HOZ: Willing Servants of Obedience

Dear HOZ:

On 11/6/13, in the early morning hours of this day, I did hear a wee, small voice of the Spirit bidding me to arise and to thank them who heard the voice of the Lord and hath worked diligently unto the completion of the everlasting Gospel delivered unto us by the Prophet Zerubbabel. As with the disciples before them, they dropped any and all things in their path and did come and serve the Lord, empowered only by faith and spirit as was written of them over 2000 years ago (Zech. 4 v6-9). These same people are they in whom God for this very task and purpose did place the “spirit of faith” in them while still in the womb of their mothers (Apoc.: Eccl.1 v14 and Jer. 1 v5). These same people, having the spirit and knowledge of Zerubbabel transferred unto them, did make the same stand against the dragon kingdom that was made by Zerubbabel. In addition, as was with the many God-given talents of Zerubbabel, their knowledge and their true belief in the everlasting Gospel that Zerubbabel taught them was forever chained in their hearts, thus making it impossible for them not to adhere to the calling of their God; for God did say **“my sheep shall hear my voice”** as found in St. John 10 v16.

These are the same whose stand against the Knowledge of Evil was shown to the Prophet Ezra as he desired to see those that would come out of great tribulation and a time of trouble to serve the Lord (Apoc.: Esdras 2v 42-48). As was also seen by John the Revelator, they would be there in the end of the world to fulfill all things mentioned of them in the writings of the holy prophets; and by their stand with Christ, the Word of God; they became the remnant of the Wisdom of God (Isaiah 1 v9 and Joel 2 v32).

[**Note:** 1) Webster on the word “commend” means to put in care of another or entrust; to mention as worthy; to give praise to.

2) Webster on the term “remnant” means a small remaining part or quantity; all that remains at the end of a bolt; what is left over.]

HOZ: The True Remnant of the Lord

We begin with a scripture Isaiah 1 v9 quoting, *"Except the lord of Host had left unto us a very small remnant, we should have been as Sodom; and we should have been like unto Gomorrah."* Here Isaiah makes direct mention of the work of the small remnant to come in the latter days. We see an important component of the “Message of Elijah”, which is to expose the emergence of the “frog spirit” and the “two-horned beast” that has taken over the world to turn it into Sodom and Gomorrah and to prepare it for the arrival of the antichrist as seen in Rev. 11 v8 and II Thess. 2 v39. This exposure we have done and done well in the writing found within our watchman series. This bread of knowledge created by Mother Wisdom is to warn the saints of God whom shall soon face this wicked system of evil (Rev. 6 v9-11; Rev. 20 v 4; Ezek. 3 v17 and also 33 v7). As we all know, the other component of the “Message of Elijah” was to expose the church of outer darkness hidden by the devil within the walls of the Tabernacle of David – those among the elders of the church – referred to as ancient men, as well as those that were elevated to prophets’ status and made spies within the congregation, as they took pleasure in the down castment of the saints. The Wisdom of God...through HOZ...has exposed them fully by the power of the truth. Thus, our God and Mother at this time has moved me to state on her behalf: well done!

HOZ and the Spirit of Deliverance

Again, we (HOZ) were commissioned by God to expose the depth of the blasphemous lies from the false prophet of the ancient men explaining the death of the Prophet Webb that was used to spellbind the church unto outer darkness. We have left no stone unturned and have made it as clear as humanly possible the truth of the matter concerning Brother Webb's death and to this end, God has said unto us all, “Well done”.

However, we have but one task left before our mission can be seen as complete. We must do all within our power to assist the saints when God reveals unto them the truth of their spiritual condition and the darkness that has been cast upon them, for they will suffer great down-casement and agony from the unveiling of the truth. The truth, as to the level of abomination among them, will be staggering to say the least. This was mentioned by both Ezekiel (Ezek. 9 v4-6) and Brother Webb in his many visions, writings and night dreams that we have placed within the documents of our message. We shall be there with open arms when God reunites the families that have been torn apart by the false doctrine and manipulations of the “church of outer darkness”, which is found within its walls as seen in Mal. 4 v5-6. We have been truly armed with all that they will need for spiritual recovery. We now wait the appointed time and harvest hour of the Lord as seen in Mathew 13 v24-30.

With this said, allow me to add that from the depth of my heart I personally would like to thank all HOZ for their incredible work done in the “Message of Elijah”. It is impossible for me to thank you as much as you deserve, therefore, I will leave that to our God. Nevertheless, allow me to stop and make note of the following:

-
- the reviewing, the editing, the setting up of the website,
- the combing of the scriptures to make sure that all was as the Lord would have it, the discussions that took place among us to make sure that only the word of God was allowed to come forth from our message, producing documents perfect and indisputable before the Lord our God.

With all of the above, I know that if our God has shown me anything, he has shown me that it would have been inconceivable for me to do this alone. I am greatly humbled by your stand for the Lord and his people, and I offer unto you my eternal love, gratitude and admiration as we wait to witness the results of our work. [Note: Please review our Wisdom Letter 21 entitled, *God is Real.*]

Again on the behalf of our Lord and Savior and our Mother, the Wisdom of God most holy – thank you,

Terald D. Blakey Sr. (HOZ - November 12, 2013)
