**AN INTRODUCTION TO
THE BEAST THAT CAME OUT OF THE EARTH**

“IT CAME FROM THE EARTH”**

TRANSGRESSION BEGINS**
- 3) IT HAD THE POWER OF THE FIRST BEAST**
- 4) NO SEPARATION (BETWEEN CATHOLICISM,
CONGRESS, AND CHURCH LEADERS)**

To begin, we shall review words given to our brother in Christ, Bro. Terry, on this subject. They are as follows:

Dear friend, let us examine together the spiritual events of this hour, which will affect all our lives as well as the destiny of this planet. The deceit of this world has come to full as seen in Rev 12 v9. The world is now facing the condition foreseen by, and spoken of, the Apostle Timothy (2 Tim 3 v1-5; 1 Timothy 4 v1-2). As we view and mourn over the state of our planet, as we experience the ever-changing attitudes of the people being rooted in lies, depression, falsehood and hypocrisy, we notice also the world’s religious leaders (whom we have trusted for centuries) being revealed, as they have been undressed before the whole world by the dragon’s spirit of sodomite sin and abomination. Furthermore, because of iniquity (known sin), the coldness of spirit is among the people as spoken and prophesied by Christ (Matt 24 v12). The kingdom has been given to the beast as foretold by John in Rev 17 v17. The hour of temptation is upon us; we can see its glorification of sin in our music, movies, government leaders and all forms of entertainment...and only Christ can save us as foretold by John (Rev 3 v10).

Friends, the Lord did show me the condition of this hour while I, myself, was a very young man. He showed me a two-horned beast, leaping out of the earth from hell itself (for details please see Wisdom Letter #14, page two, dream one). Also we notice that the gospel of Christ, given to us by the disciples, has been defrauded by the world's ministers and pastors as foreseen by Jeremiah (Jeremiah 23 v1). The deal of riches offered by Satan...which was rejected by Christ...was again offered to the world's religious leaders and they accepted this deal; and in return, gave their worship to the dragon (Matt 4 v8-10; Rev 17 v2; Rev 18 v2 and 15). All this is done by the two-horned beast coming out of the earth, after the working of Satan as in Rev 13 v11 and Rev 20 v1-3. This is the self-same beast mentioned in Rev 17 v17. Lucifer is no longer a part of the attack on man. He has run out of time and been placed in the pit as seen by John (Rev 20 v1-3; Rev12v12). His effect was the power of "lies and deceit", but now the two-horned beast has risen to "sear the souls" of all them who refuse to repent. Yet, we must not despair because God has heard our cry and shall send the servant of his choice, armed with the voice of light from heaven. With this great light God shall gather his saints from all over the world. They shall follow the spiritual voice of this light that shall lead them to their God and his salvation (St. John 10 v3).

*Now we would like to make clear a very important point so that all reading this letter might know and understand that: "Salvation is of the Jews". This means that the Jews were given the correct way to worship god...while at the same time, the Gentiles were involved in the worshipping of pagan gods (St. John 4 v22)!! The light of the gospel that was given unto the gentile nations was that of the symbol of the moon; the moon was a dimmer light, which meant a lesser light, or less understanding. They (the Gentiles) saw through a "dark glass", which is seen in 1Cor 13 v12, first part, (lesser light, which could not compare with that of the sun (New Covenant teachings), which was given unto the Jews (Rev12 v1). It was the will of God that the true Jews return to God from their captivity and slavery so that the light of the (new) covenant, under the symbol of the sun, be restored to them (Acts 15 v15-16; Romans 11 v25; Rev 12 v1). This is the "light of understanding" for the Jews as shown in Wisdom's Letters (see Gods saints' website document library). Thus, it is the true Jews whom were forced out of Jerusalem during the attack of Titus of Rome, and were eventually, enslaved all over the world. God shall raise their seed under the light of the covenant to lead **all saints** out of Babylon and back to God.*

The False "Catholic/Orthodox" Church: Transgression Begins

It was said to **beware of false prophets**, as they were presenting themselves as Prophets, Priests and Kings, but with the authority, the personal gain and the effectiveness of the Devil. All this is done at the will of the Knowledge of Evil, that mother of all whores and abominations exposed in Revelation 17:5, as they became drunk with the blood of the saints. She (the Knowledge of Evil) appointed her successors and thus, established the false priesthood of what would become the Catholic Church. Therefore, apostolic succession became a very necessary evil, only for the perpetuation of false teaching for the Catholic Church, and for its blasphemous sanctification. Orthodox Catholicism upholds the creed in which, for centuries, the beliefs of the Catholic Faith have been stated in the articles of the Creed of the Catholic Church and defined as "**one, holy, catholic**":

- **One:** for its so-called unique lord (the pope);
- **Holy:** for its (sanctification) ability to perform pagan rituals or other acts intended to free its people from sin;
- **Catholic:** for preserving all to give religious blessing to something, usually through an oath or vow that a false order of apostolic succession through its establishment by: the devil first, then the pope, followed by his bishops.

This policy is accepted in the Catholic, Orthodox Church, and its bishops worldwide and every denomination, who are the successors of the false doctrine of the anti-Christ. This is a policy that will be transformed into the Man of Sin (Revelation 17:17 and 18:7). **Come out of her my people!**

The **original 13 colonies** saw Catholicism as a **shame** or **disgrace** and it was regarded as unacceptable, even though it had been involved in the English colonization of America from the beginning of **1497**. As a result, the colonies were settled by Anglicans and other Protestants (Revelations 13:11).

