### **Scriptures**

**Matthew 24 v45:** *“Who then is a faithful and wise servant, whom his lord hath made ruler over his household, to give them meat in due season.”*

**Psalms 40 v4:** *“Blessed is the man that maketh the Lord his trust.”*

### **The President is a Weak Man!!**

Dear HOZ:

In that we have been instructed by the Lord to watch and to give meat in due season, we must not ignore the facts of the prophecy of Zerubbabel and what the Lord told him would occur in this same hour that the kingdom has been turned over to the beast (Rev 17 v17). The prophet did hear the angel of the Lord say, “The president is a weak man.” The prophet identified this to mean – and shared this with us – the following points:

1. The president’s policies of government, which were given forty and two months to implement (Rev 13 v5) will and are being seen (by large segments of the nation) as ineffective and weak.
2. These policies are being dictated not by man, but by the two-horned beast of Rev 13 v11; the two-horned beast has been given full authority to dictate destructive policy through whomsoever sits down in the office of the head of the United States’ government – regardless of that leader’s political affiliation or personal intent (Rev 17 v17).
3. This dictation from evil shall consistently denote weakness and an inability to govern effectively in the eyes of his or her political enemies. In addition, along with this comes a condition of perplexity within the policies of the government – even though the authority and control over the events of this hour is not in the hands of man!!
4. The U.S.’s problematic state of affairs shall consistently be compounded by the executive judgment of Christ, being carried out in the form of natural disasters, calamities and economic chaos. **THIS IS THE PROPHECY OF ZERUBABEL!** (Ref Scriptures: Isaiah 22 v5; Micah 7 v4, line 2; Luke 21 v25)

**Dream: June, 2012 (by Terald D. Blakey Sr.)**

“I saw the current president in a sick and weakened state. He appeared very ill with severe weight loss and bone-tight skin. He stated to me, “I have been looking for you; I need your help.” I gave him no answer of comfort and could not help him in any way due to his policy of protectionism of sodomite sin.”

**Note:** I hope it is clear to all HOZ (and those whom stand with HOZ) that the current president of the U.S. appears to be him of whom the angel alluded to in the vision of the Prophet Webb during his preaching of the everlasting gospel during the 1950’s stating, “The president is a weak man.” Here I reiterate the fact that the current president may have every intention to be fair and just to all in his administration of policy; however, the evil forces that dominate that seat of power in which he sits were preordained to fulfill the word of God and to challenge God, presenting to God the justification to destroy all evil men or spirits once and for all. (Ref Scriptures: Rev 17 v17; Rev 20 v11-15)

Let us now examine the negative, political perspectives of the president that are commonly known to most people of our nation and which promote weakness in the eyes of several segments of the nation and his political enemies.

- He believes that sodomites have the God-given right to love and be married to those of the same sex, an issue that has placed him at variances with certain religious leaders and politicians.
- He has a lukewarm relationship with the nation of Israel, who is seen to be America’s greatest ally in the Middle East. This relationship is very important to all elite politicians and does present what is perceived as instability and weak leadership in the U.S. Government.
- He is perceived by some to lack the knowledge to reestablish the nation’s hold as the number one economic engine on earth. The nation, under his watch, has lost their number one credit rating in the world; and though he is not the blame, he is being blamed for it by his political enemies.

We at this time should be looking for every opportunity to improve our righteousness, improve our patience and our trust in God, for these are the fulfillments to the prophecies of Zerrubbabel, and precursors to the coming ambush of executive judgment of God (Rev14 v6; Jer. 51 v12). We read in Amos 5 v20: ***“Shall not the day of the lord be darkness, and not light? even very dark, and no brightness in it?”***

**We Must Now Trust in God!!**

Dear beloved HOZ, we are now officially in the hour of the “time of trouble”. Every thought the dragon can muster against a saint’s trust in God shall he bring forth as an arrow of attack. We must guard against him by prayer and seek not our own, but the “spirit of poorness” so that we may constantly feel each other’s cares. We must remember the Prophet Webb saw two angels walk by him...singing in song...saying, **“Don’t throw away food, but share it night and day!”** Again, he heard this word of warning saying, **“Times shall be fierce and hard; throw away nothing one can use.”** We know not how far we have to go into this time period before our deliverance; yet, the prophet left us with this word. Be wise as a serpent and harmless as a dove. Also, he assured us that we shall be tried by every word of the divine testimony and we must not fail!!! Thus, the word given unto me to give to you is, **“TRUST IN GOD!!”** We may not have a lot, but what we do have we may be required to share. If one cannot share with God’s people, God will not share with them (Matt 25 v34-45)!!

We must understand that sharing with those we love, such as our children and family members, is not the point the Lord is making to us here, but the sharing with strangers...even our enemies...if the situation arises. Furthermore, this is not to say that we should allow those whom would abuse us and take advantage of our righteousness to make of us fools; neither do we buy one cigarettes, wine or drink and drugs, but we share those things required to live and sustain life. For he (God) said even those that are afflicted with evil will share with the children (Matt 7 v9-11). The Prophet Webb assured us that when this hour came, God would not take just our word that we believe: we must prove it by an all-out display of the divine testimony of God. We can do this by putting all our trust in the Lord and he will see us through – no matter what challenges we face. We read in Psalms 141 v8, ***“But mine eyes are unto thee, O God the lord: In thee is my trust, leave not my soul destitute.”*** We note further in Prov. 22 v19 quoting, ***“That thy trust may be in the lord...”*** Lastly, we note the following in Prov. 29 v25, in line two we read, ***“... Whoso putteth his trust in the lord, shall be safe.”***

All praises be to the full throne of God, with a special salutation to the Wisdom of God. Amen!

Your brother in Christ and Wisdom,
