Night Dreams: T. Blakey Sr.

Year: 2009

“I was walking through a prison. There was a guard with me, as I was a therapist or counselor for the men confined in the prison. I noticed the guard walking with me had many keys around his arm, which were the keys to the cells.”

I now am made to understand that the man accompanying me was not a human being, but the spirit of Elijah, which has been working with all HOZ members to assist them in carrying out their assigned duties (Mal. 4 v5-6). Also I have been made to understand that the documents given unto us in the Watchman, Heralding News, Tutorials, Babylon and Wisdom letter’s series are all the keys that have the power to open the prison doors mentioned in Revelations 2 v10 when appropriately applied at the right interval of time.

Year: 2013 (4/6)

“I was walking down the street with a man who had not seen or talked to his only son in many years. As we passed by a basketball court the man’s son was their playing B-ball with friends. I stopped when I noticed him and challenged them all to a ‘father’s and son’s game’. I noticed as we were preparing for the game that the man and his son were talking.”

From this night dream – coupled with the directives of our Mother Wisdom – we are to consider by study her allotments of time. With this said, I am persuaded that the activation of the “Spirit of Elijah” has been upgraded to full throttle on our behalf; and with this upgrade, we can expect the executive judgment of God in quick succession as foretold by James T. Webb, the Messenger of the Covenant.

Dear HOZ and all those whom stand with HOZ; i.e., those that have full belief and faith in the “Message of Elijah” that God gave unto HOZ. Those that know that that message is the completion of the works of James T. Webb, prophet and messenger of the new covenant and everlasting gospel and surnamed of God, Zerubbabel who was anointed under the mantle of the man-child and first born of Wisdom (Isaiah 66 v6-7, Rev. 12 v5 and Rev. 14 6-7).

My loved brothers and sisters in Christ and Wisdom, God has by both word and night dream given us the incentive to focus on time, our deliverance and all things connected to the visions of the man-child in respect to our deliverance (Hab. 2 v3). With that being said, it has been declared unto me by the sweet and soft voice of our Mother Wisdom, that the Tabernacle of David, which James T. Webb did solidly build under the directions of Mother Wisdom on the foundations of the seven spirits of God – the testimony of Jesus Christ, which is the spirit of prophecy – has fallen down by reason of false and damnable teaching against the testimony of Jesus Christ (Acts 15 v16; Rev. 12 v6 and 14; Matt. 5th, 6th and 7th chapters; Rev. 19 v10; Rev. 12 v17). Very soon God shall activate Ezekiel 9th chapter on behalf of the saints. He will soon break the spell, which has imprisoned the saints in fear; and when that task of the Holy Spirit is complete, our task will be to utilize the keys that Mother Wisdom has presented unto us in the form of “document letters” to rebuild the Tabernacle of David and finish the work of Zerubbabel, Prophet of the Most High God. It is this work that was started by the hands of James T. Webb and shall end with HOZ, the chosen spiritual hands of James T. Webb seen in Zech. 4 v9, which states, ***“The hands of Zerubbabel hath laid the foundation of this house, his hands shall also finish it. And thou shalt know that the lord of host has sent me unto you.”***

Transfer of Spirit

Dear beloved HOZ, that we might understand fully our experience under the mantle of the man-child, God directs our focus to these texts of scriptures: Num. 11 v17, v25 and v28; II kings 2 v9 and v15; Num. 27 v23). Members of HOZ and those whom stand with HOZ have had many dreams concerning our oncoming work with the church. We wait out that time in which God shall send these wounded saints to us; however, until then our focus is on the will of the Lord towards us and the oncoming birth of the man-child. With that said, we return to our focus to the appointed time. Through the word of God we are counseled to watch closely the visions that the lord has given both our group and the Prophet Webb. We are assured that at the time appointed God shall bring to pass all that we seek to see, as in Hab. 2 v3 quoting, ***“For the vision is yet for an appointed time, but at the end it shall speak, and not lie; though it tarry wait for I; because it will surely come, it will not tarry.”***

Furthermore, we do understand that the knowledge of the appointed time will not declare the **start** of the seventy weeks...but rather declares **the interval of time** in which the 70 weeks could occur; the same as Daniel saw the interval of time had come in which God would be open for discussion concerning their release from Babylon. Yet, in respect to our deliverance, our hope and prayer is that God will send unto us that same skill that was sent to the sons of the prophets at Bethel, the same as the sons of the prophets that were at Jericho and also Elisha, whom were all made to understand the interval of time in respect to Elijah’s departing (II Kings 2 v3 and v5).

