

THE DAY OF THE WATCHMAN(LETTER) #9

TOPIC: SHALL A NATION BE BORN AT ONCE?

SUB-TOPIC: 1) ZERUBBABEL CURSES THE EARTH

2) ZERUBBABEL'S VISION FULFILLED

3) THE STANDING OF HOZ IN PROPHECY

4) BABYLON IS NOW ACTIVATED: THE SERVANT OF HIS CHOICE STANDS UP

5) THE MAN-CHILD: THE FIRST TO BE BORN OF MOTHER WISDOM

We begin by stating that by the power of the testimony of Jesus, we all have and shall witness even more so the awesome power of God in full display on earth. The **southwest, northwest, northeast** and **southeast** are all crawling under the weight of calamities set to power under the curse of God; for the Lord did tell Bro. James T. Webb (surnamed of God: Zerubbabel) to curse all four directions of the earth. Thus, at that very moment God made him the living signet to the power of the Lord as seen in Haggai 2 v23, which quotes: ***"In that day saith the Lord of host, will I take thee O Zerubbabel, my servant, the son of Shealtiel, saith the Lord, and will make thee as a signet, for I have Chosen thee saith the Lord of host."***

[**Note:** Webster on the term 'signet' means: a small seal used in marking "documents of command"; a sign issued for the carrying of authority from a ruling body; the mark of the King.]

Now that we understand that the Prophet Webb was of God and which God made a signet, we see also the documents of command given to him were the many booklets that he was commanded to write. These documents warned the world of the upcoming, executive judgment, demanding that all come to the terms of God (Rev 14 v6-7). In addition, this added understanding makes it easier to comprehend how this one act of God also caused him to become a testator. Thus, in that the executive judgment of the Lord is put to timing (Eccl 3 v1) and the prophet's given life span expired before the activation of this executive judgment (the Lord's timing), we are made to understand that his (Bro. Webb's) work – in both the rebuilding and finishing of the house of Israel, as well as the preaching, teaching and finishing of the everlasting gospel – was assigned to his chosen hands. This fact was seen by Zechariah, the prophet (Zech 4 v6-10). The power of this God-given work would be placed under the symbol of the **"watchmen"** under the title of the "Message of Elijah" as seen in Malachi 4 v5-6. (Reference Scripture: Ezekiel 3 v17).

Zerrubbabel Curses the Earth

At this point, we turn to Bro. Webb's letter to the church entitled, The Three Distresses. Under the subtitle called, Trouble from Nature, Trouble of the Economic Word and Troubles of the Religious World, the prophet writes:

“There shall be great distress among the nations of the earth (Luke 21 v25); they shall be perplexed upon all sides. A voice spoke to me saying, “Calamities shall come upon earth in quick succession, one after the other. President Truman is a weak man (*). Persecution shall start in this country. You shall finish the truth in troublous times.” With the iron rod God commanded me to curse the earth from its four corners and from the clouds in the heavens.

Vision: I was carrying a bucket with the grapes of wrath in it and I cast a hand full of the grapes of wrath towards the four corners of the earth saying, cursed be the south west, and curse be the northwest; curse be the northeast and curse be the southeast.

In the southeast water was with the grapes of wrath. The earth is under the curse of God. Coming from the four corners there shall be droughts and pestilences, great heat and destructive winds, and flashfloods shall be towards the southeast. Cursed be the clouds; they shall have a curse in them. There shall be flashfloods and hail storms and flash storms. Weather due in each season of the year shall be severe. These conditions shall be spotted over the earth. Both man and beast shall be perplexed because of these things. This is the first distress!”

Next, my fellow HOZ, let us reexamine the Prophets letter to the church entitled, Remember the Dark Day: The Wrath of God is on the Earth (paragraph 3). He states this vision:

“This vision came to me back in the sixties as a sign to know when the wrath of God would be present on the earth.

Vision: “I was walking through the field in Mississippi. There came a red mule, running fast! I was afraid and he came up on one side of me and vanished away. There appeared a boy who walked with me; we talked and I said, ‘There is a great drought here in Mississippi.’ The little boy answered, ‘Yes, but worst in Florida.’ Then I asked, ‘You know what that means?’ The boy said, ‘The wrath of God is falling upon the earth.’

(The prophet continues...) Here we find that a drought, both in Mississippi and Florida – at the same time – will be a sign of the times in the earth. In the last week of March, 1976, I saw the symbol of the wrath of God with fierceness, which are the two, red mules running through the earth. This gives me to know that the wrath of God has come to the earth. We shall have further proof when the two places named in the vision are hit.”

