the good seed are the children of the kingdom; but the tares are the children of the wicked one.”***

Now let us examine the text that Bro. Webb declared and prophesied unto us that this text covered the story of his work with the formation of the church. We note that Matt 22 v2 and 3 covers how the king did send the word first to the world, but they were unworthy. James T. Webb was first sent to the Seven-day Adventist church and the Church of God and Saints of Christ **first** with the message of the covenant that God delivered unto him (Rev 1 v1 and Rev 14 v6-7). These were the last two Sabbath-keeping churches that God had ordained. This was in 1954. At this time he had no knowledge of Issachar, the Tabernacle of David, as a church. [Note: **The name Issachar was given to the church by God. It derived from one of the 12 sons of Jacob, which make up the 12 tribes of Israel. The tribe of Issachar was well noted by God for its warring ability and its ability to endure pain and trouble as seen in Gen 49 v14.**]

We continue on with a vision of the Prophet Webb:

### Vision

Me and my brother was in a room and I looked and saw a tall man coming. I knew he was coming after me, so I went out of the house and crawled under the house to hide from this man. But the man came directly to my hiding place and shined a light on me. I said this to him, "I am the only wage earner in a family of ten; I cannot preach the gospel." And he said, "We'll take good care of your family." At this word I began to float out from under the house. He sent me through the air to a group of people whom were waiting for me in the road. I greeted them with this word, "I have a message for you." While I preached, I saw a people of darkness come from among them. I saw later these were devils, which had left them and come after me. Now at the finish of my work I was seated on the dock bridge on the bank of a river. I was faced by this same group of demons, which left the people and came after me with raised, clinched fist. While I sat there, Christ walked through them having my composition book with him, and he with a brilliant smile on his face, sat beside me and placed my composition book on my knee. I wrote a statement in it. He arose and closed the book and took it with him. I saw in a later vision me walking over a bridge across the river.

Dear reader, please note that the prophet noted plainly in the vision that the people with raised clinched fist were **demons**, not people. In addition, the people mentioned on the road were the Seventh-day Adventist church and the Church of God and Saints of Christ. With this said, we notice the previous statement, we quickly turn to Bro. Webb's treatise entitled, *Signs of Deliverance*, ' fourth paragraph: "I saw two people whom stood as symbols of the two churches to whom I was sent." These were once righteous churches that kept the law and testimony until their leaderships became unrighteous. However, we hope you can see that this vision was distorted by the dragon's seed to cause the saints to fear and be obedient to the seed of the serpent who had assumed the leadership of the New Covenant Church.

Again, the prophet states plainly that the people that came after him were **actual devils, spiritual beings of the forces of darkness** that came after him to break his faith in the message that God had given him. Furthermore, these demons did follow him for the next 30 years, tormenting both him and his family. It was these self-same demons that prevented the Webb family from remaining with the church after the completion of the three and one-half years' grooming in 1976. The prophet explained his leaving the church on this wise. He told us that he had to leave us and take away a group of demons that he said would follow him out of the church when he left. He further stated that if he refused and stayed with the church, the demons – attached to him under the dog symbol – would breakup the church. With this information, I hope it is clear to you now, that the teachings that former members of the church would make up a hostile group and attack the church with outer darkness was...and is a lie!!

## **ANSWERS – REFERENCING QUESTIONS #2:**

Mother Wisdom here directs us to Webster on the term ‘characteristics’, which means: “*one’s pattern of behavior and personality.*”

We begin by examining an excerpt from the treatise of Bro. Webb called, *The Child of Hell and the Knowledge of Evil*. Under the sub-title of Outer Darkness from the Bottomless Pit, the prophet states: “The religious world and all earth are under the clouds of outer darkness. While they sleep, the sun of time is setting. The rays of hope are fading into eternal darkness. The wicked force is not a thing to come, but is here upon earth now. You are facing the two-horned beast and Mystery Babylon; not the seven-headed dragon and the devil and Satan, but a more powerful force. He, Abaddon, shall attempt to repute the ways of Christ by a speaking voice and lying deeds, for he has horns like a lamb. Fear him not, for he only has power against the wicked!” [Note: Who are the wicked? Answer: Those that refuse to **keep and teach against the law and testimony (Isaiah 8 v20).**]

Thus, dear reader the prophet did state that Abaddon would only have power against the wicked. With this we take you to Rev 12 v15. Here is the power of Abaddon over the wicked in the church, for they alone shall drink his flood waters. Then shall their true characteristics show forth, for they will go to war against the law and testimony as seen in Rev 12 v17. Therefore, whatever the word of God commands us to do; they...the true Church of Outer Darkness and seed of Abaddon...shall do and demand the opposite. Note the following examples:

### **Example A:**

1. God teaches honor your parents: period (Ex 20 v12).
2. Abaddon’s seed teaches that if your parents are no longer in the church you should cut them off and have no relationship with them.