Catholicism, the first beast mentioned in Revelations 13:12, came to the territories with the **original 13 colonies** that formed the United States, along with the influence of Spanish-Catholic explorers and settlers in what is present-day Florida in **1513**, Georgia in **1568-1684**, and soon after, the southwest United States. Today, more than 1/3 of Americans identify themselves as Roman Catholic, even though it began as a shame and disgrace. The Catholic Church has the third highest total number of individual parishes in the US, behind Southern Baptists and Methodists. However, because the average Catholic parish is significantly larger than the average church from those denominations, there are more than four times as many Catholics as Southern Baptists and more than 8 times as many as Methodists.

The Catholic Church's organizational structure and hierarchy is based on the premise of **Apostolic succession**. **Apostolic succession** is a doctrine, held by Catholicism and its sister denominations, which say that the chosen successors of the Twelve Apostles of Jesus Christ were Catholic, ordained bishops; God forbid! Beginning at the first century to the present day, Catholics... via the pope... have imposed their false doctrine, filthy spiritual, ecclesiastical and sacramental authority, power, and responsibility that was provided by Satan (a puppet of the great red dragon who conferred with the Knowledge of Evil), who in turn gave it to the Pope.

As stated in previous writings, this false attempt to blend the Apostles of Christ to Catholicism allowed the Devil to mix together pagan custom and papal doctrine/belief/policy to guarantee the Pope control and authority in matters of faith, morals, and the valid administration of sacraments for the express purpose of deceiving God's saints: namely the Gentiles. The Pope and the Catholic Church hierarchy, are convinced that a bishop's authority on matters of faith and morals is infallible and the false doctrine they teach is universally accepted and taught by all their followers in communion with the Pope (Satan's spokesperson), and who, by permission of Satan (the dragon's puppet), in turn portrays Peter as Catholic.

God Forbid! Come Out of Her My People!

It Had the Power of the First Beast

The Christian Church, teaching and the work of the apostles, was changed as it spent its first three centuries as an outlawed organization and was thus unable to hold or transfer property. Early Christian churches congregated in private homes, and a number of Early Christian churches built round the edges of Ancient Rome, were ascribed to patrons who held the property in custody for the Church. Under the Emperor Constantine I, the Church's private property grew quickly through the donations of the pious and the wealthy; who gave to those who supported the change of laws and policy as with the time and days of worship was changed to Sunday.

Other changes and donations in the church soon followed, mainly in Italy, but also in the provinces, in what would become the United States ('the beast that came out of the earth'), but the Church held all of these lands as a private landowner: the church organization of Catholicism in Italy, and the bishop of Rome were its head. The kings of the earth submitted to their sovereign authority while beginning to assert papal authority. The seeds of the Papal States as a sovereign political entity were planted, making way of the Holy Roman Empire to reign in spiritual supremacy. In Western Europe, consolidation of power of local magnates and of kings in fixed, administrative and religious centers, led to the creation of a distinct culture that was the center of intellectual and religious, artistic patronage. This rivaled the abbots, bishops, counts and dukes. The dynamics of the hierarchy of "Catholic Apostolic Succession" and its blasphemous art culture, together, splintered politics of medieval Europe, Germany and Italy, which became known for spiritual profanity and immoral, power politics...with the collection of blasphemous art, always displaying graven images of the pagan sun god.

A vicar is a Roman Catholic priest who represents or stands-in for a bishop: a servant, who stands as "representative" or "overseer". So too, we include the pope; as he is the vicar for the devil, and the devil as the vicar for the dragon. The title is used in Catholicism to refer to the bishops and more specifically, to the Bishop of Rome (The Pope, from Latin: papa; from a child's word for father); a position that makes him the leader of the worldwide Catholic Church. Another description would be modern day Scribes, Pharisees, Sadducees, high priest, and elders, imposing the "gospel of prosperity"...a religious movement on the world. The Pope has used the term "Apostolic succession" to make himself vicar and pastor with the responsibility to feed his flock of Catholics with false doctrine. The Pope names himself "Vicar of Peter"...God forbid...indicating that they (all his predecessors) were the successors of "St Peter", their so-called "Vicar of the Prince of the Apostles" and *the* Apostolic See, which is the seat of authority in the Roman Church, assuming the functions of the devil: the chief of Catholicism.

No Separation: Between Catholicism/Congress/Church Leaders

Come Out of Her My People!

Protestant churches became the parrot of Catholicism, including the Lutheran and Methodist churches, which have ***bishops*** serving similar functions as well, though not always understood to be within Apostolic succession in the same way.

Baptist churches are Protestant, and some churches or individuals further identify with evangelicalism or fundamentalism. Baptists recognize two ministerial offices: pastors and deacons. The predominant view of Baptist origins is that Baptists came along in historical development in the century after the rise of the original Protestant denominations. It was a time of considerable political and religious turmoil. Both individuals and churches were willing to give up their theological roots if they became convinced that a more biblical "truth" had been discovered, such as the "gospel of prosperity".

Baptist's congregations in the United States split over the issue of slavery. The Baptists from the Southern states supported slaveholding, and when Northern Baptists tried to prevent slaveholders from being missionaries, the Southern Baptists formed a separate organization: the Southern Baptist Convention. The northern congregations, then known as Northern Baptists, formed their own umbrella organization, now called the American Baptist Churches of the U.S.A.

Baptist historians generally wrote from the perspective that Baptists had existed since the times of Christ. The Baptist view considers the Baptist movement to have always been historically separate from Catholicism and in existence prior to the Protestant Reformation. The historians who advocate this position consider Baptists and Anabaptists as one and the same people that promote evangelism.

The spiritual movement of evangelism is the gospel of prosperity, a movement that promotes the cares of this world and all things that oppose the Commandments of God and the Testimonies of Jesus Christ.