(*) – Concerning the Prophet's statement regarding the President being a weak man, the Lord showed me this dream in reference to the current President; it is as follows:

“I saw the current president appearing sick with much weight loss. His face was tremendously sunken in and his skin appeared extremely tight. He asked where I had been in that he had been looking for me. He stated that he needed my help. I gave him no answer due to his policy concerning gays; because of it I refused to assist him.” (TDB: 6/24/12)

Zerubbabel's Vision Fulfilled

CURRENT EVENTS

- **4/11/2012: Article taken from the 2012 ACCU/weather INC report entitled, "FLORIDA DROUGHT FUELS WILDFIRES"**

A long-term drought in the southeast, especially in Florida, has reached severe levels as measure by the climate protection center palmer index. The drought is having far reaching effects. The obvious being a tender box of dry vegetation that is fueling high risk for wildfires. This normally is the dry season in Florida, the ACC/WEATHER EXPERT and SENIOR METEROLOGIST, DAN KOTTLOWOSKI said, but it's even dryer than usual; this comes after a dry 2011 in parts of the same state. A look at the year-to-date rainfall deficits in the southeast shows the seriousness of the drought so far in 2012. Jacksonville, Florida is one of the driest stations in the nation this year relative to normal, as only thirty percent of rainfall has fallen there. Many others are reporting less than half of normal rainfall to date. This drought has led to several wildfires across the Carolina's, Georgia and Florida. By far the worst of the wildfires are in Florida. As of Monday, the 18th, other wildfires have been reported across the sunshine state.

[**Note:** HOZ (and all whom stand with HOZ) please compare this article with the next one and see for yourselves the hand of God in executive judgment!!!]

- **8/17 2012: Internet article by Lew Rockwell: Politics/ Environmental Issues: What If the Mississippi River dries up?**

Economic Collapse writes: "The worst drought in more than fifty years is having a devastating impact on the Mississippi River. The Mississippi has become very thin and very narrow, and if it keeps on dropping, there is a very real possibility that all river traffic could shut down; and considering the fact that over 60 percent of our grain, 22 percent of our oil and natural gas, and one fifth of our coal travels down the Mississippi that would be absolutely crippling for our economy. It is estimated that if all Mississippi travel was stopped, it would cost the US economy 300 million dollars a day. So far most of the media coverage of this historic drought has focused on the impact it is having on farmers and ranchers, but the health of the Mississippi River is absolutely crucial to the economic success of this nation, and right now the Mississippi is in bad shape. In some areas, the river is already twenty feet low and the water is expected to continue to drop. If we were to have another 12 months of weather ahead similar to what we have seen over the last 12 months, then the mighty Mississippi would be a complete and total disaster zone by this time next year."

[**Note:** HOZ we continue, as we reference these two with the next article.]

- **8/9/ 2012:** **Reported by CNN Money News Report entitled, “U.S. DROUGHT DRIVES UP FOOD PRICES WORLDWIDE” (article originated from cable network news)**

“The drought that is drying up the heart land isn’t just an American problem. It’s causing food prices to surge worldwide, and it could get worse. This is not just some gentle monthly wakeup call; it’s the same global alarm that has been screaming at us since 2008, said Colin Roach of Oxfam, noting that the drought could lead to food shortages for millions of people. Food is a major U.S. export, so the drought affects prices around the globe. World leaders have to snap out their complacency, and realize the time of cheap food is long gone, Roach said.”

Beloved HOZ (and all who stand with us), I hope you are with me in the knowledge that the voice of Jesus Christ has arrived and is currently directing the four, spirit powers of the heavens in executive judgment. These powers – being brought down to the earth and issued forth from the wings of mighty angels – were well noted by the Prophet Webb. This is noted...as stated earlier...in his letter entitled, *Remember the Dark Day: The Wrath of God on Earth*, (paragraph one). The Prophet writes:

“The wrath of God is in two symbols and sent over the earth having to do with the elements of nature, by which the four seasons are controlled. We further understand the spirit forces move about under the symbol of horses and mules (and in other animals); yet, this power is brought to the earth on the wings of holy angels as eyes on the angels’ wings and released on the earth. Again, two red mules: one is the symbol of the wrath of God itself and the other is the symbol of the fierceness of his wrath. Therefore, the seasons of the earth will contain the fierceness of his wrath.”

The Standing up of HOZ in Prophecy

Dear HOZ:

God has given me instructions to let you know that your being able to stand up in this hour of executive judgment is not coincidental or by accident, but a preplanned event by God, and written in the plans of salvation by the Wisdom of God. In addition, every detail of your life was previously noted. All your experience (both pleasant and unpleasant) were previously recorded. By the decisions we all made, we were weighed in the balance as seen in Rev 6 v5-6. Furthermore, it was by our own decisions to accept the truth and the will of God, as well as the order by which he set up his will, that the “spirit of obedience” reclaimed our lives and molded us into the servants we have become. This can be seen and referenced in Jeremiah 1 v5 quoting, **“Before I formed thee in the belly I knew thee ... and I ordained thee a prophet unto the nations.”** Again, it can be referenced in Matthew 10 v30, which states, **“But the very hairs of your head are all numbered.”** Even your exit from the Tabernacle of David Church was prewritten and revealed to the prophets of old as a crucial part of the plans of salvation that must take place!! We note these words in Isaiah 66 v5 quoting, **“Here ye the word of the lord, ye that tremble at his word; Your brethren that hated you, that cast you out for my sake, said let the lord be glorified; but he shall appear to your joy, and they shall be ashamed.”**