### **Example B :**

1. God teaches love your children and spouses (Titus 2 v4).
2. Abaddon’s seed teaches that if your spouse or children have left the church, or have been disfellowed from the church, they must be discarded; have no dealings with them, cut them off from your home and your life, for they are evil and can only harm you and influence you to evil.

Be aware that this is the voice of Abaddon and is in direct defiance of the testimony seen in Matt 5 v7 and 5 v43-48. Please notice verse 44 quoting, “*But I say unto you love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you.*”

We ask:

1. How can one do “good” to their child if they won’t even open the door to let them in their home?
2. How does one show love to one if they are forbidden to speak to or interact with that person?

Know that these directives are from a hell-bound spirit and can only lead one to judge unfairly. Matt 7 v1 states, “*Judge not that ye be not judged.*”

It is my hope, dear reader, that you can see that these policies and teachings are of the dragon and portray the characteristics of Abaddon and the two-horned beast of Rev 13v11. So if one teaches and adheres to these policies, they are not Christ-like, but **antichrist** (Mat 7 v15-16). In verse 16, we see that it states, “***Ye shall know them by their fruits.***”

Again, we hear from Bro. Webb on this subject of the characteristics of the seed of Abaddon as we read from his treatise called, *The Church at this Hour (12/16/78)* under the sub-title: Great Danger in the Churches. It reads, “How shall we detect the operation of a fowl spirit in a church or in a man; by the spirit of sorcery (Acts 8 v9).” Now compare this with Galatians 3 v1. The prophet continues, “He does so by doctrine, which the conscience is burned by false doctrine of devils as in 1 Tim 4 v1-2.” Here it is clear that by the power of “lies” and “false doctrine” **opposing** the commandments **and** testimony, this is the **ID card** to the membership into the Church of Outer Darkness!

Let us examine a Vision of the Prophet Webb (12/17/79) from the treatise entitled, *The Great Power of Wrath*. He states:

“I saw Siamese dragons leave over to the west. I walked through the works of the dragon, which was like a steel mill where they melt and pour melted steel into molds. The pit floor was very dangerous with deep holes and gorges all over. Molds were over the ground from wrecks and heavy equipment overhead. It was here where they molded out the character and wrath of the dragon. I was carrying a dragon baby in my arms, which I gave back to a dragon woman on the floor. Her dress color was red mingled with black. She was of a downcast look.”

Dear reader, please pay close attention to the fact that the Prophet Webb was carrying a dragon baby. This shows us two things:

1. That Bro Webb did not concern himself with the nature of the child; to him it was only a child, and he (by the power of the testimony within him) would carry and nurture the child until God told him otherwise.
2. When you are carrying a person, you are giving them your full support. This he did until God rejected the baby; then it had to be returned to its mother as this vision stated plainly.

[**Note:** The Prophet Webb also told us of another vision where he carried this same, small child to the house of the Wisdom of God. After greeting his heavenly mother with a kiss to her cheek, she, the Wisdom of God, snatched that baby out of the Prophet Webb’s arms and through it on some dried wood over in a corner of the floor where it died. This child was a **hybrid**, an evil spirit-child that the dragon attempted to attach to the Prophet.]

### **ANSWERS – REFERENCING QUESTIONS #3:**

The Almighty Wisdom of God would have all to be clear on this fact: James T. Webb did not leave the church in the hand of one man. He left the church in the hands of an anointed eldership that had vowed to protect and defend the church against any, and all evil attacks of the dragon kingdom. It is through the power of “sorcery” and “bewitchment”, coupled with lies of blasphemous false doctrine, as well as the lust for autonomous power over the saints of God that the church has been put under the temporary spell of one man (Acts 8 v9-11; Galatians 3 v1). In addition, be it known that God only allowed these things in order to give fulfillment to his word as in Rev 12 v14- 17, Rev 2 v10 and Rev 17 v17. Further, be it known that all tears and sadness caused by the dragon to the saints will be repaid in full by the wrath of the full throne of God; and that wrath and judgment has come (Ezek 9 v1-6)!

