Prayer of Supplication

Oh Lord, please continue to show us the way. Make us the instrument of thy word.
Increase our fear, our love and our devotion,
and let the wiles of the devil be no match for our zeal to serve the
Living God. Amen!

NOTE: The Prophet Webb saw two angels walking by with these words of warning in song, rough and heavy saying: “Share food both day and night!”

Dear HOZ (and those who stand them):

I hope you are with me in the understanding that the voice of God is causing much action in reference to executive judgment. (Please refer to our letter in our watchman series entitled, *My Sheep Shall Hear my Voice.*) God is no longer asking man to “*come to the terms of God*” as seen in Revelations 14 v6-7. Now God has sent his “**voice of action**” to the earth to bring about executive judgment and none but those on the books of deliverance shall escape (Joel 2 v30-32 and Dan 12 v1-2). Here is the truth to God’s judgment. Here is:

Wrath I: the activation of the three distress signals heard by the Prophet Webb during his proclamation and administration of the everlasting gospel – commencing with the elements of nature being used by God as a weapon against the earth.

Wrath II: is that of man and he is furious; the nations are angry as seen in Rev 11 v17-18 and their anger is due to economic chaos, differences in both religion and political affiliations. Greed to overcome and run the world seems to be the mind-set of the world leaders on all corners of the globe. Here the wrath of man is well noted to be at its highest peak. Even nuclear war threats have begun due to the finishing of the sealing of the saints (Rev 7 v1-4). Tension and hatred is high among nations due to continuous iniquity and the billions of dollars being stolen from the poor, with no viable excuses as to where the money went (James 5th chapter).

Wrath III: is the wrath of the dragon. The two-horned beast is now controlling the government officials through their lust for money and power (Rev 13 v11). The churches will allow and accept any word of philosophy as long as their money donations are not interrupted. Our corrupt officials care only for votes to maintain power, and that the personal interest of their constituents might be maintained. [Note: Please refer to our *Heralding News* (letter #1v entitled, *As We Bare Witness*.) The horns of power over the earth have been granted to the beast to begin their “**campaign of deceit**” under the Seventh Death King, the Frog as shown in Rev. 16 v13 and Hab. 3 v4. [Note: Please see our Day of the Watchmen series letter #1 entitled, *The Activation of the Frog Spirit*.] Here is a campaign that will begin in persecution and end in murder as noted in Rev 6 v9-11. Here is the totality of the wrath of the dragon (Wrath III).

[Note: I hope all HOZ and those whom stand with HOZ can clearly see this three-point wrath prophesied to come upon the earth by James T. Webb: the wrath of God, the wrath of the dragon and the wrath of man. We review this point with unction of the Prophet Webb taken from his letter to the church entitled, *Woe unto the Human Family*. The unction was, “**I heard the voice of the destroying angel as he walked by saying, Distress! Distress! Distress! Each word was in a higher tone than the first. Thus, the world will be hit by a three-point distress and one shall be greater than the first and the last shall be greatest of all.**”]

The First Distress Re-Visited

As we already have learned from other works of the Prophet Webb, the first distress has to do with a bizarre weather condition that will come upon all earth: massive floods, earthquakes, droughts throughout the land, record setting storms (Isaiah 29 v6). Please note that the prophecy of Zerubbabel foretold of massive fires destroying thousands of miles of land all over the world. This we see every day on the news in many states across the nation, for the Lord did say unto Zerubbabel that the judgment of God would begin here in the United States. With this, we see that on 7/19/12, it was reported on CNN News that seventy percent (70%) of the United States’ agricultural crops were damaged due to the massive record-breaking heat wave that hit the nation two weeks ago and is still occurring now. It is reported that well over half the country is under this horrible heat wave and even as I write this letter unto you, there appears to be no end in sight. Furthermore, the month of August has not even arrived yet! We know that it is known to be the hottest month of the year. So, let us brace for that which is to come, for the Lord did state to Zerubbabel that each season would be severe.

The Second Distress Re-Visited

The second distress mentioned in the prophecy of Zerubbabel has to do with the world economy. We were told in the 1970’s that God declared unto the prophet that he would destroy the world’s economy as punishment for the greed and unfair practices forced upon the poor by the rich. Shortly thereafter, I was called upon by the prophet to make this known to the church. [Note: Please see our Wisdom’s Letter and *Heralding News*(Letter) entitled, *The Great Economic Snare, Part I* (written in the early 1980’s) and *Part II* (written during the administration of the Message of Elijah in 2012).]