HOZ (and all who stand with HOZ) note that regardless of what you experienced away from God, your return to God was predestined and could not be altered by any power under heaven. We see in Romans 8 v29, ***“For whom he did foreknow, he also did predestinate to be conformed to the image of his son, that he might be the first born among many brethren.”*** Also note the apostle’s acknowledgement of HOZ in his statement of the following scripture, last line stating ***“...that he might be the first born among many brethren.”*** Please compare this with Heb 11 v39-40 that states, (39) ***“And these all, having obtained a good report through faith, received not the promise; (40) God having provided some better thing for us, that they, without us should not be made perfect.”***

Beloved HOZ I hope you can see clearly God’s special love for you!! Thus, HOZ was allowed to be dismissed from the Tabernacle of David because their personal, spiritual growth and commitment to God had been accomplished. This was done by God, through the oil placed within them during their grooming under the Prophet Webb. Now of course as all saints before them (who would receive the promises of Abraham), they too had to be tested by time and endurance. Therefore, HOZ was left alone for many years to test if they would ignore the warnings of the Prophet Webb and bow down to “Babylon” and its false religious system...by giving up their allegiance to the hope of the everlasting gospel...or would they remain faithful in their hearts throughout the test.

[**Note:** As was with Bro. Webb, Wisdom reveals that we were all thrown in a “sill barrow” by the devil and had dirt on our skin, but only our flesh became dirty. We hurt not the oil as was commanded by our God as seen in Rev 6 v6 quoting, ***“And see thou hurt not the oil and the wine.”*** Thus, in that we did not mix any other doctrine in our faith, by our own decision we were made eligible for the washing by the spirit of God (Isaiah 1 v16 and Rev 7 v14-15).

It was HOZ (and all who stand with them) that God, by use of their commitment and oil that Mother Wisdom imputed within them, that they would return under the guidance of the “spirit of the deliverer” and challenge the ungodliness. Not only would they challenge the ungodliness found within the Tabernacle of David as seen in Zech 4 v6-10 and Romans 11 v26, but all earth, which is now under the influence of the Seventh Death King: the Frog and the rule of the two-horned beast (Rev 17 v17; Rev 13 v11; Rev 18 v1-4). The Prophet ESDRAS (the Apocrypha), whom God did grant to see the end of the plans of salvation, was shown HOZ and all that stand with them in complete victory over the kingdom of death (II ESDRAS 2 v45-48).

Babylon is now Activated: The Servant of His Choice Stands Up!!

Please notice with me Eccl. 3 v7, last line, which quotes, “...A TIME TO SPEAK,” Now please compare this with Rev 18 v4 as it speaks these words, ***“... Come out of her my people, that ye be not partakers of her sins, and that ye receive not of her plagues.”*** This word, being the second half of the work of Samuel Webb (Bro. Webb’s brother) is brought down to the servant of his choice (Rev 1 v1). This servant of the Lord, already armed with the knowledge of the nations during the personal grooming under the “spirit of the man-child”, shall set up a communication system by which he shall speak to the world warning them of the deplorable condition of the earth as seen in Rev 18 v1-2 and Rev 17 v1-17, as well as teaching the commandments and testimony of Jesus Christ to all who seek God. As previously mentioned in this letter, God has sent holy angels down to the earth armed with the powers of the four spirits of the heavens (Zach 6 v1-7). These powers of God, in the administration of the judgment of God, shall again be administered through the eyes of the angels’ wings to the servant of his choice; he will take the reins of these mighty spirit powers under the symbol of Horses. It is by these great powers and the Wisdom of the bay horse that he shall create a worldwide system of communication strong enough to stand against the gates of hell itself, for he has been given the “spirit of Peter”, empowered by the knowledge of Elijah, which is the power of separation. By this servant’s work, God shall separate all saints from Babylon (Matt 16 v18-19 and Rev18 v4).

The Man-Child: The First to be Born of Mother Wisdom

Ecclesiastes 3 v2 reads: ***“A TIME TO BE BORN.”***

Dear HOZ, as a final note to this letter, let it not be forgotten that we have a date to meet with the Man-child, for HOZ shall see him first as seen in Zech 4 v9-10. Please note verse 10, second line quoting, ***“...for they shall rejoice, and shall see the plummet in the hand of Zerubbabel with those seven. They are the eyes of the lord which run to and fro in the whole earth:”***

Here is the **“golden letter”** in the hand of Bro. Webb. He will be completely dressed in the seven spirits of God!! Yet, he will still be in human form, having been given a **“new body”** by the resurrection power of Christ. He will have returned to the **“state of Adam”** before the sinful fall. But, he will be adorned in the **“eternal spirit”**, which Adam did not have. In his hand will be a letter written in the **hand writing of God**...blazing in the colors of all the rainbows of heaven: a letter of love from your God who is the Alpha and Omega, both the beginning and the ending of time, which is why it was seen as a **“plummet”** or **“measuring tool”**.

All praises be to the full throne of God – with a special salutation to our great and loving Queen, Mother Wisdom, the architect of the plans of salvation and the book of life. Amen!

With love,
Terald D. Blakey Sr.