### **ANSWERS – REFERENCING QUESTIONS #5 and #6:**

The Wisdom of God leads us to understand (as best we can) these very painful, but extremely important questions. First we state that the seed of the dragon has been manipulated into the leadership of the church. These are the **bad** of Matt 22 v 9-10 that followed the **good** (who are saints of God) into the gathering of the church during the early 1970's (Zephaniah 2 v1-3). By display of false meekness, false love and false righteousness, the dragon manipulated them into the leadership of the church. After the Prophet Webb's time came to leave the church, the dragon released flood waters to spiritually kill the church as noted in Rev 12 v14. These waters were brought to the church by evil spirits in the form of birds (Isaiah 34 v11 and Rev 18 v2). Mother Wisdom came to our rescue and diverted these waters to the seed of Abaddon (already in the church) and they did drink and become spiritually – and forever infected – with the lust of evil, power, domination and autonomy over the inheritance of the saints of God (Rev 12 v16). **[Note: These tares and wicked ones are under the symbol of earth.]** It was them that were made drunk by evil and they began to change the doctrine of the church. Mother Wisdom then sent Bro. Webb to come back, and by the spirit of Wisdom, chased the birds out of the church. **[Note: This period of time was called, THE ATTACK OF THE RAVEN!]**

However, Bro Webb never sought to know the spiritual condition of any man or woman. Thus, by demonstration of false repentance, those responsible for allowing this to happen remained in leadership position, while vowing to never, ever be a part of any such thing again. Yet, as soon as the Prophet Webb died, the dragon entered the hearts of his seed and activated the evil spirits they obtained from the flood waters. Lust for power, domination, and autonomy over the lives of the saints began to surface. Blasphemous lies of divination were fed to the church to make themselves appear to be special in the eyes of them which feared God as in seen Ezek 13 v9-10. Sorceries and blasphemous lies were used, such as that used in explaining the death of Bro. Webb and Whitney Scott. Both false explanations were devised to make the speaker appear to have a special relationship with God. This harnessed the fear which the saints had of God, unto that speaker, as he promoted himself to be something he is not!! This is why the parents of the church who truly fear God are afraid to oppose him. They fear that they might draw the wrath of God upon themselves. Yet let the saints fear not, for the day draws near when the tares shall be removed by the angels as in Matt 13 v24-30. Then shall Mother Wisdom dress her children in the color of blue and give them the sweet peace of Jesus Christ. Amen!

**ANSWERS – REFERENCING QUESTIONS #7A and #7B:**

This ordinance and policy of the church is in direct defiance to the testimonies of Jesus Christ. It is a violation of all that Christ, our God, taught his followers as in Matt 9 v10-12. Here is the testimony of Jesus put on display by the lord himself. Any man or woman that teaches against this example will find him or herself lacking in the judgment of God. No twisting of scripture is allowed here. Now of a truth the bible says in 2 Corinthians 6 v14, ***“Be ye not unequally yoked with unbelievers, for what fellowship has righteousness with ungodliness, and what communion hath light with darkness.”***

We examine Webster on the word ‘unequally’, which means ***“not balanced or the same size; not even.”*** So we see the word is saying not to allow sinners – whom break God’s law – to become your teachers and examples, or to overpower you with their words of sin. However, if one refuses to speak or talk with them, then one loses the opportunity to convert them to righteousness that they might see the error of their ways. This is why Christ sat among them for **our** example as to show us how to deal with that issue. He who teaches against this example is an **antichrist** (Matt 5 v19-20; Matt 5 v46-48), for if we hide our light none shall benefit from our light as seen in Matt 5 v14-16. Therefore, we **can** and **must** talk and speak to any that will listen to us. We must turn no one away, even if they don’t believe our words because our Lord left us this example to follow; and let no man teach you otherwise.

As I write this letter, I have before me a letter signed by Bro. Webb and mailed out by the eldership, reminding former members of their anointment. Many letters of this type were sent out by the eldership at that time. The letter requests that the former members return and meet with the eldership to see if any issues they might have could be worked out. This was a plea from the church to the former members at that time; however, because Bro. Webb is gone and the testimonies have been discarded, the church no longer speaks to former members and forbids any acts of contact. Nevertheless, dear reader, I hope you can clearly see that the policy of the current church leadership is the ungodliness spoken of in Romans 11 v26. Thus, the true Church of Outer Darkness is the seed of the serpent, and the forces of evil. Furthermore, we see that Abaddon has planted them inside the Tabernacle of David church. This is why they must be removed as referenced in Ezek 9 v4-6. This is why it must be rebuilt ***“again”*** as stated in Acts 15 v16.

Note: The Wisdom of God has requested that we make sure that you remember and know this, the special prayer that she gave to Bro. Webb to speak to unto us. The prayer he received contained these words: ***“LORD THESE DAYS ARE SO DARK AND PERILOUS, AND IN THESE DARK AND PERILOUS DAYS, GUIDE THESE LITTLE ONES AROUND OUR KNEES.”*** This prayer was given unto the church by the Prophet Webb because he was told by God that our children would become the victim of a vicious attack by the dragon kingdom and driven from the church. Though we understood these things **not** at the time it was given, we do so now. On behalf of the full throne of God, we state that we love you all and pray for your safe return unto your God, wherein He shall adorn us all in the color of ***BLUE***, which signifies the sweet peace of Jesus under the “rain of righteousness”.

Blessed is he which is not offended in these sayings!