At this point, let us examine the vision of the Prophet Webb on this matter: The prophet stated that he saw an angel walking down a stairway representing the economy. The angel was then told by God to “**pause**” or “**stop**” midway. All steps behind him disappeared, leaving no way to turn around. The angel’s pause remained until God ordered him to continue, and as he continued his descent down the economic stairway, again, all stairs behind him disappeared. In view of this vision by the Prophet Webb, I hope that all HOZ is with me on this matter because not one word here shall fail and the process has already begun!!! In fact, even as I write this letter unto you, all over the world men and women are camped out in front of government and industry giants protesting unfair business practices of the world banks and large industries that unfairly distribute wages and profit sharing. Even withholding wages that have been earned by the poor (James 5 v1-4), because of this sinful and selfish act of the rich worldwide, God has removed from the earth his blessing of the “spirit of deal” (Rev 6 v5-6). Only by the “spirit of deal” can man even hope to balance the world’s economy.

[**Note:** This “spirit of deal” shall never return to the earth!!! Let HOZ and all whom stand with HOZ know and understand that the visitation of the Lord has begun and who shall be able to stand (Apocrypha: Eccl. 16 v18; II Esdras 6 v17-18; II Esdras 9 v1-5).]

Already the national news stations are reporting that the agriculture of the United States is being destroyed by massive and destructive weather conditions. This fact, coupled with the inflaming of the Middle East by war and threats of war, is currently affecting all investment strategies on earth, which further damage the world’s economy. Among the rich, there is a silent **panic** leading them to try and save their investments and profits at any cost. Again, this mindset is further demanding of them to hold and cheat the poor out of their earnings/wages and bonuses promised from company profits. This evil and selfish act of the rich shall further inflame the wrath of God!!! God’s wrath in the first distress...with his destruction of the United States’ agriculture...has greatly affected “supply and demand” of all prices of food and needful services, and shall cause all prices to elevate out of the range of common sense. This also fulfills the prophecy of Zerubbabel, for through him the Lord did forewarn us saying, “**The prosperity of the United States shall fail!!!**”

Review of the visions of the Prophet Webb taken from his letter entitled *Trouble from Nature, Trouble of the Economic World and Trouble of the Religious World*:

- **Vision I:** Christ speaking saying, “**There shall be a panic, and times shall be furious and hard.**”
- **Vision II:** I saw two angels walking and they spoke by words in song rough and heavy saying, “**Don’t throw away food, but share it night and day.**”
- **Vision III:** I saw a mule, which is a beast of burden, with a heavy pack on its back. It was climbing up a mountain of iron net work under his feet. I saw no end!!!
- **Vision IV:** I saw two angels take up a container filled with liquid darkness and poured it upon the earth, which moved upon the ground like break water. It climbed the hills. It went through valleys all alike. I saw people come out of the mills with their lunch bags in their hands. I further saw the economic world as a plowed field by two great brown mules, which walked as they will, for they were out of control. Christ, our God, came walking through the field and commanded an angel to go to the industries. I saw that the economic world will be knocked off its foundation, for this the Lord pointed out and I heard the angel from the mills say, “**He was in business.**”

There were other visions on this trouble that we won't quote at this time. Seeing that it is clear enough, we see that good times, jobs, a world of plenty, good economic is not left in the hands of man, for all that is good comes from God. God has commanded his angels to wreck the economic world, for they shall turn the elements of nature into a weapon against the earth!!! This is the second distress. Both man and beast shall suffer for the want of food and water (Rev 6 v8). This is not a time of **peace and plenty**, but the **hour of judgment** as seen in the vision of the Prophet Webb.

The Third Distress Re-Visited: The Beginning of the End

Please know that at this time God wants all HOZ and those whom stand with HOZ to be united in love and faith, for love cancels out fear. Mother Wisdom has made one thing super clear unto me, which is that we must be a tight-knit group as we enter into the activation of the third distress that we now face. Many shall die in this hour, including the leadership of the Tabernacle of David from which we all emerged (Ezek 9 v6). Yet, our God has already turned up the burner for us and by this act shall strengthen our focus that we are not disturbed by that which shall be happening all around us. God shall give unto us a “single eye” on the will of God alone, for at this time, God shall not only free us from our burden, but shall also activate among us the servant of his choice. He shall transfer from me to him the administration of the Message of Elijah that emerged from, and is the finality of, the Message of the Covenant given unto Zerrubabel by God (Rev 1 v1 and Rev 14 v6-7).