Interval of Time

Webster on the term “Interval”:

1. A space between things
2. The time between events
3. The difference in pitch between two tones (once and awhile here and there: here and there)

American Collage Encyclopedic Dictionary on the term “Interval”:

1. An intervening period of time
2. A period of cessation
3. A space intervening between two things

Dear friend, I hope it is clear what the appointed time actually is; i.e., an interval of space in which our God is open for discussion in respect to our deliverance (Hosea 10 v12 and Joel 2 v32). Our faith must meet the level required in this hour; we must believe!! In addition, we see that God gave the Prophet Daniel the skill to understand when he and his people were possibly entering this period of cessation (Dan. 9 v2-14). This selfsame skill was delivered unto the Prophet Webb for his work of the Everlasting Gospel, and through his vision of the *Little Book* (Rev. 10 v8-11; Rev. 14 v6-7). Seeing that we have quoted the prophet’s vision in several of our documents contained in the “Message of Elijah”, we will refrain from quoting it again at this time. However, as previously mentioned, this skill was delivered unto the Prophet Webb and by it he was able to understand the “interval of time” associated with the events in respect to the Gospel dispensation, as was with the 1967 six-day war being the event that ended the period of the Gentiles (Acts 15 v14-16 being the word). Also shown to him were the starting interval of time in respect to the New Covenant and the return of Israel (Heb. 8 v8, Acts 15 v16 and Romans 11 v26). As to the transferring of Spirit, it was the will of God that this special skill be delivered unto Daniel (Dan. 9 v22) and be amongst HOZ for the administration of the “Message of Elijah” (Num. 11 v17, v25 and v28-29; Zech. 4 v9).

God’s Transfer of Skill and Understanding

The Prophet Webb first declared the revelation of God’s intentions unto me in the year 1979 in his interpretation of a dream that the Lord did send unto a member of the Tabernacle of David concerning his intention to send skill and perfect understanding of his (Bro. Webb’s) work under the symbol of the sun to me (Rev. 12 v1). Later in the early 1980’s, the Prophet Webb interpreted a dream of mine that coincided with his own vision showing a graduation and completion of the will of God in these things: a dream he called “Zenith”. His word unto me was that I had learned everything God needed me to understand concerning his (the Prophet’s) work and that I had to await God’s purpose. I now have been made to understand that the purpose was to awaken HOZ that we, as a unit, would bring forth the “Message of Elijah” and rebuild the Tabernacle of David, which has fallen down (Zech. 4 v9). (**Note: American Collage Encyclopedic on the term “zenith” means: highest point or state of culmination; way over the head.**)

In the late 1980’s (before his death) the prophet received a vision of God concerning the work to be done by me in respect to the Tabernacle of David. In addition, let me state that I now understand that work was to be done as a member of HOZ. Thus, the “Message of Elijah” has been brought forth with the boldness of Moses and the skill of Daniel as was declared unto me by God in 02/2009. It is this skill sent down unto us in the form of “golden oil” – nurtured by the Wisdom of God – which our Lord sets afire within us to shine light on the interval of his visitation known unto us as “the appointed time” (Matt. 25 v4; Zech. 4 v12). Already he has delivered unto us three formulas to consider in respect to current knowledge and understanding of the appointed time. We refer you to our watchman series letter #22 entitled, *In Spirit and in Truth*.

May our love abound exceedingly towards God and each other as we await the hope and promises of the Lord, our God.

Your brother and servant in Christ and Wisdom,
Terald D. Blakey Sr.