Know and understand that he – the servant of God's choice – shall at that point go into activation (Rev 18 v1-4). He shall then commence operations under the influence of the four spirits of the heavens (Zech 6 v1-7). Being already blessed with the knowledge of the nations, he shall be given the reins of these great spirit powers of God and shall by them, lead Mother Wisdom's children unto salvation against the beast empire (Matt 16 v18, Matt 4 v13-17 and Rev 6 v9-11). As with the Prophet Webb before him, God shall highly raise the level of righteousness, dedication and insight in his family; by the multi-talented skills that God has already placed in them (his family), they shall assist their father in the initial stages of his work: to bring the world of loss saints to the salvation of GOD!!!!

Visions of the Prophet Webb

Dear HOZ, on this above point, we do well to review two visions of the Prophet Webb:

- **Vision I:** In his vision of the tall man that delivered unto him the everlasting gospel to preach, Bro. Webb first acknowledged the presence of his brother, Samuel, in the room of his house with him, as the tall man came up the road to deliver his work unto him.
- **Vision II:** Brother Webb received a vision of God that his brother, Samuel, would prophecy after him. He then by permission asked of God, “You mean Samuel?!” God's answer was, “No other.”

[**Note:** In that Samuel Webb died before Bro. Webb, the Wisdom of God did make clear that Samuel had concluded his work at the time of his death. Furthermore, that Samuel's work was in two parts. The second half of this work was to come **after** the work of his brother, Zerubbabel's, work, which was the finishing and rebuilding of the house of Israel (Acts 15 v16; Zech 4 v9). Now as we know, Zerubbabel's work would be done and completed by his hands (HOZ), i.e., people that were groomed and tutored by James T. Webb, but handpicked by the Wisdom of God herself. These facts were well understood by the Prophet Webb, but unknown to HOZ until the appointed hour.]

HOZ, the following vision of the Prophet Webb and the night dream received by me years later speak of the knowledge known to the Prophet Webb regarding both his and his brother's works that would be actually completed by others than themselves; thus, a two-part work is shown here. He shared this vision with me, revealing that I would indeed have a work to do in respect to the *Issachar Group*.

Vision of the Prophet Webb:

“I saw a house with a partition dividing two groups. I saw the Issachar Group in one room, sitting on the floor singing wonderfully with Terry with the leading and loudest voice; a voice not as he has now, but the sound of a clarinet. The song seems to tell of how they came from the hedges and highways to God.”

Night Dream of Bro. Terry (10/2/09):

“My son, Terrence, brought a horse home that he kept in a stable. It was a beautiful and powerful bay horse (Zech 6 v3 and Zech 6 v7). I mounted the horse and road it at top speed. Afterwards, I dismounted to rest. As I rubbed the horse's face gently, it clamped its teeth down on my hand and would not let go. I asked some neighbors for some sugar and fed the horse. It then let go of my hand and allowed me to remount and ride off.”

I now know that this horse was the symbol of the Wisdom of God and the “teeth clamping” symbolized the document letters that I had to write. On our website, Godssaints.org, these document letters told of the Issachar Group's experience of war with the dragon and of their group coming from the hedges and highways to God. Thus, I was to assist in the completion work of Bro. James T. Webb.

Eye Salve

However, at this appointed hour, the next servant of God's choice will have a much larger task before him from God. Because of this great task, God shall empower this servant with all **four** spirit powers of the heavens (also under the symbol of horses). God shall transfer unto him the “spirit of Peter” for this great work of his, which is the gathering and the administering of the “Message of Elijah” unto the **Last Church** of God (Matt 16 v18; Zech 6 v1; Rev 6 v9-11; II Thess. 3 v17). Thus, this servant shall be assisting in the completion work of Bro. Samuel Webb.

Also at this appointed hour, know that the horns of power over the earth have been granted to the beast to begin his “campaign of deceit” under the Seventh Death King: the Frog, as is seen in Rev 16 v13 and Hab. 3 v4. (**Note:** Please see our Watchmen series letter #1 entitled, *The Activation of the Frog Spirit*.) Again, this is a campaign that will begin in **persecution** and end in **murder** as revealed in revelation 6 v9-11. Here is the totality of the wrath of the dragon (Wrath III).

In conclusion, I hope all HOZ and those whom stand with HOZ can clearly see this three-point wrath prophesied to come upon the earth by James T. Webb: the wrath of God, the wrath of the dragon and the wrath of man.

Let us all stand and give all the glory our souls can muster to give all praises, honor and glory to the full throne of God: with a special salutation to the Queen of Heaven and the Architect of the plans of our soul salvation – The Most Holy Wisdom of God!

Your brother in Christ and Wisdom for all eternity; Amen!
